Traditions & Encounters: A Brief Global History Jerry Bentley,Herbert Ziegler,Heather Streets Salter,2010-02-18

Based on Bentley and Ziegler s best selling comprehensive survey text Traditions Encounters A Brief Global History provides a streamlined account of the cultures and interactions that have shaped world history The text s strong hallmark themes of traditions the formations and development of the world s major societies and encounters cross cultural interactions and exchanges bring focus to the human experience and help turn the giant story of world history into something more manageable to teach and learn At the same time an effective part structure organizes developments into seven eras of global history putting events into perspective and creating a framework for cross cultural comparisons With an engaging narrative visual appeal extended pedagogy and a strong emphasis on critical thinking this concise version offers enhanced flexibility and affordability without sacrificing the features that have made the complete text a favorite among instructors and students alike

Colonial Encounters in a Time of Global Conflict, 1914-1918

Santanu Das,Anna Maguire,Daniel Steinbach,2021-09-28

This volume gathers an international cast of scholars to examine the unprecedented range of colonial encounters during the First World War More than four million men of color and an even

greater number of white Europeans and Americans crisscrossed the globe Others in occupied areas behind the warzone or in neutral countries were nonetheless swept into the maelstrom From local encounters in New Zealand Britain and East Africa to army camps and hospitals in France and Mesopotamia from cafes and clubs in Salonika and London to anticolonial networks in Germany the USA and the Dutch East Indies this volume examines the actions and experiences of a varied company of soldiers medics writers photographers and revolutionaries to reconceptualize this conflict as a turning point in the history of global encounters How did people interact across uneven intersections of nationality race gender class religion and language How did encounters direct and mediated forced and unforced shape issues from cross racial intimacy and identity formation to anti colonial networks civil rights movements and visions of a post war future The twelve chapters delve into spaces and processes of encounter to explore how the conjoined realities of war race and empire were experienced recorded and instrumentalized

Cross-Cultural Encounters in Modern World History Jon T. Davidann, 2017-08-25
