[A New Introduction to Theology](#) Richard Bourne, Imogen Adkins, 2020-09-17 Encountering theology for the first time is exciting but it can also be daunting. Some struggle to connect with doctrinal discussion they perceive to be abstract or abstruse. Others may find the scope of theology and the connections between different theological issues dizzying. In order to address these difficulties and keep the initial excitement alive, *A New Introduction to Theology* offers a range of accessible practical, experiential and interactive encounters with the major elements of academic Christian theology. The guiding motif of this book is the claim that theology is full-bodied thought. The phrase full-bodied shows both the richness of the experience of theology and its nature as a thoroughly embodied encounter with ways of knowing God and God's ways with the world. This motif allows the authors to bring together topics ranging from theology through the arts, sexuality and the body and the nature of the church's everyday life to mystical theology, spirituality, political action and ecology. Working imaginatively with the five senses and the notions of loving and resting, each chapter provides a range of activities, guided discussions and reflections on key theological texts, authors and issues. This is a unique introduction to the key innovative and interdisciplinary elements from contemporary theology, ideal for individual reflection, classroom work or flexible and distributed learning.

Understanding Biblical Theology Edward W. Klink III, Darian R. Lockett, 2012-11-06 *Understanding Biblical Theology* clarifies the catch-all term biblical theology, a movement that tries to remove the often-held dichotomy between biblical studies for the Church and as an academic pursuit. This book examines the five major schools of thought regarding biblical theology and handles each in turn, defining and giving a brief developmental history for each one and exploring each method through the lens of one contemporary scholar who champions it. Using a spectrum between history and theology, each of five types of biblical theology are identified as either more theological or

Biblical Theology Ben Witherington, III, 2019-07-04 In *Biblical Theology* Ben Witherington III examines the theology of the Old and New Testaments as a totality Going beyond an account of carefully crafted Old and New Testament theologies he demonstrates the ideas that make the Bible a sacred book with a unified theology Witherington brings a distinctive methodology to this study Taking a constructive approach he first examines the foundations of the writers symbolic universe what they thought and presupposed about God and how they revealed those thoughts through the narratives of the Old and New Testaments He also shows how the historical contexts and intellectual worlds of the Old and New Testaments conditioned their narratives and in the process created a large coherent Biblical world view one that progressively reveals the character and action of God Thus the Yahweh of the Old Testament the Son in the Gospels and the Father Son and Spirit in the New Testament writings are viewed as persons who are part of the singular divine identity Witherington's progressive revelation approach allows each part of the canon to be read in its original context

and with its original meaning *Feminist Christian Encounters* Angela Pears, 2019-07-16 Originally published in 2004 Feminist discourses have focused sustained and sometimes devastating critical attention on Christianity over the last fifty years Today feminisms remain significant but often ambiguous forces in contemporary Christian theology At a time in which questions about the success and viability of feminisms are increasingly posed *Feminist Christian Encounters* makes a unique contribution to the ongoing investigation into the creative relationship between feminisms and Christianity Angela Pears identifies some of the key theological and methodological mechanisms by which Christian feminist theologies are informed sustained and made possible by feminist values and critiques Pears argues that certain strategies characterize the facilitation of this dialogue in contemporary Christian feminist theologies enabling theologians to accept the values and critiques of feminisms whilst at the same time proclaim some level of commitment to Christianity Engaging in a process of deconstruction of the methodologies of key Christian theological thinkers who have made use of feminisms in their theologies this book reveals the mechanisms of feminist Christian encounter at work *Imagining Theology* Garrett Green, 2020-03-17 The imagination is where the Creator chooses to meet his creatures says renowned theologian Garrett Green The Word of God and the work of the Holy Spirit set the imagination free for genuine and creative knowledge of God the world others and the self Green explains that theology is best understood as human imagination faithfully conformed to the Bible as the paradigmatic key to the Christian gospel He unpacks the implications of the imagination for a variety of theological issues such as interpretation aesthetics eschatology and the relationship between church and culture *The Christological Witness Function of the Old Testament Characters in the Gospel of John* Sanghee M Ahn, 2014-06-01 This book investigates the narrative function of the Old Testament characters in the Gospel of John The fascinating thesis is that the Hebrew characters in John's narrative uniformly function as a witness for the messianic identity of Jesus The Jewish scriptural traditions Hebrew and intertestamental ones are compared to shed light on John's indebtedness for its formation of his Christology A compelling argument ensues which informs our understanding not only of the Gospel itself but also of Jesus Christ revealed in the Gospel COMMENDATION Dr Ahn's thorough and careful study represents a solid contribution from which many will benefit All serious interpreters of the Johannine witness will want to refer to this work Mark A Seifrid Southern Baptist Theological Seminary USA **God's Design, 4th Edition** Elmer Martens, 2015-11-11 How does one summarize the thirty nine books of the Old Testament How might one determine the message of the Old Testament with others This book attempts an answer to these questions The answer is taken from a single Scripture passage Exodus 5:22-6:8 which is here considered a theological Table of Contents for the Old Testament In addition to such topics as Deliverance Community and Experiencing God the book has an extended discussion on Land a subject which deals with a wide range of interests but which only rarely receives attention in books on biblical theology The current edition features reflections and a set of discussion questions following each of the seventeen chapters a boon for university and seminary teachers and students and of large help for

Murphy, 2012-08-01 2013 Biblical Archaeology Society BAS Award for Best Book Relating to the New Testament Frank Moore Cross Award American Schools of Oriental Research 2013 Apocalypticism is not a peripheral topic in biblical studies It represents the central characteristic transformation of Hebrew thought in the period of the Second Temple It therefore constituted the worldview of Jesus Paul and the earliest Christians and it is the context in which the New Testament books were written In this volume Frederick Murphy defines apocalypticism while discussing its origins where it comes into play in the Hebrew Bible and how it relates to Jesus and the New Testament The Task of Old Testament Theology Rolf P. Knierim, 1995 This prodigious work offers a broad selection of essays that present Knierim's distinct method for the discipline of Old Testament studies One subject deals with the implications of his method for New Testament studies Mission Carlos F. Cardoza-Orlandi, 2002-06-01 Mission has become for many North American Christians an ambiguous and often uncomfortable term To many it brings to mind a past in which western culture was identified with the gospel in missionary practice and programs Distressed with this history and uncertain about how to overcome it many prefer to ignore the New Testament mandate that the church must be in mission if it is to be the church Others swing the other way declaring that everything the church does is mission depriving the idea of mission of its power to define those specific actions of God which proclaim the gospel and build God's kingdom The church exists by missions just as fire exists by burning With these words of Emil Brunner the author reminds us that to be the church is to be in mission After describing the various captivities of mission which plague North American Christianity the author argues for a robust and engaged practice of mission beginning in congregations and extending to the broader community *Storytelling the Bible at the Creation Museum, Ark Encounter, and Museum of the Bible* Paul Thomas, 2020-04-16 Paul Thomas chronicles a multi level reception study of the Bible at both the Creation Museum and the Ark Encounter in Kentucky USA Thomas explores the commercial presentation of biblical narratives and the reception of those narratives by the patrons of each attraction focusing upon three topics what do young Creationists believe how they interpret their beliefs from the Bible and what is the user experience at the museums The volume begins by explaining how Answers in Genesis AiG use Bible passages to support young Earth creationist arguments allowing for the chance to consider the Bible via physical means Thomas then examines how the Creation Museum and the Ark Encounter visitors receive the Bible as presented by AiG and how this presentation informs visitors understanding of the text exploring concepts such as the most prominent displays of the two attractions the larger context of museums and theme parks and the case studies of the Methuselah display and The Noah Interview He concludes with the summary of the user experience generated by the attractions analyzing the degree to which patrons accept negotiate or resist the interpretation of the Bible offered by AiG
