Sometimes you have written as if I was to understandingly believe I should be sorry if I thought I had ever called upon you to believe in any other way than understandingly anything within the range of your understanding. Let us look to this. Both you and I clearly apprehend many truths which we might be said to understand but which we certainly do not comprehend. God is a spirit something of that proposition you can believe understandingly more of it you can apprehend as reasonable probable or even true while much remains of which you have no comprehension. We understand much in the conduct of certain persons when we do not comprehend the motives which govern their conduct. You can understand that God wishes you to do this and that you can understandingly believe that in obeying Him you will be blessed if you stop short.
