## **Encyclopaedia Of Education In South Asia In 9 Vols:**

Encyclopaedia of Education in South Asia Ramesh Chandra, 2003-08 The literacy is the most potent factor so far as the social characteristic having deep bearing on the development of overall personalities of an individual is concerned The competence with knowledge not only makes us feel as responsible citizens it also **Education in South Asia and the Indian Ocean Islands** Hema Letchamanan, Debotri Dhar, 2017-12-14 Education in South Asia and the Indian Ocean Islands is a critical reference guide to development of education in Bangladesh Bhutan India Nepal Sri Lanka Comoros Islands Maldives Mauritius Seychelles and Zanzibar The chapters provide an overview of the education system in each country focusing particularly on contemporary education policies and some of the problems countries in this region face during the processes of development Key themes include the practice of implementation of educational policy and the impact of global and local educational decisions on societies Due to the demographic scale and the cultural diversity of India the volume contains a particularly extensive coverage of the distinctive educational issues in this country Including a comparative introduction to the issues facing education in the region as a whole this book is an essential reference for researchers scholars international agencies and policy makers Encyclopedia of Christianity in the Global South Mark A.

Lamport, 2018-06-01 Christianity has transformed many times in its 2 000 year history from its roots in the Middle East to its presence around the world today From the mid twentieth century onward the presence of Christianity has increased dramatically in Asia Africa and Latin America and the majority of the world s Christians are now nonwhite and non Western The Encyclopedia of Christianity in the Global South traces both the historical evolution and contemporary themes in Christianity in more than 150 countries and regions The volumes include maps images and a detailed timeline of key events The phrases Global Christianity and World Christianity are inadequate to convey the complexity of the countries and regions involved this encyclopedia with its more than 500 entries aims to offer rich perspectives on the varieties of Christianity where it is growing how the spread of Christianity shapes the faith in various regions and how the faith is changing worldwide **The Politics of Religion in South and Southeast Asia** Ishtiaq Ahmed, 2011-05-04 The notion of a politics of religion refers to the increasing role that religion plays in the politics of the contemporary world This book presents comparative country case studies on the politics of religion in South and South Asia including India Pakistan and Indonesia The politics of religion calls into question the relevance of modernist notions of secularism and democracy with the emphasis instead on going back to indigenous roots in search of authentic ideologies and models of state and nation building Within the context of the individual countries chapters focus on the consequences that politics of religion has on inclusive nation building democracy and the rights of individuals minorities and women The book makes a contribution to both the theoretical and conceptual literature on the politics of religion as well as shed light on the implications and ramifications of the politics of religion on contemporary South Asian and South East Asian countries It is of interest to students and scholars of South

and South East Asian Studies as well as Comparative Politics

**The SAGE Encyclopedia of Higher Education** Miriam E. David, Marilyn J. Amey, 2020-05-21 Higher Education is in a state of ferment People are seriously discussing whether the medieval ideal of the university as being excellent in all areas makes sense today given the number of universities that we have in the world Student fees are changing the orientation of students to the system The high rate of non repayment of fees in the UK is provoking difficult questions about whether the current system of funding makes sense There are disputes about the ratio of research to teaching and further discussions about the international delivery of courses

**Encyclopedia of Christian Education** George Thomas Kurian, Mark A. Lamport, 2015-05-07 Christianity regards teaching as one of the most foundational and critically sustaining ministries of the Church As a result Christian education remains one of the largest and oldest continuously functioning educational systems in the world comprising both formal day schools and higher education institutions as well as informal church study groups and parachurch ministries in more than 140 countries In The Encyclopedia of Christian Education contributors explore the many facets of Christian education in terms of its impact on curriculum literacy teacher training outcomes and professional standards This encyclopedia is the first reference work devoted exclusively to chronicling the unique history of Christian education across the globe illustrating how Christian educators pioneered such educational institutions and reforms as universal literacy home schooling Sunday schools women s education graded schools compulsory education of the deaf and blind and kindergarten With an editorial advisory board of more than 30 distinguished scholars and five consulting editors The Encyclopedia of Christian Education contains more than 1 200 entries by 400 contributors from 75 countries These volumes covers a vast range of topics from Christian education History spanning from the church s founding through the Middle Ages to the modern day Denominational and institutional profiles Intellectual traditions in Christian education Biblical and theological frameworks curricula missions adolescent and higher education theological training and Christian pedagogy Biographies of distinguished Christian educators This work is ideal for scholars of both the history of Christianity and education as well as researchers and students of contemporary Christianity and modern religious education
