End Time Rewind: An Exploration In Bible Prophecy And The Fate Of The World Steven Sabatino, Remember when End Time Rewind warned you not to fall for the Domsday Rapture theories of Dispensational Premillennialism and their Zionist partners Well now that we ve survived John Hagee s Four Blood Moons Jonathan Cahn s Super Shemitah and the menacing tentacles of the now defunct European Union and Islamic State the supposed Beast Kingdoms of Revelation 17 the Futurist s next false claim centers around the 70 year anniversary of Israel s founding Is the Jewish State really the prophetic clock by which God aligns world events and the return of Christ Many Domsday Rapture forecasts have been put forth in the name of Futurism since the 2nd century AD none of which have come to fruition This is disconcerting because failed predictions and false expectations promoted by our Christian counterparts diminishes the credibility of the Bible and scars the reputation and integrity of the Prophetic Office of Jesus Christ The age old tried and true Orthodox aka Partial or Classical Preterist approach maintains that the majority of Bible prophecies were already fulfilled by the end of the first century AD and included Jesus appearing in an Old Testament styled non physical manifestation with power and great glory All that remains to be accomplished in the future is for Jesus Christ to physically return to raise the dead which is when the rapture also occurs preside over the final judgment and create a new heaven and earth devoid of sin and death where the new and holy Jerusalem from heaven descends as per Revelation 20 7 Revelation 22 5

Dismantling Doctrines of Demons: Disclosing the Darkness (Volume One) Rick M. Smith, Selected for the Christlit Book Award 2025 A mysterious prophecy was given to a prisoner awaiting certain execution in a dark dungeon beneath the streets of ancient Rome in A D 62 showing convincing evidence of being fulfilled in our contemporary American culture society This prophecy reveals its divine source and the season of human history in which it will come to pass It will involve a shocking separation of cultural and religious beliefs practices Supernatural surrogates will promote their diabolical standard so that nations governments economies and world leaders will ultimately bow in allegiance to their tenets The system that drives this elaborate network has a defined set of strategies schemes employed to assure it does not fail to implement its sinister plan of dominance deception deviation division and death Despite its best efforts failure will be its ultimate fate Confronting a force more powerful than itself accompanied by an army too massive to calculate wielding an arsenal of weapons too destructive to intercept it will fall in every attempt to prevail Pastor author speaker Rick

Smith unravels the divine mystery of the Apostle Paul's insightful revelation from the Biblical text in I Timothy 4:1. But the Spirit explicitly says that in the later times some will fall away from the faith paying attention to deceitful spirits and doctrines of demons. Having been a student of Scripture for more than 50 years, Rick applies Biblical interpretation application to help you see the covert progress these demonic operatives are making to position our world for the most diabolical season of human history soon to be revealed. Stolen Churches or Bridges to Orthodoxy? Vladimir

Latinovic, Anastacia K. Wooden, 2021-01-15 Throughout their shared history, Orthodox and Eastern Catholic Churches have lived through a very complex and sometimes tense relationship, not only theologically but also politically. In most cases, such relationships remain to this day; indeed, in some cases, the tension has increased. In July 2019, scholars of both traditions gathered in Stuttgart, Germany, for an unprecedented conference devoted to exploring and overcoming the division between these churches. This book, the second in a two-volume set of the essays presented at the conference, explores the ecumenical and practical implications of the relationship between Orthodox and Eastern Catholic Churches. Like the conference, the volume brings together representatives of these Churches as well as theologians from different geographical contexts where tensions are the greatest. The published essays represent the great achievements of the conference: willingness to engage in dialogue, general openness to new ideas and opportunities to address difficult questions and heal inherited wounds. *The*

Way of Wisdom Zondervan, 2011-05-24 Wisdom is supreme; therefore, get wisdom. Though it cost all you have, get understanding. Proverbs 4:7 NIV. When a man's life embodies the pursuit of wisdom, it bears among its fruits the deep love and respect of his family, friends, and colleagues. Bruce K. Waltke is such a man. Wisdom has defined Dr. Waltke both as one of his personal qualities and as the core of his many years of biblical study, invoking the highest efforts of his formidable intellect and etching itself indelibly on his character. In tribute to Dr. Waltke, we present this collection of writings exploring the wisdom perspective of the Bible. *The Way of Wisdom* displays a level of scholarship and insight in keeping with Bruce Waltke's high academic standards and a breadth of outlook reflective of his own broad grasp of God's Word and its application to all of life. May you, the reader, benefit. **Introduction to Biblical Hermeneutics** Walter C. Kaiser, Jr., Moisés

Silva, 2009-08-19 Since its publication in 1994, *An Introduction to Biblical Hermeneutics* has become a standard text for a generation of students, pastors, and serious lay readers. This second edition has been substantially updated and expanded, allowing the authors to fine-tune and enrich their discussions on fundamental interpretive topics. In addition, four new chapters have been included that address more recent controversial issues: The role of biblical theology in interpretation; How to deal with contemporary questions not directly addressed in the Bible; The New Testament's use of the Old Testament; The role of history in interpretation. The book retains the unique aspect of being written by two scholars who hold differing viewpoints on many issues, making for vibrant thought-provoking dialogue. What they do agree on, however, is the authority of Scripture, the relevance of personal Bible study to life, and why these things matter. *Warrior from Heaven* Kermit
