Encyclopedia Of Japan Japanese History And Culture From Abacus To Zori:

Encyclopedia of Japan Dorothy Perkins, 1991 Less comprehensive and more popularly written than the nine volume Kodansha Encyclopedia of Japan LJ 1 84 this single volume work is nevertheless a valuable reference source It is extremely current including entries on such recent topics as the Recruit political scandal and current prime minister Kaifu Toshiki While the articles in the Kodansha Encyclopedia are written by experts in the field and provide bibliographic references with nearly all of the entries the present work is authored entirely by Perkins whom the publisher identifies as an educator specializing in Buddhism and Japanese culture and has only a general bibliography at the end For its more comprehensive treatment especially of historical topics and traditional culture the Kodansha remains a standard source but for its currency and value as a ready reference tool the Perkins volume will be a useful acquisition for most libraries as well Its single volume format and lower cost make it an excellent acquisition for smaller libraries Scott Wright Univ of St Thomas St Paul Minn Library Journal

The Encyclopedia of Nineteenth-century Land Warfare Byron Farwell, 2001 This definitive one volume reference tells of the armies arms and actions of the century that defined modern warfare It s comprehensive coverage includes weapons development battles campaigns military leaders medicine and wartime journalism Contains nearly 1 000 illustrations reproduced from period sources Maps

Area Bibliography of Japan Ria Koopmans-de Bruijn, 1998 Provides a general overview of literature relating to Japan and covers a broad range of subject matter from art feminism and linguistics to corporate culture history and medicine Includes books published since 1980 that are related to the geographical area of Japan and to Japanese culture within that area

Reference Sources in History Ronald H. Fritze, Brian E. Coutts, Louis A. Vyhnanek, 2004-03-09 Fully annotated and completely updated the most comprehensive guide to reference books in the field of history Reference Sources in History catalogs atlases encyclopedias dictionaries handbooks sourcebooks bibliographies and chronologies and makes sense of it all Its broad scope and systematic organization make it an accessible reliable resource for experienced and inexperienced researchers alike Fully annotated and updated the new edition summarizes hundreds of reference works on every conceivable subject in history from ancient to modern from Afghanistan to Zimbabwe This edition also reflects the dramatic impact of the digital revolution on historical research by integrating a wide range of Internet and CD ROM sources Reference Sources in History is a time saving alternative to searching the reference stacks or getting lost in an online thicket of dubious historical websites

Ethnomusicology Jennifer Post, 2004-03-01 Ethnomusicology A Research and Information Guide is an annotated bibliography of books recordings videos and websites in the field of ethnomusicology The book is divided into two parts Part One is organised by resource type in categories of greatest concern to students and scholars This includes handbooks and guides encyclopedias and dictionaries indexes and bibliographies journals media sources and archives It also offers annotated entries on the basic literature of ethnomusicological history and research Part Two provides a list of current publications in the field that are

widely used by ethnomusicologists Multiply indexed this book serves as an excellent tool for librarians researchers and scholars in sorting through the massive amount of new material that has appeared in the field over the past decades

Information Sources of Political Science Stephen W. Green, Douglas J. Ernest, 2005-07-15 A thoroughly revised and updated new edition of the world's leading comprehensive bibliography of American and international politics The eagerly anticipated new edition of the widely acclaimed *Information Sources of Political Science* is the most comprehensive English language political bibliography available offering the surest way for students and researchers to get straight to the information they need Like no other volume it provides a fully rounded view of the field both in the United States and internationally including relevant works in history economics sociology and education Its 2 500 entries cover a wide variety of source types indexing and abstracting services major bibliographical tools encyclopedias dictionaries handbooks directories statistical compilations and more In addition this edition is the first to feature substantial coverage of electronic resources both databases and Internet sites Each source receives its own annotation with entries grouped in categories to bring together like works for easy comparison This work is a cornerstone reference for academic and public libraries

Terasaki Hidenari, Pearl Harbor, and Occupied Japan Roger B. Jeans, 2009-01-01 This book sheds light on Japanese intelligence and propaganda activities in the United States prior to Pearl Harbor Japanese attempts to use American isolationists and pacifists in 1941 and Japanese and American efforts to save Emperor Hirohito from being tried as a war criminal during the U S occupation of Japan It utilizes the American cracking of the Japanese diplomatic code FBI surveillance and wiretapping records and the personal papers of Americans with whom Terasaki Hidenari had contact to conclude that he wanted peace between the United States and Japan in 1941 and worked to preserve the imperial institution following the war

Literature Connections to World History 712 Lynda G. Adamson, 1998-06-15 Identifying thousands of historical fiction novels biographies history trade books CD ROMs and videotapes these books help you locate resources on world history for students Each is divided into two sections In the first part titles are listed according to grade levels within specific geographic areas and time periods They are further organized by product type Both books cover world history from Prehistory and the Ancient World to 54 B C to the modern era Other chapters include Roman Empire to A D 476 Europe and the British Isles Africa and South Africa Australia New Zealand Pacific Islands and Antarctica Canada China India Tibet and Burma Israel and Arab Countries Japan Vietnam Korea Cambodia and Thailand and South and Central America and the Caribbean The second section has an annotated bibliography that describes each title and includes publication information and awards The focus is on books published since 1990 and all have received at l

A Traveller's History of Japan Richard James, 1997 The Traveller's History series is designed for travellers who want more historical background on the country they are visiting than can be found in a tour guide Each volume offers a complete and authoritative history of the country from the earliest times up to the present day A Gazetteer cross referenced to the main text pinpoints the historical

importance of sights and towns Illustrated with maps and line drawings this literate and lively series makes ideal before you go reading and is just as handy tucked into suitcase or backpack

Cinema and Painting Angela Dalle Vacche,1996 The visual image is the common denominator of cinema and painting and indeed many filmmakers have used the imagery of paintings to shape or enrich the meaning of their films In this discerning new approach to cinema studies Angela Dalle Vacche discusses how the use of pictorial sources in film enables eight filmmakers to comment on the interplay between the arts on the dialectic of word and image on the relationship between artistic creativity and sexual difference and on the tension between tradition and modernity Specifically Dalle Vacche explores Jean Luc Godard s iconophobia Pierrot Le Fou and Andrei Tarkovsky s iconophilia Andrei Rubleov Kenji Mizoguchi s split allegiances between East and West Five Women around Utamaro Michelangelo Antonioni s melodramatic sensibility Red Desert Eric Rohmer s project to convey interiority through images The Marquise of O F W Murnau s debt to Romantic landscape painting Nosferatu Vincente Minnelli s affinities with American Abstract Expressionism An American in Paris and Alain Cavalier s use of still life and the close up to explore the realms of mysticism and femininity Th r se While addressing issues of influence and intentionality Dalle Vacche concludes that intertextuality is central to an appreciation of the dialogical nature of the filmic medium which in appropriating or rejecting art history defines itself in relation to national traditions and broadly shared visual cultures
