Encyclopedia of Modern Ethnic Conflicts [2 volumes] Joseph R. Rudolph

Jr.,2015-12-07 This reference helps students understand the major ethnic conflicts that dominate the headlines and shape the modern world **Pathways from Ethnic Conflict** John Coakley,2013-09-13 The book begins with an agenda setting introduction which will provide an overview of the central question being addressed such as the circumstances associated with the move towards a political settlement the parameters of this settlement and the factors that have assisted in bringing it about The remaining contributions will focus on a range of cases selected for their diversity and their capacity to highlight the full gamut of political approaches to conflict resolution The cases vary in the intensity of the conflict from Belgium where it is potential rather than actual to Sri Lanka where it has come to a recent violent conclusion in the geopolitical relationship between the competing groups from Cyprus where they are sharply segregated geographically to Northern Ireland where they are intermingled in the extent to which a stable constitutional accommodation has been reached ranging from the Basque Country with a large range of unresolved problems to South Africa which has achieved a significant level of institutional stability This book ranges over the world s major geopolitical zones including Asia the Middle East Africa and Europe and will be of interest to practitioners in the field of international security This book was published as a special issue of Nationalism and Ethnic Politics **Tulsa, 1921** Randy Krehbiel,2019-09-19 In 1921 Tulsa s Greenwood District known then as the nation s Black Wall Street was one of the most prosperous African American communities in the United States But on May 31 of that year a white mob inflamed by rumors that a young Black man had attempted to rape a white teenage girl invaded Greenwood By the end of the following day thousands of homes and businesses lay in ashes and perhaps as many as three hundred people were dead Tulsa 1921 shines new light into the shadows that have long been cast over this extraordinary instance of racial violence With the clarity and descriptive power of a veteran journalist author Randy Krehbiel digs deep into the events and their aftermath and investigates decades old questions about the local culture at the root of what one writer has called a white led pogrom Krehbiel analyzes local newspaper accounts in an unprecedented effort to gain insight into the minds of contemporary Tulsans In the process he considers how the Tulsa World the Tulsa Tribune and other publications contributed to the circumstances that led to the disaster and helped solidify enduring white justifications for it Some historians have dismissed local newspapers as too biased to be of value for an honest account but by contextualizing their reports Krehbiel renders Tulsa s papers an invaluable resource highlighting the influence of news media on our actions in the present and our memories of the past The Tulsa Massacre was a result of racial animosity and mistrust within a culture of political and economic corruption In its wake Black Tulsans were denied redress and even the right to rebuild on their own property yet they ultimately prevailed and even prospered despite systemic racism and the rise during the 1920s of the second Ku Klux Klan As Krehbiel considers the context and consequences of the violence and devastation he asks Has the city indeed the nation exorcised the prejudices that led to this tragedy **A Handbook of Terrorism and Insurgency in Southeast Asia** Andrew T. H. Tan,2009-01-01 This is an important and worthwhile book that should be read

by anyone seeking to understand the history and evolution of political violence in Southeast Asia including the origins of contemporary militant Islamist terrorism Paul J Smith Contemporary Southeast Asia This very fine collection shows how and why Southeast Asia has been afflicted with terrorism from the end of World War II to the present time No other volume tells us as much about the period and area Anyone interested in the general theory and practice of terrorism and insurgency will find it indispensable David C Rapoport University of California Los Angeles US and Editor of Journal of Terrorism and Political Violence This stimulating collection of essays underlines how Southeast Asia has again as at the height of the Cold War been pushed towards the top of the list of world conflict zones by the collision between long standing regional problems and more recent external frictions Anyone needing to learn more about the relationship between the war on terror and Southeast Asia particularly regarding terrorism in Thailand Indonesia and the Philippines will need to consult this work Brian P Farrell National University of Singapore and author of The Defence and Fall of Singapore 1940 1942 This book is an excellent addition to the literature on political violence in Southeast Asia providing a wealth of detail on terrorism guerilla insurgency and the use of terror and repression by governments The book is especially valuable for the broad coverage of many different groups not just Islamic ones inclusion of the activities of governments and a variety of opinions and views on terrorism and political violence This book should be one of the essential resources for academics policymakers or anyone else interested in terrorism insurgency and political violence in the region It is an extremely valuable tool for one and all James M Lutz Indiana University Purdue University US and co author of Global Terrorism with Brenda Lutz This is an excellent volume which is very well conceived and balanced in its treatment of the problem of terrorism and insurgency in Southeast Asia This volume will greatly advance our empirical understanding of conflict and violence in this pivotal region The book contains many insightful contributions and overall the Handbook will serve as a standard reference on the subject matter for years to come M L R Smith King s College University of London UK This timely and significant book seeks to explain the deep seated complexities of terrorism and insurgency in Southeast Asia In the aftermath of 9 11 this region has been designated by the United States to be the second front in the war on terrorism Yet despite the emergence of this new global terrorism the authors argue that armed rebellion in Southeast Asia is a phenomenon that predates Al Qaeda and the global Jihadist movement and that much can be learned from the motivations behind it Written by a group of leading Western and emerging Southeast Asian scholars this extensive volume demonstrates the difficulty and diversity of rebellion in Southeast Asia and explores its intricate historical political social and economic roots The book will serve as an excellent reference and educational text providing an empirical and regional guide to the complex problem of insurgency in Southeast Asia It will also contribute to a more educated understanding that could provide the basis for appropriate counter terrorism strategies in this important part of the world Comprehensive and engaging this volume will find widespread appeal amongst researchers students and policymakers interested in terrorism international relations and Asian studies and will also be an invaluable tool

for studies into political violence and security Imagining Kurdistan Özlem Belçim Galip,2015-04-24 From the First Gulf War to the present upheaval in Syria the Kurdish question has been a crucial issue within the Middle East region and in international politics Spread across several countries the Kurds constitute the largest stateless nation in the world In this context a striking question arises how are Kurdish identity and the idea of the homeland both as a symbol and as territorial space constructed in writings from Turkish Kurdistan and its diaspora Through a comparative analysis of Kurdish writing Ozlem Galip here provides the first comprehensive look at modern Kurdish literature Drawing on theories of space and collective memory and exploring the use of the historical past and personal memories in the literature of stateless nations this book analyses the construction of the imaginary homeland and the concept of Kurdish identity *Methodological Advances in Research on Social Movements, Conflict, and Change* Thomas V. Maher,Eric W. Schoon,2023-07-12 Now that we are almost a quarter of the way into the 21st century the field of sociology is in need of research like this which explores methods for studying contentious politics in the context of broader social changes to peacebuilding armed conflicts and social movements **Myanmar's Long Road to National Reconciliation** Trevor Wilson,2006 In late 2004 Myanmar's best known general and long serving leader of the military regime was suddenly dismissed This generated widespread uncertainty throughout the country and raised questions about the future This book addresses some of the issues **Cryptopolitics** Victoria Bernal,Katrien Pype,Daivi Rodima-Taylor,2023-07-14 Hidden information double meanings double crossing and the constant processes of encoding and decoding messages have always been important techniques in negotiating social and political power dynamics Yet these tools cryptopolitics are transformed when used within digital media Focusing on African societies Cryptopolitics brings together empirically grounded studies of digital media to consider public culture sociality and power in all its forms illustrating the analytical potential of cryptopolitics to elucidate intimate relationships political protest and economic strategies in the digital age **Women in Southeast Asian Nationalist Movements** Susan Blackburn,Helen Ting,2013-07-31 Books on Southeast Asian nationalist movements make very little if any mention of women in their ranks Biographical studies of politically active women in Southeast Asia are also rare Women in Southeast Asian Nationalist Movements makes a strong case for the significance of women's involvement in nationalist movements and for the diverse impact of those movements on the lives of individual women activists Some of the 12 women whose political activities are discussed in this volume are well known while others are not Some of them participated in armed struggles while others pursued peaceful ways of achieving national independence The authors show women negotiating their own subjectivity and agency at the confluence of colonialism patriarchal traditions and modern ideals of national and personal emancipation They also illustrate the constraints imposed on them by wider social and political structures and show what it was like to live as a political activist in different times and places Fully documented and drawing on wider scholarship this book will be of interest to students of Southeast Asian history and politics as well as readers with a particular interest in

women nationalism and political activism *Politics and Ethnicity* J. Rudolph, 2006-08-05 This book offers a brief broad comparative study of ethnic politics that places ethnic conflict within the context of particular political systems To develop these themes they are explored by comparing and contrasting the experiences of France Czechoslovakia and its subsequent division and Nigeria **Lit-Rock** Ryan Hibbett, 2022-08-11 Just as soon as it had got rolling rock music had a problem it wanted to be art A mere four years separate the Beatles as mere kiddie culture from the artful geniuses of Sergeant Pepper's meaning the very same band who represents the mass consumed mindless music of adolescents simultaneously enjoys status as among the best that Western culture has to offer The story of rock music it turns out is less that of a contagious popular form situated in opposition to high art but rather a story of high and low in dialogue messy and contentious to be sure but also mutually obligated to account for if not appropriate one another The chapters in this book track the uses of literature specifically within this relation helping to showcase collectively its fundamental role in the emergence of the pop omnivore

Hot Spot: North America and Europe Joseph R. Rudolph Jr., 2008-06-30 Even in the relatively serene world of North America and Western Europe numerous conflicts with the propensity for sustained political violence are carried out by domestic groups with alarming regularity This in depth volume explores conflicts and potential hot spot areas in these regions from anti globalization protests to immigration politics to the Basque provinces and the ETA Coverage is divided into three regions the established democracies of the U S Canada and Western Europe the democratizing countries of post communist Europe and the more volatile region encompassing Russia the Balkans the Caucasus and Post Soviet Eastern Europe for a greater understanding of geographic interrelationships This comprehensive volume is a first stop reference source for the most significant political cultural and economic conflicts in North America and Europe today **Continuity and Change in Political Culture** Yael S. Aronoff, Ilan Peleg, Saliba Sarsar, 2020-11-18 Ten leading scholars and practitioners of politics political science anthropology Israel studies and Middle East affairs address the theme of continuity and change in political culture as a tribute to Professor Myron Mike J Aronoff whose work on political culture has built conceptual and methodological bridges between political science and anthropology Topics include the legitimacy of the two state solution identity and memory denationalization the role of trust in peace negotiations democracy majority minority relations inclusion and exclusion Biblical and national narratives art in public space and avant garde theater Countries covered include Israel Palestine the United States the Basque Autonomous Region of Spain and Poland The first four chapters by Yael S Aronoff Saliba Sarsar Yossi Beilin and Nadav Shelef examine aspects of the conflict and peace negotiations between Israel and the Palestinians including alternative solutions The contributions by Naomi Chazan Ilan Peleg and Joel Migdal tackle challenges to democracy in Israel in other divided societies and in the creation of the American public Yael Zerubavel Roland Vazquez and Jan Kubik focus their analyses on aspects of national memory memorialization and dramatization Mike Aronoff relates his work on various aspects of political culture to each chapter in an integrative essay in the Epilogue *Overcoming Evil* Ervin

Staub,2013-08 Overcoming Evil describes the origins of genocide violent conflict and terrorism principles and practices of prevention and avenues to reconciliation It considers societal conditions culture and insitutions and the psychology of individuals and groups **Politics, Culture, and Sociability in the Basque Nationalist Party** Roland

Vazquez,2010-11-28 Until now social scientists studying Spanish politics have focused on party systems regime transition and election analysis and anthropologists studying Spain have largely neglected its political parties This book is a pathbreaking work of political anthropology and an ethnographic study of the Basque Nationalist Party PNV Author Roland Vazquez studies Basque nationalism as not merely a political phenomenon but as a cultural and social one as well He examines the forces that have shaped the Basque political panorama the nature of Basque political campaigns Basque cultural and social movements both inside and outside the explicitly partisan milieu and the role of other parties in the Basque Country The study is enhanced by extensive interviews and broad fieldwork among Basque contacts of diverse backgrounds and loyalties The result is a vivid portrait of political life in the contemporary Basque Country of the tensions between various nationalist parties and philosophies and of the way politics are influenced by Basque notions of community social connections and national identity The book also serves as a model for studies of other political and nationalist movements and the cultural and social ties and values that drive them
