Serving Library Users from Asia John Hickok, 2019-06-12 Asian populations are among some of the fastest growing cultural groups in the US While books on serving other target groups in libraries have been published e g disabled Latino seniors etc few books on serving library users of Asian heritage have been written Thus the timely need for this book Rather than a generalized overview of Asians as a whole this book has 24 separate chapters each on 24 specific Asian countries cultures of East Southeast and South Asia with a wealth of resources for understanding interacting with outreaching to and serving library users of each culture Resources include cultural guides both print and online language helps with sample library vocabulary Asian booksellers nationwide cultural groups professional literature and more Resources and suggestions are given for all three types of libraries public school and academic making this book valuable for all librarians The demographics of each Asian culture numbers and distribution plus history of immigration and international student enrollment is also featured As a bonus each chapter spotlights a US public school and academic library providing model outreach to Asian library users Additionally this book provides a detailed description and analysis of libraries in each of the 24 Asian countries The history development facilities conditions technology classification systems and more of public school and academic libraries are all discussed with detailed documentation Country conditions influencing libraries and library use are also described literacy levels reading cultures languages and writing systems educational systems and more Based on the author's 15 years of research and travels to Asia this work is a must have for all librarians

East Central Europe in Exile Volume 1 Anna Mazurkiewicz, 2014-10-16 The East Central Europe in Exile series consists of two volumes which contain chapters written by both esteemed and renowned scholars as well as young aspiring researchers whose work brings a fresh innovative approach to the study of migration Altogether there are thirty eight chapters in both volumes focusing on the East Central European migr experience in the nineteenth and twentieth centuries The first volume Transatlantic Migrations focuses on the reasons for emigration from the lands of East Central Europe from the Baltic to the Adriatic the intercontinental journey as well as on the initial adaptation and assimilation processes The second volume is slightly different in scope for it focuses on the aspect of negotiating new identities acquired in the adopted homeland The authors contributing to Transatlantic Identities focus on the preservation of the East Central European identity maintenance of contacts with the old country and activities pursued

on behalf of and for the sake of the abandoned homeland Combined both volumes describe the transnational processes affecting East Central European migrants

The Reference Librarian's Bible Steven W. Sowards, Juneal Chenoweth, 2018-07-26 Divided into dedicated categories about the subjects most meaningful to librarians this valuable resource reviews 500 texts across all major fields Drawing on their collective experience in reference services and sifting through nearly 30 000 reviews in ARBAonline editors Steven Sowards associate director for collection at Michigan State University Libraries and Juneal Chenoweth editor of American Reference Books Annual curated this collection of titles most of which have been published since 2000 to serve collections and reference librarians in academic and public libraries From the Encyclopedia of Philosophy and the Social Sciences and Encyclopedia of the Civil War to the Encyclopedia of Physics Encyclopedia of Insects and Taylor s Encyclopedia of Garden Plants to the formidable Oxford English Dictionary The Reference Librarian s Bible encompasses every subject imaginable and will be your first stop for choosing and evaluating your library s collections as well as for answering patrons questions

The Cambridge Companion to American Catholicism Margaret M. McGuinness, Thomas F. Rzesnik, 2021-06-17 This Companion provides a comprehensive overview of American Catholicism s historical development and distinctive features The essays all specially commissioned for this volume highlight the inner diversity of American Catholicism and trace the impact of American Catholics on all aspects of society including education social welfare politics and intellectual life The volume also addresses topics of contemporary concern such as gender and sexuality arts and culture social activism and the experiences of Black Latinx Asian American and cultural Catholics Taken together the essays in this Companion provide context for understanding American Catholicism as it is currently experienced and help to situate present day developments and debates within their longer trajectory

New Americans Geoffrey C. Harrison, Thomas F. Scott, 2013-07-01 America has been called a country of immigrants Yet the country has rarely welcomed them with open arms Newcomers have been encountering fear suspicion and misunderstanding for more than 200 years New Americans tells the story of immigration in the United States stopping at key moments along the way to examine the great debates that have altered the course of national policy and changed the face of a nation Young readers will discover that the push and pull over immigration policy today is astonishingly similar to the social and political questions that have sparked controversy since the 1700s New Americans engages young readers and provides them with the context and history needed to join the debate on these issues and ultimately issues the challenge to Find Your Voice Aligns with Common Core Language Arts Anchor Standards for Reading Informational Text and Speaking and Listening Text contains critical thinking components in regards to social issues and history

Sephardic Jews in America Aviva Ben-Ur, 2009-02-01 A significant number of Sephardic Jews tracing their remote origins to Spain and Portugal immigrated to the United States from Turkey Greece and the Balkans from 1880 through the 1920s joined by a smaller number of Mizrahi Jews arriving from Arab lands Most Sephardim settled in New York establishing the leading Judeo Spanish community

outside the Ottoman Empire With their distinct languages cultures and rituals Sephardim and Arab speaking Mizrahim were not readily recognized as Jews by their Ashkenazic coreligionists At the same time they forged alliances outside Jewish circles with Hispanics and Arabs with whom they shared significant cultural and linguistic ties The failure among Ashkenazic Jews to recognize Sephardim and Mizrahim as fellow Jews continues today More often than not these Jewish communities are simply absent from portrayals of American Jewry Drawing on primary sources such as the Ladino Judeo Spanish press archival documents and oral histories Sephardic Jews in America offers the first book length academic treatment of their history in the United States from 1654 to the present focusing on the age of mass immigration *The U.S.-Mexico Border* Michael C. LeMay, 2022-01-24 This book offers answers to essential questions about the border between the United States and Mexico and connected issues that are accessible to readers interested in immigration border security and U S Mexico relations Comprising seven chapters The U S Mexico Border A Reference Handbook surveys the complex topic for students and readers Chapter 1 discusses the political social and economic contexts in which the border came to exist Chapter 2 discusses problems controversies and proposed solutions Chapter 3 consists of original essays contributed by outside scholars complementing the perspective and expertise of the author Chapter 4 profiles major organizations and people who as stakeholders in border politics drive the agenda on the issue Chapter 5 presents data and documents on the topic giving readers the ability to analyze the facts Chapter 6 provides additional resources that the reader may wish to consult such as books journal articles and films Chapter 7 provides a detailed chronology of important events and the book closes with a useful glossary of key terms used throughout the book and a comprehensive subject index *Criminalization/Assimilation* Philippa Gates, 2019-03-08 Pt 1 Hollywood s Chinese America Introduction Yellow peril protest and an orientalist gaze Hollywood s constructions of Chinese Americans Pt 2 Chinatown crime Imperilled imperialism Tong wars slave girls and opium dens The whitening of Chinatown action cops and upstanding criminals Pt 3 Chinatown melodrama The perils of proximity white downfall in the Chinatown melodrama Tainted blood white fears of yellow miscegenation Pt 4 Chinese American assimilation Assimilation and tourism Chinese American citizens and Chinatown rebranded Assimilating heroism the Chinese American as American action hero Epilogue Everyday Law for Immigrants Victor C. Romero, 2015-12-03 Immigration is one of the most controversial topics of the decade Citizens and pundits from across the political spectrum argue for major and disparate changes to American immigration law Yet few know what American immigration law actually is and how it functions Everyday Law for Immigrants is an ideal guide for U S citizens who want a better understanding of our immigration laws as well as for migrants who make the United States their home Romero deftly and comprehensively explains the basic challenges immigrants and foreign nationals face not only within formal immigration policy but also within American domestic law generally including rules promulgated by federal state and local entities that affect noncitizens A concise and accessible primer for interested citizens noncitizens and their advocates this book provides a bird s eye view of U

S immigration history practice and procedure and constructively addresses the many legal issues in areas such as education housing and employment that affect foreigners who reside here It includes easy to understand examples and an extensive appendix of print and Internet resources for further help [A tale of two dialect regions: Sranan's 17th-century English input](#) André Sherriah,2019 This book traces the precise origin of the early English lexical and lexico phonetic influences in Sranan an English based creole spoken in Suriname Sranan contains fossilised linguistic remnants of an early English colonial period The book discusses whether Sranan s English influence s originated from a single dialect from the general London area as proposed by Norval Smith in 1987 or whether we are dealing with a composite of dialectal features from all over England The book introduces a novel replicable methodology for linguistic reconstructions which combines statistics in the form of binomial probability English dialect geography via use of Orton s et al 1962 1971 Survey of English Dialects which focuses on traditional regional English dialects across England and Wales and 17th century English migration history compiled from The Complete Book of Emigrants 1607 1660 The Bristol Registers of Servants Sent to Foreign Plantations 1654 1686 Virtual Jamestown Virginia Center for Digital History and Colonial State Papers secured from the British History Online databases among other relevant historical sources **Fight Sports and American Masculinity** Christopher David Thrasher,2015-07-02 Throughout America s past some men have feared the descent of their gender into effeminacy and turned their eyes to the ring in hopes of salvation This work explains how the dominant fight sports in the United States have changed over time in response to broad shifts in American culture and ideals of manhood and presents a narrative of American history as seen from the bars gyms stadiums and living rooms of the heartland Ordinary Americans were the agents who supported and participated in fight sports and determined its vision of masculinity This work counters the economic determinism prevalent in studies of American fight sports which overemphasize profit as the driving force in the popularization of these sports The author also disputes previous scholarship s domestic focus with an appreciation of how American fight sports are connected to the rest of the world **Still Struggling for Equality** Plummer A. Jones,2004-12-30 A companion volume to Immigrants and the American Experience 1999 this book covers American public library services to immigrants from 1876 to 2003 As such it provides an excellent text on public library services to diverse groups and multiculturalism in public libraries It presents a detailed exposition of immigration law accompanied by an analysis of laws affecting libraries These legislative activities are placed in the context of library practice and the library profession treating fully developments within ALA and the government agencies tasked with the funding and oversight of libraries **Germans in Illinois** Miranda E. Wilkerson,Heather Richmond,2019-06-24 This engaging history of one of the largest ethnic groups in Illinois explores the influence and experiences of German immigrants and their descendants from their arrival in the middle of the nineteenth century to their heritage identity today Coauthors Miranda E Wilkerson and Heather Richmond examine the primary reasons that Germans came to Illinois and describe how they adapted to life and distinguished themselves

through a variety of occupations and community roles The promise of cheap land and fertile soil in rural areas and emerging industries in cities attracted three major waves of German speaking immigrants to Illinois in search of freedom and economic opportunities Before long the state was dotted with German churches schools cultural institutions and place names German churches served not only as meeting places but also as a means of keeping language and culture alive Names of Illinois cities and towns of German origin include New Baden Darmstadt Bismarck and Hamburg In Chicago many streets parks and buildings bear German names including Altgeld Street Germania Place Humboldt Park and Goethe Elementary School Some of the most lively and ubiquitous organizations such as S ngerbunde or singer societies and the Turnverein or Turner Society also preserved a bit of the Fatherland Exploring the complex and ever evolving German American identity in the growing diversity of Illinois s linguistic and ethnic landscape this book contextualizes their experiences and corrects widely held assumptions about assimilation and cultural identity Federal census data photographs lively biographical sketches and newly created maps bring the complex story of German immigration to life The generously illustrated volume also features detailed notes suggestions for further reading and an annotated list of books journal articles and other sources of information

Deliberating War Patricia Roberts-Miller, 2024-06-27 This book argues that treating politics as war derails essential democratic processes including deliberation and policy argumentation in complicated ways Politics is war is not always just a figure of speech but often a sincere expression of how people see disagreement they mean it literally and they use it to evade the responsibilities of rhetoric This book takes the metaphor seriously Using a series of case studies ranging from the 432 BCE Debate at Sparta to Bill O Reilly s recent invention of a War on Christmas Deliberating War illustrates pathologies of deliberation that arise when a community understands itself to be at political war This book identifies recurrent rhetorical strategies that constrain or even effectively prohibit deliberation such as deflecting reframing threat inflation appealing to paired terms claiming moral license radicalizing a base In short what seems to be an effective solution to an immediate rhetorical problem using hyperbole and demagoguery to persuade people to adopt a specific leader or policy is a trap that prevents democratic practices of compromise deliberation fairness reciprocity Unhappily threat inflation even when well intentioned At some point hyperbolic rhetoric becomes threat inflation and then that inflated threat becomes the premise of policies both foreign and domestic And then agreeing as to the obvious existential threat posed by the Other and uniting behind the obvious policy solution is a necessary sign of being on the side of Good Once communities become persuaded that they are in an apocalyptic battle between Good and Evil politics as war can quickly become real war often with far reaching and catastrophic consequences

America Bewitched: The Story of Witchcraft After Salem Owen Davies, 2013-02-21 America Bewitched is the first major history of witchcraft in America from the Salem witch trials of 1692 to the present day The infamous Salem trials are etched into the consciousness of modern America the human toll a reminder of the dangers of intolerance and persecution The refrain Remember Salem was invoked frequently over the ensuing centuries As time passed

the trials became a milepost measuring the distance America had progressed from its colonial past its victims now the righteous and their persecutors the shamed Yet the story of witchcraft did not end as the American Enlightenment dawned a new long and chilling chapter was about to begin Witchcraft after Salem was not just a story of fire side tales legends and superstitions it continued to be a matter of life and death souring the American dream for many We know of more people killed as witches between 1692 and the 1950s than were executed before it Witches were part of the story of the decimation of the Native Americans the experience of slavery and emancipation and the immigrant experience they were embedded in the religious and social history of the country Yet the history of American witchcraft between the eighteenth and the twentieth century also tells a less traumatic story one that shows how different cultures interacted and shaped each others languages and beliefs This is therefore much more than the tale of one persecuted community it opens a fascinating window on the fears prejudices hopes and dreams of the American people as their country rose from colony to superpower

Dictionary of Midwestern Literature, Volume Two Philip A. Greasley, 2016-08-08 The Midwest has produced a robust literary heritage Its authors have won half of the nation s Nobel Prizes for Literature plus a significant number of Pulitzer Prizes This volume explores the rich racial ethnic and cultural diversity of the region It also contains entries on 35 pivotal Midwestern literary works literary genres literary cultural historical and social movements state and city literatures literary journals and magazines as well as entries on science fiction film comic strips graphic novels and environmental writing Prepared by a team of scholars this second volume of the Dictionary of Midwestern Literature is a comprehensive resource that demonstrates the Midwest s continuing cultural vitality and the stature and distinctiveness of its literature **How Muslims Shaped the Americas** Omar Mouallem, 2021-09-21 Winner of the Wilfrid Eggleston Award for Nonfiction Selected as a Most Anticipated Book of Fall by The Globe and Mail and The Toronto Star An insightful and perspective shifting new book from a celebrated journalist about reclaiming identity and revealing the surprising history of the Muslim diaspora in the west from the establishment of Canada s first mosque through to the long lasting effects of 9 11 and the devastating Quebec City mosque shooting Until recently Muslim identity was imposed on me But I feel different about my religious heritage in the era of ISIS and Trumpism Rohingya and Uyghur genocides ethnonationalism and misinformation I m compelled to reclaim the thing that makes me a target I ve begun to examine Islam closely with an eye for how it has shaped my values politics and connection to my roots No doubt Islam has a place within me But do I have a place within it Omar Mouallem grew up in a Muslim household but always questioned the role of Islam in his life As an adult he used his voice to criticize what he saw as the harms of organized religion But none of that changed the way others saw him Now as a father he fears the challenges his children will no doubt face as Western nations become increasingly nativist and hostile toward their heritage In *Praying to the West* Mouallem explores the unknown history of Islam across the Americas traveling to thirteen unique mosques in search of an answer to how this religion has survived and thrived so far from the place of its origin From

California to Quebec and from Brazil to Canada's icy north he meets the members of fascinating communities all of whom provide different perspectives on what it means to be Muslim Along this journey he comes to understand that Islam has played a fascinating role in how the Americas were shaped from industrialization to the changing winds of politics And he also discovers that there may be a place for Islam in his own life particularly as a father even if he will never be a true believer Original insightful and beautifully told Praying to the West reveals a secret history of home and the struggle for belonging taking place in towns and cities across the Americas and points to a better more inclusive future for everyone

Thank you extremely much for downloading **Encyclopedia Of North American Immigration**. Most likely you have knowledge that, people have seen numerous periods for their favorite books next to this Encyclopedia Of North American Immigration, but end in the works in harmful downloads.

FAQs About Encyclopedia Of North American Immigration Books

What is a Encyclopedia Of North American Immigration PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Encyclopedia Of North American Immigration PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Encyclopedia Of North American Immigration PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Encyclopedia Of North American Immigration PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Encyclopedia Of North American Immigration PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
