Encyclopedia of Soviet Law F. J. M. Feldbrugge, 1985 *Encyclopedia of Soviet Law* Ferdinand J. M. Feldbrugge, 1985

The Revival of Private Law in Central and Eastern Europe Donald D. Barry, George Ginsburgs, William B.

Simons, 2023-12-18 This series critically examines issues of legal doctrine and practice in Central and Eastern Europe including studies on the harmonization of legal principles and rules the legal impact of the intertwining of domestic economies on the one hand with regional economies and the processes of international trade and investment on the other The series offers a forum for discussion of topical questions of public and private law from domestic regional and international perspectives Comparative research that provides insights in legal developments that can be communicated to those interested in questions not only of law but also of politics economics and of society of countries in the region also finds a home in the series For information about a related title visit the webpages of the Brill journal Review of Central and East European Law

Private and Civil Law in the Russian Federation William B. Simons, 2009-05-20 The chapters in this volume are from two Leiden conferences There distinguished scholars and practitioners from Russia and the Far Abroad measured the winds of change in the field of private law in post Soviet Russia enormous differences from the Soviet period crucial in supporting post Soviet changes toward freedom of choice in the marketplaces of goods services ideas and political institutions This volume will enable the reader to further chart the progress made in Russia and the region in the revitalization of private and civil law and its impact upon practice and comparative legal studies and to appreciate the role which the distinction between the public and private sectors is seen as playing in the process

East Germany in Comparative Perspective Thomas A. Baylis, Dr David Childs, Erwin L. Collier, Marilyn Rueschemeyer, 2002-09-11 As a new decade begins the popular demand for change has meant that the social and political fabric of the the Eastern Bloc countries has been irrevocably altered This book offers a comprehensive analysis of the key political economic and social areas of East German society such as the military and the church areas which will intrinsically involved with the movement for change

The Constitutions of the Communist World William B. Simons, 1980-01-01 The written contributions compiled in this book are based upon lectures held during a symposium on the administrative law implementation enforcement of community law organized by the Directorate General Financial Control the Dutch Law Association for the Study of Protection of Financial Interests of the EC The topic is regarded from the perspective of both administrative practice administrative law While concentrating on the Dutch case the arguments put forward should also be of interest to the other EC countries since they also have to deal with both community law national administrative law Furthermore the book sheds light upon the development of community law in general The importance of national administrative law for the putting into practice of community law is a topic which has received increasing attention from both the sides of administrative practice legal science At the same time it is clear that administrative law has acquired more more community tasks obligations The latter

development might point towards an European version of administrative law in the future Atheism and Secularity Phil Zuckerman,2009-12-21 This important two volume contribution to the field of secular studies offers the first comprehensive examination of atheists and non religious people around the world Who are atheists How does atheism relate to various aspects of our social world such as politics feminism globalization and the family And what is the current state of atheism internationally Atheism and Secularity addresses the growing interest in the non religious world by exploring these and related questions It is a comprehensive and compelling look at atheists and atheism both nationally and internationally covering a range of topics often overlooked in other books on the subject Atheism and Secularity is not a philosophical polemic work but rather an exploration of who atheists are what they believe how they relate to the world and how the world relates to them The first volume focuses on topics such as family life gender sexuality politics and social movements The second volume looks at atheism and secularity around the world exploring the lives of non religious people in North America Japan China India Europe the Arab World and other locations **A History Of Russia Volume 2** Walter G. Moss,2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world Problems of Communism ,1973 The American Bibliography of Slavic and East European Studies ,1989 Legal Traditions of the World H.
