Encyclopedia Of The Japanese In The Americas An Illustrated History Of The Nikkei

David Yoo, Eiichiro Azuma

Encyclopedia Of The Japanese In The Americas An Illustrated History Of The Nikkei:

Encyclopedia of Japanese Descendants in the Americas Akemi Kikumura-Yano, 2002 The Encyclopedia is the first comprehensive guide to the history of Japanese immigrants in the western hemisphere It is the story of the Nikkei people of Japanese descent and their descendants from early immigration to the present as they settled in the countries of Argentina Bolivia Brazil Canada Chile Mexico Paraguay Peru and the United States Each chapter provides four primary areas of information an historical overview a bibliographic essay an annotated bibliography and supplementary materials including demographic data and rare historical photographs Noted scholars Gary Okihiro and Eiichiro Azuma provide key introductory essays on the historical context of Japanese migration from 1868 to the present It is a valuable resource and fascinating multi faceted portrait of Japanese Americans for many audiences researchers and all people of Japanese and Asian descent The Foreword is by United States Senator Daniel K Inouye

Encyclopedia of Japanese American Internment Gary Y. Okihiro, 2013-06-11 This book addresses the forced removal and confinement of Japanese Americans during World War II a topic significant to all Americans regardless of race or color The internment of Japanese Americans was a violation of the Constitution and its guarantee of equal protection under the law yet it was authorized by a presidential order given substance by an act of Congress and affirmed by the U S Supreme Court Japanese internment is a topic that we as Americans cannot afford to forget or be ignorant of This work spotlights an important subject that is often only described in a cursory fashion in general textbooks It provides a comprehensive accessible treatment of the events of Japanese American internment that includes topical event and biographical entries a chronology and comprehensive bibliography and primary documents that help bring the event to life for readers and promote inquiry and critical thinking

The Japanese Empire and Latin America Pedro Iacobelli, Sidney Xu Lu, 2023 The Japanese Empire and Latin America provides a comprehensive analysis of the complicated relationship between Japanese migration and capital exportation to Latin America and the rise and fall of the empire in the Asia Pacific region It explains how Japan s presence influenced the cultures and societies of Latin American countries and also explores the role of Latin America in the evolution of Japanese expansion Together this collection of essays presents a new narrative of the Japanese experience in Latin America by excavating trans Pacific perspectives that shed new light on the global significance of Japan s colonialism and expansionism The chapters cover a variety of topics such as economic expansion migration management cross border community making the surge of pro Japan propaganda in the Americas the circulation of knowledge and the representation of the other in Japanese and Latin American fictions By focusing on both government action and individual experiences the viewpoints examined create a complete analysis including the roles the empire played in the process of settler identity formation in Latin America While the colonialist and expansionist discourses in Japan set a stage for the beginning of Japanese migration to Latin America it was the vibrant circulation of information between East Asia and the Americas that allowed the empire to stay at the center of the

cultural life of communities on the other side of the globe The empire left an enduring mark on Latin America that is hard to ignore This volume explores long neglected aspects of the Japanese global expansion and thus moves our understanding of the empire's significance beyond Asia and rethinks its legacy in global history *Japanese America on the Eve of the Pacific War* Kaoru Ueda, Eiichiro Azuma, 2024-02-01 The era sandwiched between the 1924 US Immigration Act and the 1941 Japanese attack on Pearl Harbor marks an important yet largely buried period of Japanese American history This book offers the first English translation of Yasuo Sakata's seminal essay arguing that the 1930s constitutes a chronological and conceptual missing link between two predominant research interests the pre 1924 immigration exclusion and the mass incarceration of Japanese Americans during World War II The anthology pays tribute to Sakata's role as a foremost historian of early Japanese America and transpacific migration while providing an opportunity for a younger generation of scholars to reflect on his contributions and carve out a new area of research in Japanese American history Original and translated essays from scholars of varied backgrounds and generations explore topics from diplomacy geopolitics and trade to immigrant and ethnic nationalism education and citizenship Together they attempt to catalyze further research and writing based on the thorough and careful analysis of primary source materials an effort that Sakata spearheaded in both the United States and Japan The Japanese in Latin America Daniel M. Masterson, 2004 The largest concentration of people of Japanese ancestry living outside the home islands of Japan is in Latin America This work both exposes and examines the Latin American Japanese experience since its beginnings of immigration in the 1880s **The Oxford Handbook of Asian American History** David Yoo, Eiichiro Azuma, 2016 The Oxford Handbook of Asian American History brings together 27 essays that engage the state of the field with historiographically informed but creative approaches to this diverse and vibrant area The chapters trace Asian American history from the beginning of the migration flows toward the Pacific Islands and the American continent to Japanese American incarceration and Asian American participation in World War II from the experience of exclusion violence and racism to the social and political activism of the late twentieth century The authors explore many of the key aspects of the Asian American experience including politics economy intellectual life the arts education religion labor gender family urban development and legal history Logics of Integration Noriaki Hoshino, 2024-07-29 *Logics of Integration* by Noriaki Hoshino recounts the history of the relationship between modern Japanese transpacific migration and the formation of two multi ethnic empires Japan and the United States focusing on intellectual discourses about migrants and their descendants This book adopts a transnational perspective juxtaposing two multi ethnic imperial formations and develops a theoretical analysis of the discourses on mobility and national territorial integration Via this innovative approach Dr Hoshino reveals the unique role of Japanese migrants and their representation in the complicated power relationships between the two empires in the modern Pacific world **Postwar Emigration to South America from Japan and the Ryukyu Islands** Pedro Iacobelli, 2017-07-13 Placing a distinct focus on the role of the sending state this book examines the

history of postwar Japan's migration policy linking it to the larger question of statehood and nation building in the postwar era. Pedro Jacobelli delves into the role of states in shaping migration flows by exploring the genesis of the state-led emigration from Japan and the US-administered Ryukyu Islands to South America in the mid-20th century. The study proposes an alternative political perspective on migration history to analyze the rationale and mechanisms behind the establishment of migration programs by the sending state. To develop this perspective, the book examines the state's emigration policies, their determinants, and their execution for the Japanese and Okinawan migration programs to Bolivia in the 1950s. It argues that the post-war migration policies that established those migration flows were a result of the political cost-benefit calculations rather than only economic factors of the three governments involved. With its unique focus on the role of the sending state and the relationship between Japan, Okinawa, and the United States, this is a valuable study for students and scholars of postwar Japan and migration history.

Looking Like the Enemy Jerry Garc'a, 2014-02-27. *Looking Like the Enemy* is the first English language book to report on the Japanese experience in Mexico. It is an important examination of the tumultuous half century before World War II, offering illuminating insights into the wartime experiences of the Japanese on both sides of the US-Mexico border.

New Worlds, New Lives Lane Ryo Hirabayashi, Akemi Kikumura-Yano, James A. Hirabayashi, 2002. This book confronts the question of who and what is a Nikkei—that is, a person of Japanese descent—by presenting 18 case studies from throughout the Americas, including Argentina, Bolivia, Brazil, Canada, Paraguay, Peru, and the United States.

Samurai in the Land of the Gaucho Koichi Hagimoto, 2023-07-15. Winner of the 2024 Marysa Navarro Best Book Prize, New England Council for Latin American Studies (NECLAS). In the early twentieth century, historical imaginings of Japan contributed to the Argentine vision of transpacific modernity. Intellectuals such as Eduardo Wilde and Manuel Domecq Garc'a celebrated Japanese customs and traditions as important values that can be integrated into Argentine society. But a new generation of Nikkei or Japanese Argentines is rewriting this conventional narrative in the twenty-first century. Nikkei writers such as Maximiliano Matayoshi and Alejandra Kamiya are challenging the earlier unapologetic view of Japan based on their own immigrant experiences. Compared to the experience of political persecution against Japanese immigrants in Brazil and Peru, the Japanese in Argentina generally lived under a more agreeable sociopolitical climate. In order to understand the positive perception of Japan in Argentine history and literature, *Samurai in the Land of the Gaucho* turns to the current debate on race in Argentina, particularly as it relates to the discourse of whiteness. One of the central arguments is that Argentina's century-old interest in Japan represents a disguised method of re-claiming its white Western identity. Through close readings of diverse genres—travel writing, essay, novel, short story, and film—*Samurai in the Land of the Gaucho* yields a multi-layered analysis in order to underline the role Japan has played in both defining and defying Argentine modernity from the twentieth century to the present.

Cartographies of Violence Mona Oikawa, 2012-01-01. In 1942, the federal government expelled more than 22,000 Japanese Canadians from their homes in British Columbia. From 1942 to 1949, they were

dispossessed sent to incarceration sites and dispersed across Canada Over 4 000 were deported to Japan Cartographies of Violence analyses the effects of these processes for some Japanese Canadian women Using critical race feminist anti colonial and cultural geographic theory Mona Oikawa deconstructs prevalent images stereotypes and language used to describe the internment in ways that masks its inherent violence Through interviews with women survivors and their daughters Oikawa analyses recurring themes of racism and resistance as well as the struggle to communicate what happened Disturbing and provocative Cartographies of Violence explores women s memories in order to map the effects of forced displacements incarcerations and the separations of family friends and communities Publisher s website *Acquired Alterity* Edward Mack,2022-01-25 A free open access ebook is available upon publication Learn more at www.luminosoa.org This is the first monograph length study in English of the Japanese language literary activities both reading and writing of Japanese migrants to Brazil It provides a detailed history of Japanese language bookstores serialized newspaper fiction original creative works and critical apparatuses that existed in Brazil prior to World War II all contextualized within a history of the first decades of that migration While functioning in part as an introduction to this community and its literature the book explores issues related to the politics of critiquing literary texts collectively a logical move that is at the core of many literary studies today *Acquired Alterity* presents a case study of one substantial diasporic population and the self representations of a number of its members while at the same time providing a challenge to a dominant mode of literary study in which texts are often explicitly or implicitly understood through a framework of ethno nationalism These subjects reveal the logical flaws in this framework through what Edward Mack is calling their acquired alterity the process by which their presumed innate identity is challenged and the subjects become other to the systems they had conceived themselves as belonging to The book prompts a reconsideration of the ramifications and motivations of literary and cultural analyses of collections of texts and the peoplehood constructs that are often the true objects of that knowledge production **Korean Immigrants from Latin America** Jin Suk Bae,2021-11-03 *Korean Immigrants from Latin America* explores the migration and resettlement experiences of Koreans from Latin America now residing in the New York metropolitan area It uses interview data from 102 Korean secondary migrants from Latin America to explore the religious familial economic and educational dimensions of their migration and resettlement processes in the U S As Korean and Latino immigrants share increasingly close interactions with each other in various urban settings these Korean remigrants can serve as links between Korean and Spanish speakers as well as liaisons among diverse groups This book shows a surprising degree of diversity within the seemingly homogenous Korean population in the U S and demonstrates the unacknowledged linguistic and cultural differences among them **Diasporic Ruptures** ,2007-01-01 *Diasporic Ruptures* Globality Migrancy and Expressions of Identity lies at the intersections of various processes emerging from globalization border crossings transnationalism identity formations Carefully selected and placed in two volumes the essays here represent works of both well seasoned scholars as well as

emerging writers academics and intellectuals The volumes critically examine various manifestations of the trend now commonly known as globalization manifestations that many diasporic communities immigrants and people from all walks of life experience They also illuminate recent political social economic and technological developments that are taking place in a rapidly changing world Volume One offers sophisticated insights into the nature of contemporary formations of diasporic life internationalism and hybrid identities The volume asks bold questions around what it means to live in constantly shifting boundaries of nationality identity and citizenship The type of methodological discursive and experiential awareness promoted by this work helps us understand how millions of people face the challenge of living in a globalizing world it also fosters a consciousness of how globalization itself functions differently in different environments Volume Two see Volume 7 in Transgressions Cultural Studies and Education addresses additional and more nuanced questions around culture race sexuality migration displacement and resistance It also explores certain epistemological and methodological fallacies regarding conventional articulations of nation state nationalism and the local global nexus The volume seeks to answer questions such as What are the meanings and connotations of displacement in a rapidly globalizing world What are some dilemmas and challenges around notions of cultural hybridity linguistic diversity and a sense of belonging What is the meaning of home in diaspora and the meaning of diaspora at home Together the volumes raise many topics that will be of immense interest to scholars across disciplines and general readers While celebrating the increasing acknowledgment of difference and diversity in recent times this work reminds us of the ongoing ramifications of dominant structures of inequality relations of power and issues of inclusion and exclusion This work offers different ways of thinking writing and talking about globalization and the processes that emerge from it *Japanese and Nikkei at Home and Abroad* ,

Charting the Emerging Field of Japanese Diaspora Archaeology Douglas E. Ross, Koji Lau-Ozawa, 2023-04-29 This book examines the Japanese diaspora from the historical archaeology perspective drawing from archaeological data archival research and often oral history and explores current trends in archaeological scholarship while also looking at new methodological and theoretical directions The chapters include research on pre War rural labor camps or villages in the US as well as research on western Canada British Columbia Peru and the Pacific Islands Hawai i and Tinian incorporating work on understudied urban and cemetery sites One of the main themes explored in the book is patterns of cultural persistence and change whether couched in terms of maintenance of tradition Americanization or the formation of dual identities Other themes emerging from these chapters include consumption agency stylistic analysis community lifecycles social networks diaspora and transnationalism gender and sexuality Also included are discussions of trauma racialization displacement labor heritage and community engagement Some are presented as fully formed interpretive frameworks with substantial supporting data while others are works in progress or tentative attempts to push the boundaries of our field into innovative new territory This book is of interest to students and researchers in historical archaeology anthropology sociology of

migration diaspora studies and historiography Previously published in International Journal of Historical Archaeology Volume 25 issue 3 September 2021 **Asian Worlds in Latin America** Stefania Paladini,2015-12-22 There has been increasing Asian interest in Latin America in recent years beginning with Japanese investment in the 1980s and continuing into the present decade when there is growing investment by China This book examines the nature and extent of Asian business and related activity in Latin America It shows how investment is not just from Japan and China with Korea and India also involved and with Taiwan directly competing with China It explores activity in the minerals and energy sector and also in trade and other areas It demonstrates how Asian activity has a wide impact on the countries of both South America and the Caribbean making them less exclusively the United States backyard how different countries are affected differently by Asian activity and how the growing links with Asia increasingly open up the possibility of greater Latin American activity in Asia The Routledge Handbook of Pidgin and Creole Languages Umberto Ansaldi,Miriam Meyerhoff,2020-11-29 The Routledge Handbook of Pidgin and Creole Languages offers a state of the art collection of original contributions in the area of Pidgin and Creole studies Providing unique and equal coverage of nearly all parts of the world where such languages are found as well as situating each area within a rich socio historical context this book presents fresh and diverse interdisciplinary perspectives from leading voices in the field Divided into three sections its analysis covers Space and place areal perspective on pidgin and creole languages Usage function and power sociolinguistic and artistic perspectives on pidgins and creoles creoles as sociocultural phenomena Framing of the study of pidgin and creole languages history of the field interdisciplinary connections Demonstrating how fundamentally human and natural these communication systems are how rich in expressive power and sophisticated in their complexity The Routledge Handbook of Pidgin and Creole Languages is an essential reference for anyone with an interest in this area **The Making of Asian America** Erika Lee,2015 Published to commemorate the fiftieth anniversary of the passage of the United States Immigration and Nationality Act of 1965 that has remade our nation of immigrants this is a new and definitive history of Asian Americans written by one of the nation s preeminent scholars on the subject But more than that this book presents a new way of understanding America itself its complicated histories of race and immigration and its place in the world today Provided by publisher

Encyclopedia Of The Japanese In The Americas An Illustrated History Of The Nikkei Introduction

In the digital age, access to information has become easier than ever before. The ability to download Encyclopedia Of The Japanese In The Americas An Illustrated History Of The Nikkei has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Encyclopedia Of The Japanese In The Americas An Illustrated History Of The Nikkei has opened up a world of possibilities. Downloading Encyclopedia Of The Japanese In The Americas An Illustrated History Of The Nikkei provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Encyclopedia Of The Japanese In The Americas An Illustrated History Of The Nikkei has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Encyclopedia Of The Japanese In The Americas An Illustrated History Of The Nikkei. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Encyclopedia Of The Japanese In The Americas An Illustrated History Of The Nikkei. Some websites may offer pirated or

illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Encyclopedia Of The Japanese In The Americas An Illustrated History Of The Nikkei, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Encyclopedia Of The Japanese In The Americas An Illustrated History Of The Nikkei has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Encyclopedia Of The Japanese In The Americas An Illustrated History Of The Nikkei Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Encyclopedia Of The Japanese In The Americas An Illustrated History Of The Nikkei is one of the best book in our library for free trial. We provide copy of Encyclopedia Of The Japanese In The Americas An Illustrated History Of The Nikkei in digital format, so the resources that you find are reliable.
