Encyclopedia of Children and Childhood , *Encyclopedia of Children and Childhood* Paula S. Fass,2004 **Protestant missionary children's lives, c.1870-1950** Hugh Morrison,2024-03-05 Protestant missionary children were uniquely empire citizens through their experiences of living in empire and in religiously formed contexts This book examines their lives through the related lenses of parental institutional and child narratives To do so it draws on histories of childhood and of emotions using a range of sources including oral history It argues that missionary children were doubly shaped by parents concerns and institutional policy responses At the same time children saw their own lives as both ordinary and complicated Literary representations boosted adult narratives Empire provided a complex space in which these children navigated their way between the expectations of two if not three different cultures The focus is on a range of settings and on the early twentieth century Therefore the book offers a complex and comparative picture of missionary children s lives

Encyclopedia of Children and Childhood: S Paula S. Fass,2004 **How to Grow a Playspace** Katherine Masiulonis,Elizabeth Cummins,2017-03-31 How to Grow a Playspace takes you through a global perspective of the different stages of child development and the environments that engage children in play around the world From the urbanity of Mumbai to rainbow nets in Japan nature play in Denmark recycling waste in Peru community building in Uganda play streets in London and gardens of peace in Palestine it proves that no matter where play occurs it is ubiquitous in its resourcefulness imagination and effect Written by international leaders in the field of play including academics designers and playworkers How to Grow A Playspace discusses contemporary issues around children and play such as risk benefit in play creativity and technology insights into children s thinking social inclusion and what makes a city child friendly With its own Potting Shed this text is also a practical guide to support playspace projects with advice on teams budgets community engagement maintenance and standards How to Grow a Playspace is a comprehensive go to guide for anyone interested or involved in children s play and playspaces The Oxford Handbook of the History of Youth Culture James Alan Marten,2023 The Oxford Handbook of the History of Youth Culture features broadly contextualized historical case studies of youth cultures from around the world and over the past several centuries Chapters focus on a wide range of issues and themes including youth agency gender self expression and the tension between community control and youthful independence Protestant Children, Missions and Education in the British World Hugh Morrison,2021-11-29 At Christmas 1936 Presbyterian children in New Zealand raised over 400 for an x ray machine in a south Chinese missionary hospital From the early 1800s thousands of children in the British world had engaged in similar activities raising significant amounts of money to support missionary projects world wide But was money the most important thing Hugh Morrison argues that children s education was a more important motive and outcome This is the first book length attempt to bring together evidence from across a range of British contexts In particular it focuses on children s literature the impact of imperialism and nationalism and the role of emotions

The Routledge Handbook of Global Child Welfare Pat Dolan, Nick Frost, 2017-02-17 In the context of the increasing global movement of people and a growing evidence base for differing outcomes in child welfare Routledge Handbook of Global Child Welfare provides a compelling account of child welfare grounded in the latest theory policy and practice Drawing on eminent international expertise the book offers a coherent and comprehensive overview of the policies systems and practices that can deliver the best outcomes for children It considers the challenges faced by children globally and the difference families services and professionals can make This ambitious and far reaching handbook is essential reading for everyone working to make the world a better and safer place for children

Creating Religious Childhoods in Anglo-World and British Colonial Contexts, 1800-1950 Hugh Morrison, Mary Clare Martin, 2017-01-20 Drawing on examples from British world expressions of Christianity this collection further greater understanding of religion as a critical element of modern children s and young people s history It builds on emerging scholarship that challenges the view that religion had a solely negative impact on nineteenth and twentieth century children or that secularization is the only lens to apply to childhood and religion Putting forth the argument that religion was an abiding influence among British world children throughout the nineteenth and most of the twentieth centuries this volume places religion at the center of analysis and discussion At the same time it positions the religious factor within a broader social and cultural framework The essays focus on the historical contexts in which religion was formative for children in various British settings denoted as Anglo or colonial during the nineteenth and early to mid twentieth centuries These contexts include mission fields churches families Sunday schools camps schools and youth movements Together they are treated as sites in which religion contributed to identity formation albeit in different ways relating to such factors as gender race disability and denomination The contributors develop this subject for childhoods that were experienced largely but not exclusively outside the metropole in a diversity of geographical settings By extending the geographic range even within the British world it provides a more rounded perspective on children s global engagement with religion

The Routledge Companion to Design Studies Penny Sparke, Fiona Fisher, 2016-06-17 Since the 1990s in response to dramatic transformations in the worlds of technology and the economy design a once relatively definable discipline complete with a set of sub disciplines has become unrecognizable Consequently design scholars have begun to address new issues themes and sub disciplines such as sustainable design design for well being empathic design design activism design anthropology and many more The Routledge Companion to Design Studies charts this new expanded spectrum and embraces the wide range of scholarship relating to design theoretical practice related and historical that has emerged over the last four decades Comprised of forty three newly commissioned essays the Companion is organized into the following six sections Defining Design Discipline Process Defining Design Objects Spaces Designing Identities Gender Sexuality Age Nation Designing Society Empathy Responsibility Consumption the Everyday Design and Politics Activism Intervention Regulation Designing the World Globalization

Transnationalism Translation Contributors include both established and emerging scholars and the essays offer an international scope covering work emanating from and relating to design in the United Kingdom mainland Europe North America Asia Australasia and Africa This comprehensive collection makes an original and significant contribution to the field of Design Studies

Ontario Boys Christopher J. Greig, 2014-03-24 Ontario Boys explores the preoccupation with boyhood in Ontario during the immediate postwar period 1945-1960 It argues that a traditional version of boyhood was being rejuvenated in response to a population fraught with uncertainty and suffering from insecurity instability and gender anxiety brought on by depression era and wartime disruptions in marital familial and labour relations as well as mass migration rapid postwar economic changes the emergence of the Cold War and the looming threat of atomic annihilation In this sociopolitical and cultural context concerned adults began to cast the fate of the postwar world onto children in particular boys In the decade and a half immediately following World War II the version of boyhood that became the ideal was one that stressed selflessness togetherness honesty fearlessness frank determination and emotional toughness It was thought that investing boys with this version of masculinity was essential if they were to grow into the kind of citizens capable of governing protecting and defending the nation and of course maintaining and regulating the social order Drawing on a wide variety of sources Ontario Boys demonstrates that although girls were expected and encouraged to internalize a special kind of citizenship as caregivers and educators of children and nurturers of men the gendered content and language employed indicated that active public citizenship and democracy was intended for boys An appropriate boyhood in the postwar period became if nothing else a metaphor for the survival of the nation

A History of Medicine in 50 Discoveries (History in 50) Marguerite Vigliani, Gale Eaton, Phillip Hoose, 2017-06-27 Vigliani and Eaton's high interest exploration of medicine begins in prehistory The 5 000 year old Iceman discovered frozen in the Alps may have treated his gallstones Lyme disease and hardening of the arteries with the 61 tattoos that covered his body most of which matched acupuncture points and the walnut sized pieces of fungus he carried on his belt The herbal medicines chamomile and yarrow have been found on 50 000 year old teeth and neatly bored holes in prehistoric skulls show that Neolithic surgeons relieved pressure on the brain or attempted to release evil spirits at least 10 000 years ago From Mesopotamian pharmaceuticals and Ancient Greek sleep therapy through midwifery amputation bloodletting Renaissance anatomy bubonic plague and cholera to the discovery of germs X rays DNA based treatments and modern prosthetics the history of medicine is a wild ride through the history of humankind

History , **Examined Lives** Roberta Reb Allen, 2018-07-23 Gretchen Richard was a vivacious competent woman who moved to Chicago on her twentieth birthday and began her rise in the hospitality industry In her off hours she devoured the nightlife with a string of young swain who wanted to marry her But in 1950 after she had already become a wife and mother everything changed for Gretchen when Dr Walter Freeman pronounced her a paranoid schizophrenic on a Friday and performed a lobotomy the following Monday robbing her of her drive and sparkle forever In a compelling memoir

and family history Roberta Reb Allen shares a fascinating glimpse into her mother Gretchen's journey before, during, and after the lobotomy as she was adjudged insane and institutionalized for periods of time. Utilizing family letters, diaries, scrapbooks, medical records, an unpublished novel, poetry, photographs, and the writings of Walter Freeman, Allen sheds light on the effects the lobotomy had on her mother and herself, as well as the societal and familial forces that fostered their mental illnesses, all while giving a long-awaited voice to the female patient whose lobotomy was completely unnecessary. *Examined Lives* provides a candid look at mental illness while offering hope for overcoming even the most debilitating psychological conditions with the right kind of support.

The Sociology of Childhood William A. Corsaro, Judson G. Everitt, 2023-12-20 The Sixth Edition of William A. Corsaro and Judson G. Everitt's groundbreaking text discusses children and childhood from a sociological perspective, providing in-depth coverage of social theories of childhood, the peer cultures, and social issues of children and youth, and children and childhood within the frameworks of culture and history. This revised edition has been thoroughly updated to incorporate the latest research and the most pertinent information so readers can engage in powerful discussions on a wide array of topics.

Rethinking the History of American Education W. Reese, J. Rury, 2007-12-25 This collection of original essays examines the history of American education as it has developed as a field since the 1970s and moves into a post-revisionist era, and looks forward to possible new directions for the future. Contributors take a comprehensive approach, beginning with colonial education and spanning to modern day, while also looking at various aspects of education, from higher education to curriculum to the manifestation of social inequality in education. The essays speak to historians, educational researchers, policy makers, and others seeking fresh perspectives on questions related to the historical development of schooling in the United States.

The Smallest Victims Herbert C. Covey, 2018-07-20 This book provides a review of how child maltreatment has been socially constructed, ignored, and formally responded to, as it tells the story of how America's system of child protection has evolved. Additionally, it identifies key questions and related issues. When child maltreatment occurs, it strikes chords in our hearts because we sense the terrible injustice inherent in the matter: children are innocent and not able to protect themselves. This book provides readers with an overview of how perceptions of child maltreatment have changed over the years and how the American child protection system has evolved to keep pace with them, revealing the historical origins of current child protection issues and surveying efforts to find solutions. *The Smallest Victims* is unique in stressing the subjective and relative nature of the social construction of child maltreatment, as it includes abuse and neglect. It identifies historical social factors and links them to perceptions of child maltreatment and responses to it. How maltreatment was once perceived in pre-American and American societies, for example, has had significant implications on the reactions it elicited, from tolerance to outrage. The book devotes a chapter to the exploitation of children in the labor market and as sexual victims, timely subjects given the national interest in human trafficking. Other chapters explore state intervention in family affairs and when children are removed from their homes. The book also includes a
