Encyclopedia Of Japanese Pop Culture:

The Encyclopedia of Japanese Pop Culture Mark Schilling,1997-05 Alphabetically arranged list of popular Japanese cultural icons **The Encyclopedia of Japanese Pop Culture** Mark Schilling,1997-05-01 In the West Japanese culture comes in the form of Power Rangers Godzilla movies and Sanrio products but of course the indigenous pop culture is much richer Rather than focus on what the rest of the world has already encountered Mark Schilling provides an encyclopedic compendium of books movies music comedians and cultural scandals that have had the greatest impact in Japan Thus for the outsider The Encyclopedia of Japanese Pop Culture is an insider's guide to post war Japan Not content to simply catalog his entries Schilling provides real depth and analysis in his articles opening up Japan's rich pop heritage to the world at large

The Encyclopedia of Japanese Pop Culture Mark Schilling,2004 **Encyclopedia of Japanese Pop Culture** Mark Schilling,2009-12 Postwar Japanese pop culture has been extraordinarily fertile vibrant and commercially successful Manga Japan's unique contribution to comic art became a major force in the nation's cultural life as did Japanese music and movies This book has more articles about people than products because the author wanted to bring the individual faces of Japanese pop culture into sharp focus In choosing subjects he used objective criteria most sales longest run highest ratings but often the choice to include a subject came down to his own feeling about what was important and what was not Contains more than 70 in depth entries covering Japanese pop culture since 1945 in the areas of music movies comedy fads popular media and much more *Japan Pop: Inside the World of Japanese Popular Culture* Timothy J. Craig,2015-04-08 A fascinating illustrated look at various forms of Japanese popular culture pop song jazz enka a popular ballad genre of music karaoke comics animated cartoons video games television dramas films and idols teenage singers and actors As pop culture not only entertains but is also a reflection of society the book is also about Japan itself its similarities and differences with the rest of the world and how Japan is changing The book features 32 pages of manga plus 50 additional photos illustrations and shorter comic samples **The Otaku Encyclopedia** Patrick W. Galbraith,2009-06-25 Otaku Japan's anime nerds game geeks and pop idol fanboys originates from a polite second person pronoun meaning your home in Japanese This guide offers an insight into the subculture of Cool Japan from cosplay to anime manga videogames and more With over 500 entries including common expressions people places and moments of otaku history this is the essential A to Z of all the facts Japanese pop culture fans need to know Otaku Nerd geek or fanboy originates from a polite second person pronoun meaning your home in Japanese Since the A History of Popular Culture in Japan E. Taylor Atkins,2017-10-19 The phenomenon of Cool Japan is one of the distinctive features of global popular culture of the millennial age A History of Popular Culture in Japan provides the first historical and analytical overview of popular culture in Japan from its origins in the 17th century to the present day using it to explore broader themes of conflict power identity and meaning in Japanese history E Taylor Atkins shows how Japan is one of the earliest sites for the development of mass produced market oriented cultural products consumed by urban

middle and working classes The best known traditional arts and culture of Japan no theater monochrome ink painting court literature poetry and indigenous music inhabited a world distinct from that of urban commoners who fashioned their own expressive forms and laid the groundwork for today s gross national cool Popular culture was pivotal in the rise of Japanese nationalism imperialism militarism postwar democracy and economic development Offering historiographical and analytical frameworks for understanding its subject *A History of Popular Culture in Japan* synthesizes the latest scholarship from a variety of disciplines It is a vital resource for students of Japanese cultural history wishing to gain a deeper understanding of Japan s contributions to global cultural heritage

Hoover,2018-12-15 Japan is a mix of the old and the new traditional and modern and old fashion and innovative It has traveled the road to a modern destination without totally losing sight of its traditions and values Although some in Japan lament the passing of old ways Japan has held on to a reasonable amount of its traditions and values This is easier to find in its arts and crafts and its literature and films as well as in its social habits This book will introduce the broad sweep of people events and trends including the successes and failures of postwar Japan This second edition of *Historical Dictionary of Postwar Japan* contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Japan *Pictorial Encyclopedia of Japanese Culture* Kaneyoshi Nakayama,1996

Encyclopedia of Japanese Pop Mark Schilling, *Ethnomusicology* Jennifer Post,2004-03-01 *Ethnomusicology* A Research and Information Guide is an annotated bibliography of books recordings videos and websites in the field of ethnomusicology The book is divided into two parts Part One is organised by resource type in catagories of greatest concern to students and scholars This includes handbooks and guides encyclopedias and dictionaries indexes and bibliographies journals media sources and archives It also offers annotated entries on the basic literature of ethnomusicological history and research Part Two provides a list of current publications in the field that are widely used by ethnomusicologists Multiply indexed this book serves as an excellent tool for librarians researchers and scholars in sorting through the massive amount of new material that has appeared in the field over the past decades

Japanese Visual Culture Mark W. MacWilliams,2014-12-18 Born of Japan s cultural encounter with Western entertainment media manga comic books or graphic novels and anime animated films are two of the most universally recognized forms of contemporary mass culture Because they tell stories through visual imagery they vault over language barriers Well suited to electronic transmission and distributed by Japan s globalized culture industry they have become a powerful force in both the mediascape and the marketplace This volume brings together an international group of scholars

from many specialties to probe the richness and subtleties of these deceptively simple cultural forms The contributors explore the historical cultural sociological and religious dimensions of manga and anime and examine specific sub genres artists and stylistics The book also addresses such topics as spirituality the use of visual culture by Japanese new religious movements Japanese Goth nostalgia and Japanese pop cute kawali subculture and comics for girls and more With illustrations throughout it is a rich source for all scholars and fans of manga and anime as well as students of contemporary mass culture or Japanese culture and civilization

A Companion to Japanese History William M. Tsutsui, 2009-07-20 A Companion to Japanese History provides an authoritative overview of current debates and approaches within the study of Japan s history Composed of 30 chapters written by an international group of scholars Combines traditional perspectives with the most recent scholarly concerns Supplements a chronological survey with targeted thematic analyses Presents stimulating interventions into individual controversies

Intercultural Communication in Japan Satoshi Toyosaki, Shinsuke Eguchi, 2017-02-24 Japan is heterogeneous and culturally diverse both historically through ancient waves of immigration and in recent years due to its foreign relations and internationalization However Japan has socially culturally politically and intellectually constructed a distinct and homogeneous identity More recently this identity construction has been rightfully questioned and challenged by Japan s culturally diverse groups This book explores the discursive systems of cultural identities that regenerate the illusion of Japan as a homogeneous nation Contributors from a variety of disciplines and methodological approaches investigate the ways in which Japan s homogenizing discourses are challenged and modified by counter homogeneous message systems They examine the discursive push and pull between homogenizing and heterogenizing vectors found in domestic and transnational contexts and mobilized by various identity politics such as gender sexuality ethnicity foreign status nationality multiculturalism and internationalization After offering a careful and critical analysis the book calls for a complicating of Japan s homogenizing discourses in nuanced and contextual ways with an explicit goal of working towards a culturally diverse Japan Taking a critical intercultural communication perspective this book will be of interest to students and scholars of Japanese Studies Japanese Culture and Japanese Society

Japanese Consumer Behaviour John McCreery, 2014-04-08 What role does consumption play in Japanese lives that are more than study work and shopping How have those lives changed since World War II as Japan has wrestled with the meaning of white collar careers women spreading their wings changing family values a shrinking birth rate an aging population This book explores Japan through the eyes of Japanese researchers and discovers patterns of change that are both uniquely Japanese and shared by consumers in other advanced industrial nations

Anno Dracula 1999: Daikaiju Kim Newman, 2019-10-22 The new novel in the acclaimed alternate history vampire series from Kim Newman Compulsory reading glorious Neil Gaiman on Anno Dracula It is the eve of the new millennium and the vampire princess Christina Light is throwing a party in Daikaiju Plaza a building in the shape of a giant

mechanical dragon in Tokyo attended by the leaders of the worlds of technology finance culture and innovation After a century overshadowed by the malign presence of Dracula Christina decrees the inauguration of an Age of Light The world is connected as never before by technology and conquests have been made in cyberspace that mark out new nations of the living and the undead But the party is crashed by less enlightened souls intent on ensuring that the brave new world dies before it can come to fruition The distinguished guests are held hostage by cyberpunk terrorists yakuza assassins and Transylvanian mercenaries Vampire schoolgirl Nezumi sword wielding agent of the Diogenes Club finds herself alone pitted against the world s deadliest creatures Thrown out of the party she must fight her way back up through a building that seems designed to destroy her in a thousand ways Can Nezumi survive past midnight Can the hopes of a shining world

Pictorial encyclopedia of Japanese culture ,1991 Gendering Modern Japanese History Barbara Molony,Kathleen Uno,2020-05-11

In the past quarter century gender has emerged as a lively area of inquiry for historians and other scholars and gender analysis has suggested important revisions of the master narratives of national histories the dominant often celebratory tales of the successes of a nation and its leaders Although modern Japanese history has not yet been restructured by a foregrounding of gender historians of Japan have begun to embrace gender as an analytic category The sixteen chapters in this volume treat men as well as women theories of sexuality as well as gender prescriptions and same sex as well as heterosexual relations in the period from 1868 to the present All of them take the position that history is gendered that is historians invariably perhaps unconsciously construct a gendered notion of past events people and ideas Together these essays construct a history informed by the idea that gender matters because it was part of the experience of people and because it often has been a central feature in the construction of modern ideologies discourses and institutions Separately each chapter examines how Japanese have en gendered their ideas institutions and society
