M - Z Olive Classe.2000 Thomas Mann in English David Horton, 2013-04-11 Thomas Mann owes his place in world literature to the dissemination of his works through translation Indeed it was the monumental success of the original English translations that earned him the title of the greatest living man of letters during his years in American exile 1938 52 This book provides the first systematic exploration of the English versions illustrating the vicissitudes of literary translation through a principled discussion of a major author The study illuminates the contexts in which the translations were produced before exploring the transformations Mann's work has undergone in the process of transfer An exemplary analysis of selected textual dimensions demonstrates the multiplicity of factors which impinge upon literary translation leading far beyond the traditional preoccupation with issues of equivalence Thomas Mann in English thus fills a gap both in translation studies where Thomas Mann serves as a constant but ill defined point of reference and in literary studies which has focused increasingly on the author's wider reception A Companion to Translation Studies Piotr Kuhiwczak, Karin Littau, 2007-04-12 A Companion to Translation Studies is the first work of its kind It provides an authoritative guide to key approaches in translation studies All of the essays are specially commissioned for this collection and written by leading international experts in the field The book is divided into nine specialist areas culture philosophy linguistics history literary gender theatre and opera screen and politics Contributors include Susan Bassnett Gunilla Anderman and Christina Sch ffner Each chapter gives an in depth account of theoretical concepts issues and debates which define a field within translation studies mapping out past trends and suggesting how research might develop in the future In their general introduction the editors illustrate how translation studies has developed as a broad interdisciplinary field Accompanied by an extensive bibliography this book provides an ideal entry point for students and scholars exploring the multifaceted and fast developing Handbook of Translation Studies Yves Gambier, Luc van Doorslaer, 2011-12-21 As a discipline of translation studies meaningful manifestation of how institutionalized the discipline has become the new Handbook of Translation Studies is most welcome It joins the other signs of maturation such as Summer Schools the development of academic curricula historical surveys journals book series textbooks terminologies bibliographies and encyclopedias The HTS aims at disseminating knowledge about translation and interpreting and providing easy access to a large range of topics traditions and methods to a relatively broad audience not only students who often adamantly prefer such user friendliness researchers and lecturers in

Translation Studies Translation but also scholars and experts from other disciplines among which linguistics sociology history psychology In addition the HTS addresses any of those with a professional or personal interest in the problems of translation interpreting localization editing etc such as communication specialists journalists literary critics editors public servants business managers intercultural organization specialists media specialists marketing professionals Moreover The HTS offers added value First of all it is the first Handbook with this scope in Translation Studies that has both a print edition and an online version The advantages of an online version are obvious it is more flexible and accessible and in addition the entries can be regularly revised and updated The Handbook is variously searchable by article by author by subject A second benefit is the interconnection with the selection and organization principles of the online Translation Studies Bibliography TSB The taxonomy of the TSB has been partly applied to the selection of entries for the HTS Moreover many items in the reference lists are hyperlinked to the TSB where the user can find an abstract of a publication All articles between 500 and 6000 words are written by specialists in the different subfields and are peer reviewed Last but not least the usability accessibility and flexibility of the HTS depend on the commitment of people who agree that Translation Studies does matter All users are therefore invited to share their feedback Any questions remarks and suggestions for improvement can be sent to the editorial Contemporary World Fiction Juris Dilevko, Keren Dali, Glenda Garbutt, 2011-03-17 This much team at hts lessius eu needed guide to translated literature offers readers the opportunity to hear from learn about and perhaps better understand our shrinking world from the perspective of insiders from many cultures and traditions In a globalized world knowledge about non North American societies and cultures is a must Contemporary World Fiction A Guide to Literature in Translation provides an overview of the tremendous range and scope of translated world fiction available in English In so doing it will help readers get a sense of the vast world beyond North America that is conveyed by fiction titles from dozens of countries and language traditions Within the guide approximately 1 000 contemporary non English language fiction titles are fully annotated and thousands of others are listed Organization is primarily by language as language often reflects cultural cohesion better than national borders or geographies but also by country and culture In addition to contemporary titles each chapter features a brief overview of earlier translated fiction from the group The guide also provides in depth bibliographic essays for each chapter that will enable librarians and library users to further explore the literature of numerous languages Thinking German Translation Margaret Rogers, Michael White, Michael Loughridge, Ian and cultural traditions Higgins, Sándor Hervey, 2020-04-22 Thinking German Translation is a comprehensive practical course in translation for advanced undergraduate students of German and postgraduate students embarking on Master's translation programmes Now in its third edition this course focuses on translation as a decision making process covering all stages of the translation process from research to the rewriting of the source text in the language of translation to the final revision process This third edition brings the course up to date referencing relevant research sources in Translation Studies and technological

Translation and Rewriting in the Age of Post-Translation Studies Edwin Gentzler, 2016-11-03 In Translation and Rewriting in the Age of Post Translation Studies Edwin Gentzler argues that rewritings of literary works have taken translation to a new level literary texts no longer simply originate but rather circulate moving internationally and intersemiotically into new media and forms Drawing on traditional translations post translation rewritings and other forms of creative adaptation he

examines the different translational cultures from which literary works emerge and the translational elements within them In this revealing study four concise chapters give detailed analyses of the following classic works and their rewritings A Midsummer Night's Dream in Germany Postcolonial Faust Proust for Everyday Readers Hamlet in China With examples from a variety of genres including music film ballet comics and video games this book will be of special interest for all students and scholars of translation studies and contemporary literature Indirect Translation Alexandra Assis Rosa, Hanna Pięta, Rita Bueno Maia, 2020-06-05 In an effort to counter the marginalization of indirect translation in systematic research this book establishes innovative theoretical and methodological grounds and mitigates terminological instability in the field In so doing it unsettles the binary paradigms still predominant in translation research such as original versus translation and source versus target culture language text The contributors focus on the indirect translation of literature and cover a variety of European and Asian cultures and languages such as Assamese Bengali Catalan Chinese Hindi Japanese Kannada Malayalam Marathi Oriya Russian Spanish Swedish Tamil and Urdu This book will be of interest to all researchers studying intercultural relations the probabilistic genealogies of texts the circulation of texts and ideas among dominant and dominated cultures and groups and the implications of English as a main pivot language in today s world This book was originally published as a special issue of Translation Studies Greece and Britain since 1945 Second Edition David Wills, 2014-03-17 In 1945 the modern country and people of Greece were unknown to many Britons This book explores the transformation and varying fortunes of Anglo Greek relations since that time The focus is on the perceptions and attitudes shown by British and Greek writers audiences and organisations Greece and Britain Since 1945 contains chapters from leading academics journalists novelists and public servants and covers subjects including literature by Greek writers in English translation the work of the British Council and international aid agencies and television series set in Greece The second edition has been substantially updated to reflect the financial economic and social effects of the recent Greek Crisis Four specially commissioned new chapters discuss how Greece has been portrayed in the British media and the responses of cultural organisations to the present needs of the Greek people The Oxford History of Classical Reception in English Literature: The Oxford History of Classical Reception in English Literature David Hopkins, Charles Martindale, Norman Vance, Rita Copeland, Patrick Cheney, Philip R. Hardie, Jennifer Wallace, 2012-09-27 The present volume 3 is the first to appear of the five that will comprise The Oxford History of Classical Reception in English Literature henceforth OHCREL Each volume of OHCREL will have its own editor or team of editors Preface Rethinking Cultural Transfer and Transmission Petra Broomans, Sandra van Voorst, Karina Smits, 2012 Rethinking Cultural Transfer and Transmission Reflections and New Perspectives formulates new directions within the studies on cultural transfer and transmission including gender aspects of cultural transfer the importance of cultural transfer for minority literatures and approaches to writing a cultural transfer and transmission history The articles collected in this volume demonstrate that the field of cultural transfer and transmission is

developing quickly and offers a variety of research possibilities New aspects are scrutinised and new insights gained from rediscovered material and although the discussion of the theoretical points of departure and the methods used has only just begun it is already providing us with interesting results and insights This book is Volume 4 in the book series Studies on **Cultural Transfer Transmission** Information Resources in the Humanities and the Arts Anna H.
