Guide to Reference in Genealogy and Biography Mary K. Mannix,Fred Burchsted,Jo Bell Whitlatch,2015 An excellent starting point for both reference librarians and for library users seeking information about family history and the lives of others this resource is drawn from the authoritative database of Guide to Reference voted Best Professional Resource Database by Library Journal readers in 2012 Biographical resources have long been of interest to researchers and general readers and this title directs readers to the best biographical sources for all regions of the world For interest in the lives of those not found in biographical resources this title also serves as a guide to the most useful genealogical resources Profiling more than 1400 print and electronic sources this book helps connect librarians and researchers to the most relevant sources of information in genealogy and biography **Women in Music** Karin Pendle,Melinda Boyd,2012-07-26 Women in Music A Research and Information Guide is an annotated bibliography emerging from more than twenty five years of feminist scholarship on music This book testifies to the great variety of subjects and approaches represented in over two decades of published writings on women their work and the important roles that feminist outlooks have played in formerly male oriented academic scholarship or journalistic musings on women and music *Navigating Loss in Women's Contemporary Memoir* A. Prodromou,2015-06-29 Navigating Loss in Women s Contemporary Memoir traces the grief process through the lives of contemporary women writers to show how its complex multi layered nature can encourage us towards new understandings of loss **Women Writing the West Indies, 1804-1939** Evelyn O'Callaghan,2004-06-02 This pioneering study surveys nineteenth and twentieth century narratives of the West Indies written by white women English and Creole with special regard to race and gender **Notable American Women with Czechoslovak Roots** Miloslav Rechcigl Jr.,2019-09-16

Even though there exist only a few general studies on the subject of Czechoslovak American women this is not at all a reflection of the paucity of work done by these women as this publication demonstrates This monograph is a compendium of notable American women with Czechoslovak roots who distinguished themselves in a particular field or area from the time they first immigrated to America to date Included are not only individuals born on the territory of former Czechoslovakia but also their descendants This project has been approached strictly geographically irrespective of the language or ethnicity Because of the lack of bibliographical information most of the monograph comprises biobibliographical information in which area a plethora of information exists As the reader will discover these women have been involved practically in every field of human endeavor in numbers that surprise On the whole they have been noted for their independent spirit and nonconforming role
