*RACISM* Emmanuel Neba-Fuh,2021-04-05 Emmanuel Neba Fuh in this comprehensive chronological compilation and thorough narrative of the history of white supremacy in Africa provide an unflinching fresh case that African poverty a central tenet of the shithole demonization is not a natural feature of geography or a consequence of culture but a direct product of imperial extraction from the continent a practice that continues into the present A brutal and nefarious tale of slave trade genocides massacres dictators supported progressive leaders murdered weapon smuggling cloak and dagger secret services corruption international conspiracy and spectacular military operations he raised the most basic and fundamental question how was Africa the world s richest continent raped and reduced to what Donald J Trump called shithole By V Mbanwie *Everything You Pretend to Know and Are Afraid Someone Will Ask* Lynette Padwa,1996-04-01 You can fool some of the people all of the time but wouldn t you rather really know what you re talking about Why are conservatives on the right and liberals on the left What is an archetype Most people drop these and other cultural references in conversation all the time without really knowing much about them But with this witty information packed book you can quickly bone up on the actual facts behind the multitude of data events and words that come at you each day and that you ve been casually bandying about without really understanding Here are invaluable explanations of a wide range of topics that are assumed to be common knowledge from deciphering newsspeak What is a spin doctor to psychobabble What s the difference between the ego and the id to cyberlingo What is cyberlingo from the supposedly obvious What makes cholesterol good or bad to the deceptively simple What is a formula race car Perfect as a quick reference tool for browsing or simply for sharing impressive newfound knowledge with family and friends this handbook will endow you with genuine cultural literacy in just a few hours of fun filled reading **Game of Chains** Nathan A Sowah,2019-08-19 As wisdom has it time on earth and tide in the ocean wait for no man It s also true that a journey of a thousand miles begins with a single step but a journey from here to hell and back may never be a pleasant story to tell Game of Chains is a true story told in support of besieged and struggling people worldwide it s also a story told to empower beleaguered and disadvantaged people around the world It is undeniable that rising from the plantations of slavery to the highest offices in the land is nothing short of a miracle Similarly rising from the homelands of Apartheid to the highest offices in the motherland is equally nothing short of a miracle Similarly rising from the concentration camps of Auschwitz back to the Promised Land is equally nothing short of a miracle Finally

rising from the obscurity of red Indians and chiefs to today's thriving Tribal Nations is surely nothing short of a miracle. But what is even more miraculous is that such shameful atrocities and such heinous crimes against humanity have all happened in human society. Nevertheless, such amazing triumphs of good over evil and such astounding achievements of repressed people around the world from the most humble beginnings in bondage to the highest levels of human dignity have also happened in human society. *Game of Chains* is a story of one race of people sent on a treacherous journey to hell and back and yet the essence of my story came to fulfillment right before our eyes in this generation of our lifetime. This is a story of the struggle for dignity among the various races, cultures, colors, and religions within the largest melting pot on earth. Find out how the new world became a multi-racial, multi-cultural, multi-colored, and multi-religious society even before the greatest Union was formed. This story also chronicles the reflections, recollections, lamentations, opinions, and beliefs of the author. Born and raised in the former Gold Coast colony, the author strikes an interesting similarity between himself and the father of the 44th President of the United States: each came to this country in pursuit of his dream of college education at least that's what they thought. Find out what happened in each of their separate lives in the melting pot. Get to the roots of the struggle, find out the origin of the struggle for freedom, justice, dignity, and equality in the melting pot. Find out how the stone that the builders rejected became the cornerstone on the land. Find out how the finest mansion and the greatest monument in the land, built by slave labor reserved only for nobility, became residence of descendants of the slaves who built it. Find out all about the messenger sent on a special mission from Africa. I grew up in the small canoe fishing town of Christiansborg, Osu, on the Atlantic coast of West Africa. As a child, I was fortunate enough to attend the schools that the early Missionaries built during the colonial era. Growing up under the giant shadow of the infamous Christiansborg Castle, I quickly learnt what many in our community already knew. It was common knowledge that our peaceful and picturesque seaside neighborhood was one of the most brutal slave trading centers in Africa, next only to the iniquitous Cape Coast Castle, few hundred miles west of my hometown, and the notorious Elmina Castle further to the west of my hometown. All three colossal castles still stand today on the sandy shores and salty waters of the Atlantic Ocean, each colonial castle acting as a giant window looking back in retrospect to the ills of the colonial era and the evils of the slavery era. Even to this very day, I decided to write this book and tell this story when this nation elected its first ever African American President in almost three centuries. To me, this is the greatest, most historically significant change that ever happened since the new world was discovered. I wrote this book solely in honor of the brave heroes and gallant legends of the Struggle from Slavery to Presidency and Leader of the free world. Thanks for checking out my story and may God bless.
