Enabling Lives:

Enabling Lives Brian T. McMahon, Linda R. Shaw, 2023-05-05 *Enabling Lives* provides a look at the disability civil rights movement through an intimate portrayal of the lives of several of its key leaders. Each of the chapters of this book is a separate authorized biography of such prominent figures as Frank Bowe, Tony Coelho, Justin Dart, Judy Heumann, Evan Kemp, and Harold Russell. *Enabling Lives* provides not only an accurate historical record of key moments in the development of civil rights for individuals with disabilities but also invites the reader to become acquainted with the individuals who helped to shape the movement and to view history in the making through the eyes of those who were helping to create it. Each of the book's subjects has provided countless hours of interviews, recollections, and war stories into the making of this important work, helping to create a legacy that hopefully will be carried on by the current and future leaders of the movement.

Being Heumann Judith Heumann, Kristen Joiner, 2020-02-25 Soon to be an Apple feature movie directed by CODA's Sian Heder and starring BAFTA nominated actress Ruth Madeley as Judy Heumann. This important book will help ensure that every person gets a chance to live up to their full potential and will always have a place at the table. Hillary Clinton: Her life story as an activist will enlighten readers everywhere. Gloria Steinem: Her fierce advocacy and work changing the laws around disability rights have undeniably paved the way for me to achieve what I have today. A must read. Ali Stroker: Tony Award winning actress. One of the most influential disability rights activists in US history tells her personal story of fighting for the right to receive an education, have a job, and just be human. A story of fighting to belong in a world that wasn't built for all of us, and of one woman's activism from the streets of Brooklyn and San Francisco to inside the halls of Washington. *Being Heumann* recounts Judy Heumann's lifelong battle to achieve respect, acceptance, and inclusion in society. Paralyzed from polio at eighteen months, Judy's struggle for equality began early in life. From fighting to attend grade school after being described as a fire hazard to later winning a lawsuit against the New York City school system for denying her a teacher's license because of her paralysis, Judy's actions set a precedent that fundamentally improved rights for disabled people. As a young woman, Judy rolled her wheelchair through the doors of the US Department of Health, Education, and Welfare in San Francisco as a leader of the Section 504 Sit-In, the longest takeover of a governmental building in US history. Working with a community of over 150 disabled activists and allies, Judy successfully pressured the Carter administration to implement protections for disabled people's rights, sparking a national movement and leading to the creation of the Americans with Disabilities Act. Candid, intimate, and irreverent, *Judy Heumann's* memoir about resistance to exclusion invites readers to imagine and make real a world in which we all belong.

[Making The Best Years of Our Lives](#) Alison Macor, 2022-06-07 2023 Wall Award Finalist. Theatre Library Association. How a Hollywood gem transformed the national discourse on post-traumatic stress disorder. Released in 1946, *The Best Years of Our Lives* became an immediate success. Life magazine called it the first big good movie of the post-war era to tackle the veterans problem. Today we call that problem PTSD, but in the initial

aftermath of World War II the modern language of war trauma did not exist The film earned the producer Samuel Goldwyn his only Best Picture Academy Award It offered the injured director William Wyler a triumphant postwar return to Hollywood And for Harold Russell a double amputee who costarred with Fredric March and Dana Andrews the film provided a surprising second act Award winning author Alison Macor illuminates the film s journey from script to screen and describes how this authentic motion picture moved audiences worldwide General Omar Bradley believed The Best Years of Our Lives would help the American people to build an even better democracy following the war and the movie inspired broad reflection on reintegrating the walking wounded But the film s nuanced critique of American ideals also made it a target and the picture and its creators were swept up in the anti Communist witch hunts of the late 1940s In this authoritative history Macor chronicles the making and meaning of a film that changed America
