Encanto New Poems:

Encanto Luisa A. Igloria, 1994 *Poems* Denis Florence MacCarthy, 1884 Babaylan Nick Carbo, Eileen Tabios, 2000
Publisher Fact Sheet The first anthology to bring together the work of Filipina women authors this collection explores
Filipina identity as a meeting place of Asian American cultures **Collected Poems** Federico García Lorca, 2002-08 Poems
by Modernist writer Federico García Lorca *Spanish Poetry of the Twentieth Century* Andrew Debicki, 2021-12-14
Twentieth century Spanish poetry has received comparatively little attention from critics writing in English Andrew Debicki
now presents the first English language history published in the United States to examine the sweep of modern Spanish
verse More important he is the first to situate Spanish poetry in the context of European modernity to trace its trajectory
from the symbolists to the postmodernists Avoiding the rigid generational schemes and catalogs of names found in traditional
Hispanic literary histories Debicki offers detailed discussions of salient books and texts to construct an original and
compelling view of his subject He demonstrates that contemporary Spanish verse is rooted in the modern tradition and
poetics that see the text as a unique embodiment of complex experiences He then traces the evolution of that tradition in the
early decades of the century and its gradual disintegration from the 1950s to the present as Spanish poetry came to reflect
features of the postmodern especially the poetics of text as process rather than as product By centering his study on major
periods and examining within each the work of poets of different ages Debicki develops novel perspectives The late 1960s
and early 1970s for example were not merely the setting for a new aestheticist generation but an era of exceptional creativity
in which both established and new writers engendered a profound intertextual and often self referential lyricism This book
will be essential reading for specialists in modern Spanish letters for advanced students and for readers interested in
comparative literature *Poems* Denis Florence MacCarthy, 2016-03-08 Denis Florence MacCarthy was an Irish poet
translator and biographer *Poems* Published in Dublin by M H Gill and Son in 1882 an extensive collection edited by the poet's
son His poems are distinguished by a sense of harmony and sympathy with natural beauty Such poems as *The Bridal of the
Year* *Summer Longings* alias *Waiting for the May* and his long narrative poem *The Voyage of St Brendan* are among his most
enduring works The last mentioned which paraphrases the Ave Maria Stella as the evening song of the sailors is also marked
by the earnest religious feeling which marked its author throughout life *Virginia Libraries*, 2006 Broken and Reset
Vincent Barrett Price, 2007 These poems reveal Price's healing from the crippling traps of childhood and the rejection of the
conformity required by modern American life *Revival: A History of Spanish Literature (1930)* Ernest Merimee, 2018-05-08
The present English version authorized by the publishers and heirs of M Merimee is based on the third French Edition New
material of two sorts has been added however First the translator has been allowed to utilize an annotated interleaved copy of
the *Precis* 1922 in which the author and after his death his son Henri himself a distinguished Hispanist had set down material
for the next revision This accounts for many inserted names and phrases and some paragraphs Second the translator has

rewritten and added with some freedom **Reaching Destination** Nerisa del Carmen Guevara,2004 *At Lagunitas* Peter Dechert,2007-11 In this first published collection Peter Dechert makes a statement that deserves and rewards study Composing his poems in many forms he matches form to content with unexpected and striking results His book is the essence of a lifetime of thought provoking productivity Although not widely known as a poet Dr Dechert served for several years as president of the then nascent New Mexico Poetry Society and some of his poems have been published over the years in magazines and anthologies Peter Dechert earned his doctorate in English Literature in 1955 and is probably best known for his five books and many articles on photographic subjects especially the historical development of varying makes of cameras For more than ten years he wrote monthly articles about cameras for Shutterbug Magazine Also an active professional photographer for many years he has been named an honorary life member of the American Society of Media Photographers
