Geanna Culbertson, 2018-06-01 Book by book the storyline is evolving I'm riveted to the mysteries it's slowly revealing It's simultaneously a world you want to live in but also one you really want to expose all the secrets of and those secrets go a long way down the rabbit hole There's no place like home And maybe that's a good thing Because the two homes I know my school and my castle in the kingdom of Midveil aren't what they used to be With my friends by my side and the aid of a new mentor for magic I thought I was ready to fight the antagonists who planned to take over the realm of Book and destroy all its protagonists Unfortunately the universe had other plans that I didn't see coming And that's saying a lot for a girl who can see the future On our quest to find the missing Fairy Godmother Paige Tomkins my friends and I would be transported to an array of magical lands From the horrors of Sleepy Hollow and shores of Neverland to the Wizard of Oz's front door we were in for one dangerous bizarre foe and setting after another And yet they would be no stranger than my own world Because thanks to a brewing common character rebellion in Book relentless magic hunters and the people I trusted most turning against me the world I once knew was a thing of fairytales past The Crisanta Knight Series Book 1 Protagonist Bound Book 2 The Severance Game Book 3 Inherent Fate Book 4 The Liar The Witch Book 5 to be released in April of 2019 To Death Back
