Enchanted Leaf:

Christopher Of The Lake Mike F Gombas Sr.,Mike Gombas Sr.,2004-12 Like a menacing shadow the Queens demonic hordes oozed over the land once the destruction of her brother s army left the countryside vulnerable to invasion As rumors of the decisive victory began to drift back from the battlefield the queen became more and more confident that her evil master would soon make her a goddess among men However when a late arriving courier brought tidings that the young prince had escaped the slaughter the unexpected and unwelcome news so angered her majesty that she sent the unfortunate messenger to the gallows Still she was certain that her isolated and unguarded brother could not long elude her vicious mercenary s vengeful grasp On a dark and bloody battlefield surrounded by his dead and dying army a solitary knight contemplated the fickle nature of faith His gloomy thoughts were interrupted by a ghostly voice that reminded him of his obligation to his fallen comrades and to his long suffering people Ashamed the knight swore an oath that he would avenge his loyal followers and lift his subjugated nation from under his evil sister s oppressive rule

save Earth and Neverland before it's too late **Delphi Complete Works of John Lyly (Illustrated)** John Lyly, 2025-02-22

The Elizabethan writer John Lyly is regarded as the first prose stylist to leave an enduring impression upon the English language. His prose romance concerning the misadventures of Euphues, regarded by some as the first novel of English literature, launched his literary career in 1580. Lyly's interest with the exact arrangement and selection of words, his frequent use of classical similes, and his artificial yet elegant prose established the euphuism style. In his work as a playwright, he contributed significantly to the development of prose dialogue in English drama. His comedies mark an advance upon those of his predecessors, with tales drawn from classical mythology complemented with witty dialogue and skillful plot development. This eBook presents Lyly's complete works with numerous illustrations, rare texts appearing in digital print for the first time, informative introductions, and the usual Delphi bonus material. Version 1. Beautifully illustrated with images relating to Lyly's life and works. Concise introductions to the major texts. All the plays with individual contents tables. The golden heart, and other fairy stories Violet Jacob, 2025-03-02

In *The Golden Heart and Other Fairy Stories*, Violet Jacob intricately weaves a tapestry of enchanting tales that explore timeless themes of love, sacrifice, and moral integrity. Written in a lyrical and evocative style, the collection draws on Jacob's affinity for rich descriptions and traditional narrative structures, taking readers on a journey through magical landscapes inhabited by ethereal beings and courageous protagonists. The stories reflect the literary context of early 20th-century fantasy literature, marked by a revival of folklore and fairy tale motifs, yet Jacob's unique perspective imbues them with a fresh sensibility that resonates with contemporary readers. Violet Jacob, a Scottish poet and novelist, emerged from the cultural heritage of her native Fife, where the oral tradition of storytelling deeply influenced her literary pursuits. Her insightful engagement with Scottish folklore, along with her keen understanding of human psychology, shaped her narratives. Jacob's work often reflects the complexities of the world around her, using fairy stories as a vehicle to address social issues and personal dilemmas relevant to her time, as well as to her own experiences as a woman writer. I wholeheartedly recommend *The Golden Heart and Other Fairy Stories* to readers.

who appreciate the intersection of fantasy and moral exploration Jacob s enchanting tales serve not only as delightful escapes into whimsical realms but also as profound reflections on the nature of humanity making this collection a treasure for both children and adults alike
