Enchanted Wanderer Selected Tales:

The Enchanted Wanderer Nikolai Semenovich Leskov, 2003 Written over the course of Leskov's career each story in *The Enchanted Wanderer* elucidates the very essence of the human condition themes of love despair loneliness and revenge are explored against the backdrop of nineteenth century working class Russia Leskov deftly layers social satire and subtle criticism atop myth and fable resulting in a richly entertaining collection

Encyclopedia of Literary Translation Into English: A-L O. Classe, 2000

Selected Writings: 1935-1938 Walter Benjamin, Howard Eiland, Gary Smith, 1996 This volume offers extensively annotated translations of essays that are key to Benjamin's rewriting of the story of modernism and modernity as well as a diary from 1938 and penetrating studies of Bertolt Brecht Franz Kafka and Eduard Fuchs

Realms of Exile Domnica Radulescu, 2002-01-01 *Realms of Exile* brings together authors writing on diverse themes of Eastern European exile The book defines the experiential and linguistic peculiarities of exiled people who share similar cultural geographical and mythological backgrounds and who have suffered under totalitarian rule The contributions discuss a variety of media from the soulful melodies of the Russian gypsies to the delicate sensuousness of Kieslowski's films as the authors treat some of the most crucial issues of our times such as political dissent and resistance the fractured self alienation and migr consciousness *Realms of Exile* is interdisciplinary and cross cultural scholarship at its best casting new light on the many nuances and variations of many of the cultures and ethnic groups of Eastern Europeans

The Enchanted Wanderer Nikolai Leskov, 2014-01-14 Nikolai Leskov's writing exploded the conventions of nineteenth century Russian fiction Here is the other Russia mythical and untamed an uneasy synthesis of Orthodoxy and Old Believers a land populated by soldiers and monks serfs and princes Tartars and gypsies a vast country brimming with the promise of magic These seventeen tales some rooted in the oral tradition others cast as sophisticated anecdotes are all told in the voices of storytellers addressing their audience allowing us as readers to join a group of listeners Innovative in form and rich in wordplay the narratives unfurl in startlingly modern ways The great gift of this new translation allows us to hear all the nuances of Leskov's brilliant language

Second Takes Andrew Repasky McElhinney, 2013-11-05 *Second Takes* presents the history of English language cinema by focusing on cinematic remakes and on how cinema has been replaced by new forms of media Remakes with their innate plurality offer the most substance for concentrated cultural analysis of how movies reflect and shape American culture Analyzing the archetypes that recur in this culture reveals how movies are an increasingly dangerous surrogate for the actual Close readings are presented of such works as popular favorites as Cronenberg's *Crash* Disney's *The Parent Trap* Ferrara's *Bad Lieutenant* Hitchcock's *Psycho* Kubrick's *A Clockwork Orange* Lynch's *Twin Peaks* the film and Welles' *The Magnificent Ambersons* while unearthing pictures ripe for rediscovery such as *One More Tomorrow* *Strange Illusion* and Andy Warhol's *Vinyl* Instructors considering this book for use in a course may request an examination

copy here The Landscape of Stalinism Evgeny Dobrenko, Eric Naiman, 2011-11-15 This wide ranging cultural history explores the expression of Bolshevik Party ideology through the lens of landscape or more broadly space Portrayed in visual images and words the landscape played a vital role in expressing and promoting ideology in the former Soviet Union during the Stalin years especially in the 1930s At the time the iconoclasm of the immediate postrevolutionary years had given way to nation building and a conscious attempt to create a new Soviet culture In painting architecture literature cinema and song images of landscape were enlisted to help mold the masses into joyful hardworking citizens of a state with a radiant utopian future all under the fatherly guidance of Joseph Stalin From backgrounds in history art history literary studies and philosophy the contributors show how Soviet space was sanctified coded and sold as an ideological product They explore the ways in which producers of various art forms used space to express what Katerina Clark calls a cartography of power an organization of the entire country into a hierarchy of spheres of relative sacredness with Moscow at the center The theme of center versus periphery figures prominently in many of the essays and the periphery is shown often to be paradoxically central Examining representations of space in objects as diverse as postage stamps a hikers magazine advertisements and the Soviet musical the authors show how cultural producers attempted to naturalize ideological space to make it an unquestioned part of the worldview Whether focusing on the new or the centuries old whether exploring a built cityscape a film documentary or the painting Stalin and Voroshilov in the Kremlin the authors offer a consistently fascinating journey through the landscape of the Soviet ideological imagination Not all features of Soviet space were entirely novel and several of the essayists assert continuities with the prerevolutionary past One example is the importance of the mother image in mass songs of the Stalin period another is the boundless longing inspired in the Russian character by the burden of living amid vast empty spaces But whether focusing on the new or the centuries old whether exploring a built cityscape a film documentary or the painting Stalin and Voroshilov in the Kremlin the authors offer a consistently fascinating journey through the landscape of the Soviet ideological imagination Between Two Fires Alaina Lemon, 2000-07-20 The gypsies of Russia and the part they have played in both Soviet and Post Soviet society **The British Library General Catalogue of Printed Books, 1986 to 1987** British Library, 1988 **Europe Central** William T.
