Silence Is Death Julija Sukys,2007-01-01 On May 26 1993 the Algerian novelist and poet Tahar Djaout was gunned down in an attack attributed to Islamist extremists An outspoken critic of the extremism roiling his nation Djaout in his death became a powerful symbol for the murder of Algerian culture as scores of journalists writers and scholars were targeted in a swelling wave of violence The author of twelve books of fiction and poetry Djaout was murdered at a critical point in his career just as his literary voice was maturing His death was a great loss not only for Algeria and for Francophone literature but also for world literature Rage at the news of his slaying was explosive but did nothing to quell the increasing bloodshed Silence Is Death considers the life and work of Djaout in light of his murder and his role in the conflict that raged between Islamist terrorist cells and Algeria s military regime in the 1990s The result is an innovative meditation on death authorship and the political role of intellectuals By collapsing the genres of history biography personal memoir fiction and cultural analysis Julija ukys investigates notions of authorial neutrality as well as the relationship between reader and writer in life and in death Her work offers a view of reading as an encounter across time and place and

opens the possibility of a relationship between different cultures under peaceful terms
