Encounter The King:

The Former Prophets Bob MacDonald, 2019-03-29 How will we begin the unfolding history of Israel after the giving of Torah We have heard the phrase the Law and the Prophets The Prophets are the second major division of the Hebrew Scriptures The prophets recount the history of Israel after the giving of the Law The first section of the prophets is the subject of four books Joshua Judges Samuel and Kings Each of Samuel and Kings is traditionally divided into two parts Here we read of the occupation of the Promised Land the early period of the Judges the call of Samuel prophet during the lives of Saul and David the sweet psalmist of Israel and we read of the progression of the kings of Israel from Solomon to the exile What a saga And all of it set to music in the very text itself The center between first and second Samuel contains the elegy of David over Saul and over Jonathan his son Its full sadness is to be known by hearing it recited with its music To read with the music is an unforgettable reading of the Hebrew Bible The Former Prophets is volume 2 of the series The Hebrew Bible and Its Music

The SimHebrew Bible Jonathan Orr-Stav, Bob MacDonald, 2021-10-25 The SimHebrew Bible makes reading searching and learning the Hebrew Bible much easier for non Hebrew readers SimHebrew is an exact simulation of the fully spelled Hebrew text of the Bible Readers of the Latin character set who are not versed in the square text will find both ease and pleasure in learning the Bible in its original tongue without any of the difficulties encountered when facing the traditional right to left text The technique gives a true insight into the linguistic features of the Hebrew in particular its economy of language wordplay repetition of the same word in different contexts and above all the root structure of its words This Bible also allows easy searching in both Hebrew and English including a full glossary and links to a corresponding online concordance The combination makes both the Hebrew language and the translation decisions in the English guide fully transparent

collection of sagas concerning the various rulers of Norway from about 850 to 1177 Beginning with the dim prehistory of the mythical gods and their descendants Heimskringla recounts the history of the kings of Norway through the reign of Olaf Haraldsson who became Norway's patron saint Once found in most homes and schools and still regarded as a national treasure Heimskringla influenced the thinking and literary style of Scandinavia over several centuries Snorri Sturluson speaks as almost no other historian ever has spoken with the authority of a man whose masterful skills would have made him one of the formidable foremost in any of the events he records So he saturates even remotely past happenings with a gripping first hand quality Hollander's translation is very good fresh on every page Wherever you open the book the life grips you and you read on Ted Hughes New York Review of Books Among the many contributions to world literature that ancient Iceland has given us Heimskringla stands out as one of the truly monumental works Among medieval European histories in the vernacular it has no equal Modern Philology The Collection of the History of England Samuel Daniel, 1634 Origins of the Dream W. Jason Miller, 2015-02-03 Since Martin Luther King Jr's I Have a Dream speech some scholars have privately suspected that King's dream was connected to Langston Hughes's poetry Drawing on archival materials including notes correspondence and marginalia W Jason Miller provides a completely original and compelling argument that Hughes's influence on King's rhetoric was in fact evident in more than just the one famous speech King's staff had been wiretapped by J Edgar Hoover and suffered accusations of communist influence so quoting or naming the leader of the Harlem Renaissance who had his own reputation as a communist would only have intensified the threats against the civil rights activist Thus the link was purposefully veiled through careful allusions in King's orations In Origins of the Dream Miller lifts that veil and shows how Hughes's revolutionary poetry became a measurable inflection in King's voice He contends that by employing Hughes's metaphors in his speeches King negotiated a political climate that sought to silence the poet's subversive voice By separating Hughes's identity from his poems King helped the nation unconsciously embrace the incendiary ideas behind his poetry *Respecting The Stand* Jenifer Paquette, 2014-01-10 Many academics dismiss Stephen King as a mere genre writer an over glorified bestseller who appeals to the masses but lacks literary merit This critical analysis of King's epic novel The Stand makes a case for the horror master as a literary writer A careful consideration of The Stand's abstract themes characters setting and text reveals how King's work brims with the literary techniques that critics expect of a serious writer and the haunting questions that mark enduring literature A thoughtful deliberation on so called escapist fiction in the world of literature as well as an informed examination of one of King's most famous books this work paves the way for future studies of other King novels **Altered Earth** David Caffee, 2011-08-09 A science fiction RPG compatible with the 4E rules Altered Earth is a role playing game of high energy battles and thrilling adventures set against an epic science fiction background The action takes place in a futuristic world filled with endless possibilities Any kind of adventure that you can imagine is waiting for you in a setting that is filled with dangerous wastelands high tech cities awesome war machines and
