**The Autobiography of Osugi Sakae** Sakae Osugi, 2023-04-28 In the Japanese labor movement of the early twentieth century no one captured the public imagination as vividly as Osugi Sakae 1885 1923 rebel anarchist and martyr Flamboyant in life dramatic in death Osugi came to be seen as a romantic hero fighting the oppressiveness of family and society Osugi helped to create this public persona when he published his autobiography *Jijoden* in 1921 22 Now available in English for the first time this work offers a rare glimpse into a Japanese boy's life at the time of the Sino Japanese 1894 95 and the Russo Japanese 1904 5 wars It reveals the innocent and not so innocent escapades of children in a provincial garrison town and the brutalizing effects of discipline in military preparatory schools Subsequent chapters follow Osugi to Tokyo where he discovers the excitement of radical thought and politics Byron Marshall rounds out this picture of the early Osugi with a translation of his *Prison Memoirs Gokuchuki* originally published in 1919 This essay one of the world's great pieces of prison writing describes in precise detail the daily lives of Japanese prisoners especially those incarcerated for political crimes This title is part of UC Press's *Voices Revived* program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 *Voices Revived* makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1993 In the Japanese labor movement of the early twentieth century no one captured the public imagination as vividly as Osugi Sakae 1885 1923 rebel anarchist and martyr Flamboyant in life dramatic in death Osugi came to be seen as a romantic hero

**Classical Telugu Poetry** V\_l\_c\_ru N\_r\_ya\_ar\_vu, Velcheru Narayana Rao, David Shulman, 2002 An amazing book There is nothing remotely like it anywhere in the world I am in awe at the skill with which the many different voices in this collection have been kept alive It is a terrific and stunningly interesting read Wendy Doniger author of *The Bedtrick Tales of Sex and Masquerade* This is a superb collection which presents to the English reading public for the first time a literature of great beauty and importance There is no similar or comparable anthology for any Indian language let alone Telugu All of the translations of the poems are exquisite and learned The introduction is both a much needed history of Telugu poetry and also a guide to the aesthetics of Telugu poetry and the art of reading it Phyllis Granoff translator of *The Journey Stories* by K C Das

**Musical Entanglements between Germany and East Asia** Joanne Miyang Cho, 2021-10-09 This edited volume explores musical encounters and entanglements between Germany and East Asian nations from 1900 to the present In so doing it speaks to their dynamic and multi faceted musical relations in multiple ways Despite East Asia and Germany being located at opposite ends of the globe German music has found remarkably fertile soil in East Asia East Asians have enthusiastically adopted it while at the same time adding their own musical interpretations These

musical encounters have produced compositions that reflect this mutual influence stimulating and enriching each other through their entanglement After more than a century of entanglement Germany and East Asia have become kindred musical spirits Library Journal ,1992-07 Kinship Novels of Early Modern Korea Ksenia Chizhova,2021-01-12 The lineage novel flourished in Korea from the late seventeenth to the early twentieth century These vast works unfold genealogically tracing the lives of several generations New storylines often written by different authors follow the lives of the descendants of the original protagonists offering encyclopedic accounts of domestic life cycles and relationships Elite women transcribed these texts which span tens and even hundreds of volumes in exquisite vernacular calligraphy and transmitted them through generations in their families In Kinship Novels of Early Modern Korea Ksenia Chizhova foregrounds lineage novels and the domestic world in which they were read to recast the social transformations of Chos n Korea and the development of early modern Korean literature She demonstrates women s centrality to the creation of elite vernacular Korean practices and argues that domestic focused genres such as lineage novels commemorative texts and family tales shed light on the emergence and perpetuation of patrilineal kinship structures The proliferation of kinship narratives in the Chos n period illuminates the changing affective contours of familial bonds and how the domestic space functioned as a site of their everyday experience Drawing on an archive of women centered elite vernacular texts Chizhova uncovers the structures of feelings and conceptions of selfhood beneath official genealogies and legal statutes revealing that kinship is as much a textual as a social practice Shedding new light on Korean literary history and questions of Korea s modernity this book also offers a broader lens on the global rise of the novel 한글서체 ,1995 **Modernities in Northeast Asia** Jun-Hyeok Kwak,Ken Cheng,2023-10-02 To form a truer portrait of Northeast Asian perspectives on modernity this book presents a broad range of analyses from philosophical and political philosophical scholars specializing in the region The book considers the encounter between Western modernity and Eastern tradition not as a simple clash of cultures but as a generative and hybridizing process of negotiation It examines the concrete manifestations of modernity in various intellectual and political movements that attempted to radically restructure Northeast Asian societies And through these situated perspectives it rethinks and redefines the idea of modernity itself challenging and presenting alternatives to Western centric thinking on the topic This book will be of particular interest to political philosophers political theorists comparative philosophers regional specialists in East Asia and all scholars grappling with the perplexities of global modernity *Voices from the Straw Mat* Chan E. Park,2003-02-28 From its humble straw mat origins to its paradoxical status as a national treasure p ansori has survived centuries of change and remains the primary source of Korean narrative and poetic consciousness In this innovative work Chan Park celebrates her subject not as a static phenomenon but a living organic tradition adapting to an ever shifting context Drawing on her extensive literary and performance backgrounds Park provides insights into the relationship between language and music singing and speaking and traditional and modern reception Her performance centered approach to p

ansori informs the discussion of a wide range of topics including the amalgamation of the dramatic the narrative and the poetic the invocation of traditional narrative in contemporary politics the vocal construction of gender and the politics of preservation

*The Oxford Handbook of Christianity in Asia* Felix Wilfred, 2014 Named by the International Bulletin of Missionary Studies as an Outstanding Book of 2014 for Mission Studies Despite the ongoing global expansion of Christianity there remains a lack of comprehensive scholarship on its development in Asia This volume fills the gap by exploring the world of Asian Christianity and its manifold expressions including worship theology spirituality inter religious relations interventions in society and mission The contributors from over twenty countries deconstruct many of the widespread misconceptions and interpretations of Christianity in Asia They analyze how the growth of Christian beliefs throughout the continent is linked with the socio political and cultural processes of colonization decolonization modernization democratization identity construction of social groups and various social movements With a particular focus on inter religious encounters and emerging theological and spiritual paradigms the volume provides alternative frames for understanding the phenomenon of conversion and studies how the scriptures of other religious traditions are used in the practice of Christianity within Asia

*Sex, Love and Feminism in the Asia Pacific* Chilla Bulbeck, 2008-10-27 This book explores feminism the women s movement and gender relations in the Asia Pacific region Through a comparative analysis of ten countries both Asian and Western it examines important issues such as attitudes towards feminism family relations sex and same sex sexual relations abortion rights nudity and pornography

**A History of Protestantism in Korea** Dae Young Ryu, 2022-03-01 This book provides a comprehensive overview of Protestant Christianity in Korea It outlines the development of Christianity in Korea before Protestantism considers the introduction of Protestantism in the late nineteenth century and its widening and profound impact and goes on to discuss the situation up to the present Throughout the book emphasises the importance of Protestantism for Korean national life highlights the key role Protestantism has played in Korea s social political and cultural development including in North Korea whose first leader Kim Il Sung was the son of devout Protestant parents and demonstrates how Protestantism continues to be a vital force for Korean society overall

**Christianity and the Modern Woman in East Asia** Garrett L. Washington, 2018-09-04 This edited volume explores the complex roles that Christian ideas and institutions played in the construction of modern womanhood in East Asia While contributing to gender dynamics that disprivileged women in China Japan and Korea Christianity was also instrumental in women s efforts to empower themselves

and participate in the public sphere Many literate East Asian women mobilized Christian beliefs knowledge institutions and networks to raise the profile of The Woman Question frame the contours of the related debate and craft original responses These chapters examine East Asian women who were markedly influenced by Christianity as students trainees educators professionals and activists Using their increased visibility and resources they addressed the dilemmas and promises of modernity for women in their countries **Journal of Literature and Aesthetics** ,2002 Khosana ,1998 **The Concise Garland Encyclopedia of World Music: The Middle East, South Asia, East Asia, Southeast Asia** Ellen Koskoff,2008 The critical importance of past for the present of music histories in local and global forms asserts itself The history of world music as each chapter makes clear is one of critical moments and paradigm shifts *Ordinary Oralities* Josephine Hoegaerts,Janice Schroeder,2023-08-07 Histories of voice are often written as accounts of greatness great statesmen notable rebels grands discours and famous exceptional speakers and singers populate our shelves This focus on the great and exceptional has not only led to disproportionate attention to a small subset of historical actors powerful white western men and the occasional token woman but also obscures the broad range of vocal practices that have informed co created and given meaning to human lives and interactions in the past For most historical actors life did not consist of grand public speeches but of private conversations intimate whispers hot gossip or interminable quarrels This volume suggests an extended practice of eavesdropping rather than listening out for exceptional voices it listens in on the more mundane aspects of vocality including speech and song but also less formalized shouts hisses noises and silences Ranging from the Scottish highlands to China from the bedroom to the platform and from the 18th until the 20th century contributions to this volume seek out spaces and moments that have been documented idiosyncratically or with difficulty and where the voice and its sounds can be of particular salience In doing so the volume argues for a heightened attention to who speaks and whose voices resound in history but refuses to take the modern equation between speech and presence representation for granted
