**An Introduction to Jewish-Christian Relations** Edward Kessler, 2010-02-18 Relations between Christians and Jews over the past two thousand years have been characterised to a great extent by mutual distrust and by Christian discrimination and violence against Jews In recent decades however a new spirit of dialogue has been emerging beginning with an awakening among Christians of the Jewish origins of Christianity and encouraging scholars of both traditions to work together An Introduction to Jewish Christian Relations sheds fresh light on this ongoing interfaith encounter exploring key writings and themes in Jewish Christian history from the Jewish context of the New Testament to major events of modern times including the rise of ecumenism the horrors of the Holocaust and the creation of the state of Israel This accessible theological and historical study also touches on numerous related areas such as Jewish and interfaith studies philosophy sociology cultural studies international relations and the political sciences

**The Readers Guide to Judaism and Jewish Studies** Sarah Imhoff, 2013

**The First Christian** Paul F. M. Zahl, 2003 In this book Paul Zahl seeks a broader understanding of the life and teachings of Jesus What was it within his message that burst his first century Jewish context What was creative fresh and universal about his message What did Jesus maintain within his own setting and period that is still true and applicable today In pursuing these questions Zahl swims against the current of modern scholarship arguing that Jesus was more Christian than Jewish Jesus teaching concerning the kingdom of God is replete with Christian perspectives on human nature and salvation and his insights into original sin and grace are closer to core Christianity than much recent literature acknowledges Drawing from both Jewish and Christian thinkers Zahl shows Jesus to be a saving figure a christological figure even a radically Protestant figure Zahl also brings his fresh perspective into present day focus by showing how Jesus dynamic teachings still have worldwide impact Zahl writes both as a highly trained theologian and as a pastor who recognizes that scholarship stands in the service of discipleship In The First Christian he renders the contemporary quest for the historical Jesus not only accessible but also relevant to the life of faith Students of the Bible and general readers alike will be enriched by his compelling portrait of a Christian universal Jesus

**Jesus, an Emerging Jewish Mosaic** Daniel F. Moore, 2011-11-03 Since Martin Buber in Two Types of Faith acknowledged Jesus as his great brother other Jewish writers have sought to ascertain a place for Jesus within the larger context of Jewish history In the aftermath of the Shoah specifically in the afflicted consciousness of humanity Jew and Christian alike began to ask how this tragedy could have happened especially among and against people of faith In an effort to assure that such a tragedy never happens again the focus of some fell upon Jesus previously the obstacle to reconciliation but now perceived as the obvious and most viable bridge to span the chasm and assuage the wound of anti Jewish and anti Christian sentiments Still others chose to join and expand the academic quest for the historical Jesus adding

Jewish voices to the effort to explore more rigorously and objectively the figure of Jesus in historical writing In this unique and illuminating volume Father Daniel F Moore presents the historical identity of Jesus through lens of such Jewish scholars as Schalom Ben Chorin David Flusser Geza Vermes and Jacob Neuser A useful book for those interesting in ecumenical discourse and Jesus studies

**Catholics and Jews in Twentieth-century America** Egal Feldman,2001 This book recounts the transformation of a relationship of irreconcilable enmity to one of respectful coexistence and constructive dialogue From the Inquisition to the Passion Play at Oberammergau the Catholic Church for centuries perpetuated a theology of contempt that reinforced antipathy between the two faiths Focusing primarily on the Catholic doctrinal view of the Jews and its ramifications Egal Feldman traces the historical roots of antisemitism examining tenacious Catholic beliefs such as displacement theology deicide and the conviction that the Jews purported responsibility for the Crucifixion justified all their subsequent misery and vilification A new era of Catholic Jewish relations opened in 1962 with Vatican II s Nostra Aetate No 4 This document brought about a reversal of the theology of contempt a de emphasis on converting Jews to Christianity and a determination to initiate constructive dialogue between Catholics and Jews Feldman explores the strides made in improving relations and discusses recent disputes including the erection of a convent near Auschwitz and the proposed canonization of the wartime pope Pius XII that reflect the fragility of the interfaith relationship This book underscores the magnitude of the change in Catholic thinking about Jews since Vatican II and the courage of thinkers and leaders on both sides in forging new bonds across the lines of faith

**"Good News" After Auschwitz?** Carol Rittner,John K. Roth,2001 Many argue that Christians must address their own culpability in the destruction of Europe s Jewry If post Holocaust Christians only lament Christianity s sin the tradition will be ultimately left with little to say and no credibility Post Holocaust Christians must emphasize positive differences that Christianity can make including Repentant honesty about Christianity s anti Jewish history New appreciation for the Jewish origins of Christianity the Jewish identity of Jesus and the continuing vitality of the Jewish people and their traditions Welcome liberation from liturgies and biblical interpretations that promote harmful Christian exclusivism

**Encountering Jesus** Cornelis Bennema,2014 Applying a comprehensive theory of character to the Gospel of John Cornelis Bennema provides a fresh analysis of the characters and their responses to Jesus While the majority of scholars view most Johannine characters as flat Bennema demonstrates that many are complex developing and round Johns broad array of characters correspond to people and their choices in real life in any culture and time This book highlights how Johns Gospel seeks to challenge its readers about where they stand in relation to Jesus

to become a major resource for anyone interested in questions of Catholicism the Holocaust and World War II      **Our Father Abraham** Marvin R. Wilson, 2021-06-29 Although the roots of Christianity run deep into Hebrew soil many Christians remain regrettably uninformed about the rich Jewish heritage of the church Our Father Abraham delineates the vital link between Judaism and Christianity exemplified by the common ancestry of the two faiths traceable back to Abraham Marvin Wilson calls Christians to reexamine their Semitic heritage to regain a more authentically biblical understanding of what they believe and practice Wilson a trusted voice among both Jews and Christians speaks to both past and present first developing a historical perspective on the Jewish origins of the church and then discussing how the church can become more attuned to the Hebraic mindset of Scripture Drawing from his own extensive experience he also offers valuable practical guidance for salutary interaction between Christians and Jews Discussion questions at the end of each chapter make this book especially suitable for use in groups Christian Jewish or interfaith as readers strive to make sense of their own faith in connection with the other The second edition of Our Father Abraham features a new preface an expanded bibliography of recent relevant works and two new chapters one that discusses Jewish Christian relations after the Holocaust and another that reflects on Wilson's own fifty plus year career as an evangelical Christian deeply committed to interfaith dialogue As Christians and Jews feel a growing need for mutual support in an increasingly secular Western world Wilson's widely acclaimed book will offer encouragement and wise guidance toward this worthy end      *Matzah Balls to Communion Wafers* Gail Baker, 2019-07-29 When Baker yearns for something more she discovers that the Christian message answers the deep yearning within each of us to resolve human suffering Baker's conversion is not a blinding light epiphany but a process spanning years of agonizing conflict echoing twenty centuries of misunderstanding between Christians and Jews Living in the same city as her chagrined parents she is forced to process difficulties related to family dynamics group loyalty and identity politics Readers will be emboldened by Baker's decision to follow Christ at the risk of rupturing ties with family and community Her book will appeal to all who seek God's guidance in making difficult life decisions This book is a must read for Christians who wish to engage with their Jewish friends The Jewish mindset is tenderly revealed showing why so many Jews bristle at the mere mention of Jesus      **Nothingness: Tadao Ando's Christian Sacred Space** Jin Baek, 2009-06-12 Based around an interview with Tadao Ando this book explores the influence of the Buddhist concept of nothingness on Ando's Christian architecture and sheds new light on the cultural significance of the buildings of one of the world's leading contemporary architects Specifically this book situates Ando's churches particularly his world renowned Church of the Light 1989 within the legacy of nothingness expounded by Kitaro Nishida 1870 1945 the father of the Kyoto Philosophical School Linking Ando's Christian architecture with a philosophy originating in Mahayana Buddhism illuminates the relationship between the two religious systems as well as tying Ando's architecture to the influence of Nishida on post war Japanese art and culture      *Dramatic Encounters in the Bible* M. E. Andrew, 2013-07-31 This book began when the author realised that when people said they were

fascinated by particular biblical passages they were usually ones that presented dramatic encounters between people and between God and people Such are the passages interpreted in this book They usually set a vivid scene that heightens the dramatic nature of the encounter and animated dialogue often directly addresses the reader There is also animated action that is vividly striking and often sudden and unexpected These features involve the readers themselves and may question them about what they expect Indeed the dramatic encounters provocatively lead to unexpected new life in the future

*Encountering Silencing* Michael B Buchholz,Aleksandar Dimitrijevic,2024-04-18 Editors Michael B Buchholz and Aleksandar Dimitrijevic are joined by Ana Altaras Dimitrijevic Uta Blohm Roger Frie Stephen Frosh Babette Gekeler Gail A Hornstein and Hans Christoph Ramm to share their knowledge research and experience on these dark issues Encountering Silencing is an invitation to closely observe the very practices and processes of silencing used by perpetrators of abuse and totalitarian institutions alike A carefully selected group of contributors reveal the dark side of communication that silences victims witnesses and perpetrators women religious heretics gifted children victims of racism psychoanalytic dissidents and psychiatric patients individuals and groups total strangers and one s family members as well as one own self All of these forms of silencing are analysed with the help of literature historiography interviewing archival research and psychoanalytic and family therapy This book helps us to face the seemingly inevitable conclusion that silencing is everywhere in our individual and social lives and that it is the silencing of trauma that leads to mental disorders more than trauma itself The hope is that by opening up these topics in a considered containing and thoughtful way the underlying mechanisms of trauma related disorders will be better understood and help victims to overcome them Encountering Silencing is the first in a series of three books on this vital but overlooked subject *Earthing the Cosmic Christ of Ephesians, Volume 1* John P.

Keenan,2021-07-28 This is the introductory volume of a multivolume verse by verse interfaith rereading of the New Testament letter to the Ephesians It looks to the Tiantai Buddhist master Zhiyi and his threefold truth to enhance our appreciation of nascent trinitarian themes in Ephesians And it draws upon a broad array of scientific theological and philosophical thinkers in aid of rejecting the epistle s ancient geocentric cosmology and its accommodations to the misogynistic patriarchal and slaveholding norms of its first century surroundings As a whole the work constitutes a twenty first century apologetic for doctrinal humility and for theologizing within a global theological commons *A Jewish Trinity*

Alan Brill,2025 In *A Jewish Trinity* Alan Brill offers a Jewish understanding of six topics often discussed in contemporary Christian theology Trinity original sin incarnation salvation messianism and covenant Brill shows that contemporary Christian theology allows for greater commonality while remaining aware of differences *Religious Polemics and Encounters in Late Antiquity*,2021-10-18 Religious Polemics and Encounters in Late Antiquity Boundaries Conversions and Persuasion explores the intricate identity formation and negotiations of early encounters of the Abrahamic religions Judaism Christianity and Islam It explores the ever pressing challenges arising from polemical inter religious encounters by analyzing

the dynamics of apologetic debate the negotiation and formation of boundaries of belonging and the argumentative thrust for persuasion and conversion as well as the outcomes of these various encounters including the articulation of novel ideas The Late Antique authors studied in the present volume represent a variety of voices from North Africa passing through Rome to Palestine Together these voices of the past offer invaluable insight to shape the present times in hope for a better future

**Interreligious Encounters in Polemics between Christians, Jews, and Muslims in Iberia and Beyond**, 2019-06-24 This book discusses the long fifteenth century in Iberian history between the 1391 pogroms and the forced conversions of Aragonese Muslims in 1526 a period characterized by persecutions conversions and social violence on the one hand and cultural exchange on the other It was a historical moment of unstable religious ideas and identities before the rigid turn taken by Spanish Catholicism by the middle of the sixteenth century a period in which the physical and symbolic borders separating the three religions were transformed and redefined but still remained extraordinarily porous The collection argues that the aggressive tone of many polemical texts has until now blinded historiography to the interconnected nature of social and cultural intimacy above all in dialogue and cultural transfer in later medieval Iberia Contributors are Ana Echevarra a Gad Freudenthal Mercedes Garc a Arenal Maria Laura Giordano Yonatan Glazer Eytan Eleazar Gutwirth Felipe Pereda Rosa M Rodr uez Porto Katarzyna K Starczewska John Tolan Gerard Wiegers and Yosi Yisraeli
