series make up the complete Encounters With Jesus Unexpected Answers to Life's Biggest Questions **Encounters with Jesus** William T. Chance, 2015-11-19 Jesus is by far the most influential human to ever walk the earth. He was and still is a polarizing figure with people either praising or excoriating him. As fully God and fully man, Jesus had a unique perspective on life that was usually at odds with the thinking of most people. Therefore, the results of an encounter with Jesus were often unpredictable. In *Encounters with Jesus*, the effects of Jesus on the lives of twenty-six people in the New Testament are examined. Each chapter begins with a soliloquy of the person's thoughts prior to and after meeting Jesus. Following the soliloquy, there is a discussion of the experience based on relevant New Testament Scriptures. Questions are located at the end of each chapter to aid the reader or class to make appropriate applications to their lives. *Encounters with Jesus* is a useful book for personal Bible study that is also appropriate for class or small group settings. In each of these situations, the readers will discover how Jesus has affected their lives as they come to appreciate a better way of being human. **Encounters with Jesus** Richard D. Phillips, 2002 The woman at the well The scholar The tax collector The young children The governor The thief on the cross People who came face to face with the Lord Jesus What was it like to see and speak with Jesus during his days on earth The thirteen encounters described in this book cast bright light on how Jesus treated people then and how he relates to us today. As we watch him in action, we also learn how to interact with others around us, whether young or old, male or female, rich or poor, believers or unbelievers. Book jacket **Close Encounters With Jesus** Bill Nichols, 2018-08-27 Can you imagine what it must be like to stand in the presence of God? The Gospels give us stories of that very thing. All through the Gospels, people found themselves face to face with God in the form of Jesus Christ. As the encounters developed, the people found themselves confronted with their needs and desires. Jesus was ready to do something about their needs. He was not only ready, but he had the authority and power. Lives were changed by these encounters with Jesus. The people who encountered Jesus were asked to believe and let their lives be changed. Not all did that. As we read the stories of encounters with Jesus, we may find our own stories in there somewhere. As Jesus moved through the days of his ministry, the blind were able to see. The lame were able to walk. People gave up their old ways for new life. The hungry ate. People who were dead were given life. As we read these stories, we can ask ourselves a question: Does Jesus still do these things? It is up to you to read about the encounters and decide for yourselves. **Encounters with Jesus by the Water** Candy Porostosky, 2019-08-22 After leading a Bible study one summer on the shores of Lake Erie about the events that occurred when Jesus was by water, Candy Porostosky decided to share her teachings, notes, and lessons so that others may also have the opportunity to purify, heal, and give life to their souls. Within a unique collection of encounters with Jesus by the water, tailored for either Bible study groups or as a personal devotional, Porostosky intertwines scriptures with personal observations based on years of Bible study and prayer. She invites spiritual seekers to spend time reflecting on God's Word and in prayer in order to understand what the Holy Spirit is saying to each of us. Her encounters include the baptism of Jesus, the calling of the

disciples the woman at the well the parables and lessons in the storm and by the sea of Tiberius Encounters with Jesus by the Water is a refreshing Bible study that shares scriptures and personal observations that encourage believers to grow in their faith either individually or together with a group **Supernatural Encounters With Jesus** Janet Melwani,2018-09-03 This book contains many supernatural encounters I have had with the Lord over the past years I have seen the Lord sat and spoken with Him received impartations from Him visited Heaven and have been blessed to have many other encounters that you will read in this book You too can have encounters with the Lord if you apply the principles taught in this book In Acts 2 17 God has promised us that He will pour out His Spirit upon ALL flesh As you read this book my prayer is that you too will have encounters with our Lord Jesus Christ In 2017 the Lord personally spoke to me about writing a book about my divine encounters with Him He wanted the readers to also be encouraged about having divine encounters with Him As you take this journey with me my prayer is that your life will be forever transformed and you will walk in God s perfect will for your life
