

**José María Arguedas: El encuentro de dos mundos
Y la expresión literaria arguediana**

Alvarez Ushiñahua Lesly Ariana

Por qué solo concentrarse en un pueblo y lo que hace ver bien a un país, la palabra indígena tendría que significar mucho en un país lleno de personas que discriminan a otras por sus rasgos físicos, esto hace que las miles de culturas en el Perú se pierdan ya que solo dan a conocer las más importantes al mundo y que pasa con el resto simplemente se esfuma y se pierde. Cuando alguien trata de opinar acerca de algo está bien pero que pasa con los indígenas que la mayoría de veces rechazamos su opinión ya que en tiempo pasados su opinión no valía nada ya que la mayoría era esclavizada. José María Arguedas da a conocer que tan difícil fue vivir en aquella época, como el dinero y la posición es lo que más valía ya que sin dinero no eras nada. José María Arguedas se dedicó a lo largo de su vida a reivindicar la cultura indígena a través de sus libros como se mencionó, siempre la amo y la menciona. Todo lo que él quiso llegar a dar a conocer es que por que debemos desmeritar algo sin ni siquiera conocerlo el dicho **NO JUZGUEZ A UN LIBRO POR SU PORTADA** si tan solo escucháramos esta frase y nos pondríamos a meditar que es lo que se refiere. No podemos ir por ahí insultado a todos y diciéndole indio a quien sea solo porque no conoce lo que mismo que nosotros. Pensar que la discriminación en aquellas épocas fue peor porque los humillaban, pero porque esto tiene que seguir hoy en día. José María Arguedas menciona el maltratado de la mejor manera posible para tratar de vivir esos momentos que muchos pasaron, su meta era cambiar el trato y el país un conjunto que conllevaba a una nueva vida, la mayoría de sus obras relata eso la vida, sufriendo desigualdad, sobre todo esa palabra desigualdad. Que hasta ahora sigue vigente porque muchos no comprenden lo que es el respeto hacia otros literalmente el país está dividido en muchas personas que no conocen lo que es el buen trato y esto se debe a la educación en casa y venía a través de los adultos y así pasándola de generación y generación enseñándoles hacer personas tontas e ignorantes. El los admiraba mucho por su fortaleza y su valentía de seguir adelante a pesar de las muchas dificultades que tenían para sobrevivir cada día. Ellos solos se tenían que adecuar a su realidad ya que es la vida que les toco. José María Arguedas Se dio cuenta lo que es vivir entre dos mundos uno más cruel que el otro. El experimento la cultura de ellos desarrollo dos cultural diferentes: La cultura quechua y la occidental europea. Quería dar un mensaje de unión ya que es como una guerra sin solucionar, se dedicó a escribir lo que aprendió y crear una historia de vida en los libros una de ellas los Ríos profundos.

Se menciona que él se quedó huérfano de madre y su padre se volvió a casar con alguien que lo trataba como sirviente y lo obligaba a estar con los indios es ahí cuando él se enamora de este idioma y cultura como el quechua es tan
