Where Do Nudists Keep Their Hankies? Mitchell Symons,2021-01-07 My friends have often had cause to remark I lack both the tact and the embarrassment genes and so am totally uninhibited about asking incredibly personal questions I m driven by two specific things a very low threshold of boredom on the one hand and almost insatiable curiosity on the other It s a toxic mix that sometimes makes my wife wince with embarrassment and occasionally loses us friends but at long last I can put it to some practical use So here are a hundred or so questions of a sexual orientation breezy not sleazy entertaining not titillating if any bloke reading this gets a hard on then I will have failed if on the other hand any woman any extremely cute woman finds herself getting incredibly aroused by something I ve written then my email address can be found at the back of the book I am of course happily married and totally monogamous but hey everything s negotiable      Allen's Dictionary of English Phrases Robert Allen,2008-08-07 Allen s Dictionary of English Phrases is the most comprehensive survey of this area of the English language ever undertaken Taking over 6000 phrases it explains their meaning explores their development and gives citations that range from the Venerable Bede to Will Self Crisply and wittily written the book is packed with memorable and surprising detail whether showing that salad days comes from Antony and Cleopatra that flavour of the month originates in 1940s American ice cream marketing or even that we ve been calling a spade a spade since the sixteenth century Allen s Dictionary of English Phrases is part of the Penguin Reference Library and draws on over 70 years of experience in bringing reliable useful and clear information to millions of readers around the world making knowledge everybody s property
