Encyclopedia Of American Cut And Engraved Glassrealistic Patterns:

Encyclopedia of American Cut and Engraved Glass, 1880-1917: Realistic patterns J. Michael Pearson,1975

Glass A to Z David J. Shotwell,2002 Where did Depression glass originate When did Fenton start making glass The answers to these and many more questions are found here This handy and easy to use new collector s resource of definitions and descriptions for glass terms styles patterns and manufacturers will be referred to time and time again More than 400 photographs and line drawings are included to illustrate significant shapes patterns and makers marks Everything from Depression to Pattern glass and Fenton to Tiffany is covered Includes dozens of manufacturers marks to aid in identification Features more than 400 photographs and line drawings to illustrate significant shapes patterns and makers marks Provides valuable historical information on popular glass manufacturers An invaluable resource for collectors dealers and appraisers

American Decorative Arts and Old World Influences David M. Sokol,1980

Encyclopedia of American Cut and Engraved Glass Albert Christian Revi,2000 Elegant and utilitarian glasswares have been made for over thirty centuries The manufacture of cut glass in America stems from a history that reaches back to ancient Egypt while engraved glass was known in classical Rome In this excellent new edition of a classic work the author traces the American phases of this fascinating history by describing the products of major and minor manufacturers See the American industry evolve from its early days of imitative work through highly imaginative products in the late nineteenth and early twentieth centuries to a declining mediocrity in the 1920s and 30s This book has been established as the bible in this field and the addition of 150 new photos and fully updated text and pricing information make this edition the best yet Glass collectors will treasure this unequalled reference

Glassware 3rd Ed House of Collectibles,1986-07-12 Beautiful color photographs illustrate such types as art Carnival cut Depression and pattern glass black and white illustrations portray thousands more Manufacturers marks aid the collector in identifying pieces Contains a glossary and a list of museums and libraries

The Rich Cut Glass of Charles Guernsey Tuthill Maurice Crofford,2001 In this detailed narrative of the business Tuthill founded the patterns he created the techniques he used and the other artisans and consumers he knew Maurice Crofford has written the story of an earlier more elegant and leisurely era For those knowledgeable about cut glass the development of the forms will be instructive for others who simply appreciate the beauty of the glass the numerous black and white photographs will appeal Beyond both of those dimensions however Crofford provides a fascinating insight into the ways industrialization and mass production and more especially the automobile changed forever the ways upper class Americans lived entertained and displayed their good fortune In Tuthill s career moreover Crofford finds an example of American ingenuity and creative genius in responding to changing times
