Encyclopedia Of American Humorists:

Encyclopedia of American Humorists Steven H. Gale, 2016-04-14 First published in 1988 this book contains entries on famous American Humorists Humor has been present in American literature from the beginning and has developed characteristics that reflect the American character both regional and national Although American literature was in the past treated as inferior to British literature there has always been a large popular audience for the genre which this book shows The figures with entries in this encyclopedia not only amuse in their writing but also aim to enlighten setting out to expose the foibles and foolishness of society and the individuals who compose it It is the manner in which these authors try to accomplish this end that determines whether they appear in the volume Indeed the book will demonstrate that the best humor has at its base a ready understanding of human nature American Humorists Thorp, American Humorists American Writers 42 was first published in 1964 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions **United States History** James Warren Oberly, 1995 Transgressive Humor of American Women Writers Sabrina Fuchs Abrams, 2017-11-09 This collection is the first to focus on the transgressive and transformative power of American female humorists It explores the work of authors and comedienues such as Carolyn Wells Lucille Clifton Mary McCarthy Lynne Tillman Constance Rourke Roz Chast Amy Schumer and Samantha Bee and the ways in which their humor challenges gendered norms and assumptions through the use of irony satire parody and wit The chapters draw from the experiences of women from a variety of racial class and gender identities and encompass a variety of genres and comedic forms including poetry fiction prose autobiography graphic memoir comedic performance and new media Transgressive Humor of American Women Writers will appeal to a general educated readership as well as to those interested in women s and gender studies humor studies urban studies American literature and cultural studies and media studies *The Enduring Legacy of Old Southwest Humor* Edward Piacentino, 2006-02-01 The Old Southwest flourished between 1830 and 1860 but its brand of humor lives on in the writings of Mark Twain the novels of William Faulkner the television series *The Beverly Hillbillies* the material of comedian Jeff Foxworthy and even cyberspace where nonsoutherners can come up to speed on subjects like hickphonics The first book on its subject *The Enduring Legacy of Old Southwest Humor* engages topics ranging from folklore to feminism to the Internet as it pays tribute to a distinctly American comic style that has continued to reinvent itself The book begins by examining frontier southern humor as manifested in works of Faulkner Erskine Caldwell Flannery O Connor Eudora Welty Woody Guthrie Harry Crews William Price Fox Fred Chappell Barry Hannah Cormac McCarthy and African American writers Zora Neale Hurston Ralph Ellison Alice Walker Ishmael Reed and Yusef Komunyakaa It then explores southwestern humor s legacy in popular culture including comic strips comedians and sitcoms and on the Internet Many of the trademark themes of modern and contemporary southern wit appeared in stories that circulated in the antebellum

Southwest Often taking the form of tall tales those stories have served and continue to serve as rich reusable material for southern writers and entertainers in the twentieth century and beyond The Enduring Legacy of Old Southwest Humor is an innovative collaboration that delves into jokes about hunting drinking boasting and gambling as it studies among other things the styles of comedians Andy Griffith Dave Gardner and Justin Wilson It gives splendid demonstration that through the centuries southern humor has continued to be a powerful tool for disarming hypocrites and opening up sensitive issues for discussion American Political Humor Jody C. Baumgartner, 2019-10-07 This two volume set surveys the profound impact

of political humor and satire on American culture and politics over the years paying special attention to the explosion of political humor in today's wide ranging and turbulent media environment Historically there has been a tendency to regard political satire and humor as a sideshow to the wider world of American politics entertaining and sometimes insightful but ultimately only of modest interest to students and others surveying the trajectory of American politics and culture This set documents just how mistaken that assumption is By examining political humor and satire throughout US history these volumes not only illustrate how expressions of political satire and humor reflect changes in American attitudes about presidents parties and issues but also how satirists comedians cartoonists and filmmakers have helped to shape popular attitudes about landmark historical events major American institutions and movements and the nation's political leaders and cultural giants Finally this work examines how today's brand of political humor may be more influential than ever before in shaping American attitudes about the nation in which we live **Humor of the Old Southwest** Hennig Cohen, William B. Dillingham, 1994 One of the most entertaining genres of American literature is the bold masculine wildly exaggerated and highly imaginative frontier humor of the Old Southwest produced between 1835 and 1861 in an area that extended from Virginia the Carolinas and Georgia westward to Louisiana Arkansas Missouri and Texas Hennig Cohen and William B. Dillingham have tapped the wealth of this region to produce a collection that over the last three decades has become the standard anthology of Old Southwestern humor This new extensively revised edition includes an expanded introduction a dozen replacement sections an updated bibliography and works by three new writers Phillip B. January Matthew C. Field and John Gorman Barr Most generously represented are George Washington Harris Augustus Baldwin Longstreet Johnson Jones Hooper and Thomas Bangs Thorpe Selections from twenty-five authors are featured along with brief biographical essays that combine historical and political analysis with perceptive literary criticism These selections document important facets of antebellum American culture and provide the background of the literary achievement of Mark Twain and William Faulkner

The Female Trickster Ricki Stefanie Tannen, 2014-02-25 The Female Trickster presents a Post Jungian postmodern perspective regarding the role of women in contemporary Western society by investigating the re-emergence of female trickster energy in all aspects of popular culture Ricki Tannen explores the psychological aspects of what happened when women's imagination was legally and psychologically enclosed millennia ago and demonstrates how the re-emergence of

Trickster energy through the female imagination has the radical potential to effect a transformation of western consciousness. Examples are drawn from a diverse range of sources from Jane Austen and female sleuth narratives to Madonna and Sex and the City illustrating how Trickster energy is used not to maintain power and control but to integrate and unite the paradoxical through humour. Subjects covered include imagination and metaphor the traditional trickster law and the imagination humour Eros using logos the postmodern female trickster. This highly original perspective on women's role in contemporary culture will offer readers a new vision of how humour psychologically operates as a healthy adaptation to trauma and adversity. It will be of great interest to all analytical psychologists and psychoanalysts as well as those in women's cultural legal and literary studies.

A Reference Guide for English Studies Michael J. Marcuse, 1990-01-01. This ambitious undertaking is designed to acquaint students teachers and researchers with reference sources in any branch of English studies which Marcuse defines as all those subjects and lines of critical and scholarly inquiry presently pursued by members of university departments of English language and literature. Within each of 24 major sections Marcuse lists and annotates bibliographies guides reviews of research encyclopedias dictionaries journals and reference histories. The annotations and various indexes are models of clarity and usefulness and cross references are liberally supplied where appropriate. Although cost conscious librarians will probably consider the several other excellent literary bibliographies in print such as James L. Harner's *Literary Research Guide* Modern Language Assn of America 1989 larger academic libraries will want Marcuse's volume. Jack Bales Mary Washington Coll Lib Fredericksburg Va Library Journal *Book Review Digest*, 1923. *Biographical Sketches of Cartoonists & Illustrators in the Swann Collection of the Library of Congress* Sara Duke, 2014-01-31. Inside this book are short biographical sketches about the many artists represented in the Library of Congress Swann Collection compiled by Erwin Swann 1906 1973. In the early 1960s Swann a New York advertising executive started collecting original cartoon drawings of artistic and humorous interest. Included in the collection are political prints and drawings satires caricatures cartoon strips and panels and periodical illustrations by more than 500 artists most of whom are American. The 2 085 items range from 1780 1977 with the bulk falling between 1890 1970. The Collection includes 1 922 drawings 124 prints 14 paintings 13 animation cels 9 collages 1 album 1 photographic print and 1 scrapbook.

The Humor of the Old South Donaria Inge, Edward J. Piacentino, 2021-10-21. The humor of the Old South tales almanac entries turf reports historical sketches gentlemen's essays on outdoor sports profiles of local characters flourished between 1830 and 1860. The genre's popularity and influence can be traced in the works of major southern writers such as William Faulkner Erskine Caldwell Eudora Welty Flannery O'Connor and Harry Crews as well as in contemporary popular culture focusing on the rural South. This collection of essays includes some of the past twenty five years best writing on the subject as well as ten new works bringing fresh insights and original approaches to the subject. A number of the essays focus on well known humorists such as Augustus Baldwin Longstreet Johnson Jones Hooper William Tappan Thompson and George Washington

Harris all of whom have long been recognized as key figures in Southwestern humor Other chapters examine the origins of this early humor in particular selected poems of William Henry Timrod and Washington Irving s *The Legend of Sleepy Hollow* which anticipate the subject matter character types structural elements and motifs that would become part of the Southwestern tradition Renditions of *Sleepy Hollow* were later echoed in sketches by William Tappan Thompson Joseph Beckman Cobb Orlando Benedict Mayer Francis James Robinson and William Gilmore Simms Several essays also explore antebellum southern humor in the context of race and gender This literary legacy left an indelible mark on the works of later writers such as Mark Twain and William Faulkner whose works in a comic vein reflect affinities and connections to the rich lode of materials initially popularized by the Southwestern humorists

The Language of Humor Don L. F. Nilsen, Alleen Pace Nilsen, 2018-11-01 Much of today s communication is carried out through various kinds of humor and we therefore need to be able to understand its many aspects Here two of the world s leading pioneers in humor studies Alleen and Don Nilsen explore how humor can be explained across the numerous sub disciplines of linguistics Drawing on examples from language play and jokes in a range of real life contexts such as art business marketing comedy creative writing science journalism and politics the authors use their own theory of Features functions and subjects of Humor to analyze humor across all disciplines Each highly accessible chapter uses a rich array of examples to stimulate discussion and interaction even in large classes Supplemental PowerPoints to accompany each of the 25 chapters are available online taking many of the insights from the chapters for further interactional discussions with students

Honey, Hush! Daryl Cumber Dance, 1998 Hard hitting sometimes risqué always dramatic and eloquent the vibrant humor of African American women is celebrated in this bold unique and comprehensive collection featuring contributions from the antebellum poets early novelists and contemporary personalities from Toni Morrison to Whoopi Goldberg

The Hidden History of Coined Words Ralph Keyes, 2021-02-19 Written by one of the country s most experienced and entertaining etymological detectives *The Hidden History of Coined Words* provides a delightful excavation into the process by which words became minted Not only does Ralph Keyes give us the who what where of it all but delights in stories that reveal the mysteries of successful coinage

[Literary Research and the American Realism and Naturalism Period](#) Linda L. Stein, Peter J. Lehu, 2009 *Literary Research and the American Realism and Naturalism Period* Strategies and Sources will help those interested in researching this era Authors Linda L Stein and Peter J Lehu emphasize research methodology and outline the best practices for the research process paying attention to the unique challenges inherent in conducting studies of national literature

The City James A. Clapp, 2017-07-12 *The City* is the best funniest saddest and most thought provoking compilation ever assembled on the urban scene James A Clapp has arranged more than three thousand quotations epigrams epithets verses proverbs scriptural references witticisms lyrics literary references and historical observations on urban life from antiquity until the present These quotes are drawn from the written and spoken words of more than one thousand writers throughout history This volume with contributions from

speakers poets song writers politicians philosophers scientists religious leaders historians social scientists humorists architects journalists and travelers from and to many lands is designed to be used by writers speechmakers students and scholars on cities and urban life Clapp s text is striking for its sharp contrasts of urban and rural life and the urbanization process in different historical times and geographical areas This second edition includes four hundred new entries updated birth dates and occupations of quoted authors and an expanded and updated introduction and preface Clapp also added new introduction pages for each section containing pictures and unique quotations The indexes have also been expanded to include more subjects and cities The scope of this book is international including entries on most major and many minor cities of the world It is noteworthy for its pleasures as well as its insights

Encyclopedia Of American Humorists Introduction

In the digital age, access to information has become easier than ever before. The ability to download Encyclopedia Of American Humorists has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Encyclopedia Of American Humorists has opened up a world of possibilities. Downloading Encyclopedia Of American Humorists provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Encyclopedia Of American Humorists has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Encyclopedia Of American Humorists. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Encyclopedia Of American Humorists. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Encyclopedia Of American Humorists, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Encyclopedia Of American Humorists has transformed the way we access information.

With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Encyclopedia Of American Humorists Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Encyclopedia Of American Humorists is one of the best book in our library for free trial. We provide copy of Encyclopedia Of American Humorists in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Encyclopedia Of American Humorists. Where to download Encyclopedia Of American Humorists online for free? Are you looking for Encyclopedia Of American Humorists PDF? This is definitely going to save you time and cash in something you should think about.
