Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1967 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July December **Why Things Bite Back** Edward Tenner, 1997-09-02 In this perceptive and provocative look at everything from computer software that requires faster processors and more support staff to antibiotics that breed resistant strains of bacteria Edward Tenner offers a virtual encyclopedia of what he calls revenge effects the unintended consequences of the mechanical chemical biological and medical forms of ingenuity that have been hallmarks of the progressive improvement obsessed modern age Tenner shows why our confidence in technological solutions may be misplaced and explores ways in which we can better survive in a world where despite technology's advances and often because of them reality is always gaining on us For anyone hoping to understand the ways in which society and technology interact *Why Things Bite Back* is indispensable reading A bracing critique of technological determinism in both its utopian and dystopian forms No one who wants to think clearly about our high tech future can afford to ignore this book Jackson Lears *Wilson Quarterly* *Journals of the Century* Tony Stankus, 2019-12-06 This book first published in 2002 gathers some of America's top subject expert librarians to determine the most influential journals in their respective fields 32 contributing authors reviewed journals from over twenty countries that have successfully shaped the evolution of their individual specialties worldwide Their choices reflect the history of each discipline or profession taking into account rivalries between universities professional societies for profit and not for profit publishers and even nation states and international ideologies in each journal's quest for reputational dominance Each journal was judged using criteria such as longevity of publication foresight in carving out its niche ability to attract none are in the employ of any publisher but each is fully credentialed and well published and many are award winners The authors guide college and professional school librarians on limited budgets via an exposition of their analytical and critical winnowing process in determining the classic resources for their faculty students and working professional clientele **Handbook of Information Sources in Education and the Behavioral Sciences** Jesse L. Gates, James William Altman, 1968 **A Reference Guide for English Studies** Michael J. Marcuse, 1990-01-01 This ambitious undertaking is designed to acquaint students teachers and researchers with reference sources in any branch of English studies which Marcuse defines as all those subjects and lines of critical and scholarly inquiry presently pursued by members of university departments of English language and literature Within each of 24 major sections Marcuse lists and annotates bibliographies guides reviews of research encyclopedias dictionaries journals and reference histories The annotations and various indexes are models of clarity and usefulness and cross references are liberally supplied where appropriate Although cost conscious librarians will probably consider the several other excellent literary bibliographies in print such as James L. Harner's *Literary Research Guide* Modern Language Assn of America 1989 larger academic libraries will want Marcuse's volume Jack Bales Mary

Grimshaw, 2015-02-17 The International Encyclopedia of Digital Communication and Society offers critical assessments of theoretical and applied research on digitally mediated communication a central area of study in the 21st century Unique for its emphasis on digital media and communication and for its use of business and management perspectives in addition to cultural developmental political and sociological perspectives Entries are written by scholars and some practitioners from around the world with exceptional depth and international scope of coverage in five themes Social Media Commercial Applications Online Gaming Law and Policy and Information and Communicative Technology for Development Features leading research in the fields of Media and Communication Studies Internet Studies Journalism Studies Law and Policy Studies Science Technology and Innovation Studies and many more Organized in an accessible A Z format with over 150 entries on key topics ranging from 2 000 to 10 000 words Part of The Wiley Blackwell ICA International Encyclopedias of Communication series published in conjunction with the International Communication Association Online version available at www.wileycicaencyclopedia.com *The Marcus Garvey and Universal Negro Improvement Association Papers, Vol. IV* Marcus Garvey, 2023-09-01 The fourth volume of the Marcus Garvey and Universal Negro Improvement Association Papers marks the period of deepening crisis in the UNIA s political and economic fortunes After September of 1921 membership declined and morale in the UNIA began to weaken Underlying it all however was the final failure of the Black Star Line that resulted when negotiations with the United States Chipping Board for the purchase of the long proposed African ship collapsed in March 1922 The movement also suffered a major setback when the first Liberian colonization plan aborted in the summer of 1921 On the political front Garvey s African program had to compete with W E B Du Bois s Second Pan African Congress The were also major shifts in Garvey s political strategy during this period his speeches reflecting a desire to placate the U S government while simultaneously assailing his lef wing critics for promoting social equality This disavowal of radicalism earned him further enemies on the left One of his chief black critics Cyril V Briggs the leader of the African Blood Brotherhood unwittingly supplied federal investigators with evidence that led to Garvey s indictment on charges of mail fraud in February 1922 By prosecuting him however the Department of Justice did not discredit Garvey in the eyes of his followers rather it temporarily strengthened his hold over the movement as the appearance of persecution intensified the loyalty of the UNIA membership But later in 1922 Garvey did lose favor among many of his followers when it was disclosed that he had met secretly in Atlanta with the Acting Imperial Wizard of the Ku Klux Klan What Garvey had thought was a diplomatic triumph proved instead to be anathema to most blacks At the Third UNIA Convention in 1922 Garvey repudiated the entire executive council of the UNIA

while expressing his anger of plots against him from within the UNIA leadership Loyalty to Garvey thus became a more urgent issue than ever before But although Garvey was once again able to silence his critics within the UNIA the price was to be a badly fractured and demoralized movement At the same time his political adversaries outside the UNIA were steadily gaining ground against him As meticulously documented as the three previous volumes Volume IV provides the first extended record of Garvey s emergent social philosophy particularly as it relates to his conception of racial purity and the metaphysics of the human condition It stands as an impressive record of the Garvey movement The fourth volume of the Marcus Garvey and Universal Negro Improvement Association Papers marks the period of deepening crisis in the UNIA s political and economic fortunes After September of 1921 membership declined and morale in the UNIA began to weak
