Encyclopedia Of Millennialism And Millennial Movements:

Encyclopedia of Millennialism and Millennial Movements Richard Allen Landes, Berkshire Reference Works (Firm), 2000
Featuring over 200 entries numerous illustrations and extracts of primary source material this work covers millennial movements throughout the world The entries are written by specialists in the field and cover such issues as 666 charismatic leadership church triumphant Heaven s gate Jehovah s Witnesses native American ghost dance promise keepers religious conversion women in millennial movements seventh day adventism societal stress Y2K UFOlogy utopia and more The Oxford Handbook of Millennialism Catherine Wessinger, 2016-07 Seventh Day Adventists Melanesian cargo cults David Koresh s Branch Davidians and the Raelian UFO religion would seem to have little in common What these groups share however is a millennial orientation the audacious human hope for a collective salvation which may be either heavenly or earthly The Oxford Handbook of Millennialism offers readers an in depth look at both the theoretical underpinnings of the study of millennialism and its many manifestations across history and cultures **Millennialism, Millerites, and**

Prophecy in Bahá'í Discourse William P. Collins, 2025-09-22 This book explores the role of millennialism the Millerites and prophecy in the historical development of the Bah faith especially in North America The author demonstrates the importance of the Bah religion to millennialism studies and its connection to certain Protestant American and Shia Islamic modes of thought Bah s see two millennial visions on far separated continents within different religious milieux and from contrasting social climates as spiritually and prophetically linked the Millerites who expected the return of Christ in 1844 CE and Shia Muslims who expected the Mahd Q im Twelfth Imam in 1260 AH 1844 CE The chapters in this volume reflect on theories about millennialist movements the continuum from catastrophic to progressive millennialism Bah interpretations of biblical prophecy and Bah efforts to build the Kingdom of God on earth under a systematic divine plan The book highlights the maturation of the Bah community toward a focus on process and a capacity to deal with both catastrophe and progress It provides scholars of religion with a detailed study of the trajectory in Bah millennial ideas The Bloomsbury Companion to New Religious Movements George D. Chryssides, Benjamin E. Zeller, 2014-01-02 The Bloomsbury Companion to New Religious Movements covers key themes such as charismatic leadership conversion and brainwashing prophecy and millennialism violence and suicide gender and sexuality legal issues and the portrayal of New Religious Movements by the media and anti cult organisations Several categories of new religions receive special attention including African new religions Japanese new religions Mormons and UFO religions This guide to New Religious Movements and their critical study brings together 29 world class international scholars and serves as a resource to students and researchers The volume highlights the current state of academic study in the field and explores areas in which future research might develop Clearly and accessibly organised to help users quickly locate key information and analysis the book includes an A to Z of key terms extensive guides to further resources a comprehensive bibliography and a timeline of major developments in the field such as

the emergence of new groups publications legal decisions and historical events **Encyclopedia of World Religions** Encyclopaedia Britannica, Inc.,2008-05-01 A guide to the religions of the world and to the concepts movements people and events that have shaped them It includes features such as entries on religious movements and concepts historical and legendary figures divinities religious sites and ceremonies images that show sacred places vestments rituals objects and texts and more **Encyclopedia of Global Religion** Mark Juergensmeyer,Wade Clark Roof,2012 Presents entries A to L of a two volume encyclopedia discussing religion around the globe including biographies concepts and theories places social issues movements texts and traditions *Alternative Islamic Discourses and Religious Authority* Susanne Olsson,Carool Kersten,2016-03-23 Like anywhere else the present day Islamic world too is grappling with modernity and postmodernity secularisation and globalisation Muslims are raising questions about religious representations and authority This has given rise to the emergence of alternative Islamic discourses which challenge binary oppositions and dichotomies of orthodoxy and heterodoxy continuity and change state and civil society It also leads to a dispersal of authority a collapse of existing hierarchical structures and gender roles This book further argues that the centre of gravity of many of these alternative Islamic discourses is shifting from the Arabic speaking heartland towards the geographical peripheries of the Muslim world and expatriate Muslims in North America and Europe At the same time in view of recent seismic shifts in the political constellation of the Middle East the trends discussed in this book hold important clues for the possible direction of future developments in that volatile part of the Muslim world **Approaching the Apocalypse** John M. Court,2008-08-30 Embracing two thousand years of intense and fiery admonition Approaching the Apocalypse offers students of religion history and politics the definitive handbook to Doomsday Ideas about divinely inspired disaster have an enduring place in the history of Christian thought For centuries men and women have made preparations for the imminent end of the world and for the thousand year reign of Christ and his saints Inspired principally by the startling texts of the Book of Revelation Christianity has a rich and varied tradition of looking forward to the purifying fires of Armageddon But what do recurring motifs like the Rapture pestilence biblical prophecy and the building of the New Jerusalem really add up to And how have interpretations of these patterns differed from century to century Charting a steady course between the feverish predictions of early Christian heretics like the Montanists and the febrile outpourings of modern day millennialists such as the Branch Davidians and Christian Zionists in America John M Court explores the continuities and differences between their violent visions of cataclysm His history comprises an incisive analysis of such movements and figures as the Levellers and Diggers James Jezreel and his Trumpeters Seventh Day Adventists and Jehovah s Witnesses cargo cults and drug cultures Approaching the Apocalypse shows why prophecies of plague earthquake and flame continue to resonate so powerfully in the Christian imagination and beyond *Lubavitcher Messianism* Simon Dein,2011-01-20 In 1994 the Lubavitcher Rebbe Menachem Schneerson died leaving no successor For many years his followers had maintained that he was Moshiach the Jewish Messiah

and would usher in the Redemption After his death Lubavitch divided into two opposing groups While some messianists hold that the Rebbe died but is to be resurrected as the messiah others hold that he is still alive but concealed The anti messianists maintain that the Rebbe could have been Moshiach if God had willed it but they disagree vehemently that as such he could come back from the dead Using ethnographic data obtained by the author through twenty years of fieldwork this book presents a social psychological account of Lubavitcher Messianism and moves beyond the typical scholarly preoccupation with belief and dissonance to examine the role of rhetoric religious experience and ritual in maintaining counterintuitive convictions Through examining the parallels between early Christianity and messianism in Lubavitch this book provides a comprehensive perspective for examining messianism generally

Gender and Apocalyptic Desire Brenda E. Brasher, Lee Quinby, 2014-12-18 The female body has been an object of oppression and control throughout history Gender and Apocalyptic Desire exposes the often hidden links between the struggles of women and the conflict of good versus evil The essays examine the collisions between feminist and apocalyptic thought the ways in which apocalyptic belief functions as bodily discipline and cultural practice and how some currents of apocalyptic desire can enable women's equality A wide range of issues are examined from anti abortion terrorism to the stigmata of Christ and visions of Mary

Apocalyptic Representations of Jerusalem Maria Leppäkari, 2018-08-14 Jerusalem as a symbolic expression of hope attracts attention and religious adherence in relation to its physical presence The study identifies traces and examines apocalyptic representations of Jerusalem and illustrates what happens when these become experienced reality The empirical part of the book shows how these representations become living images in two contemporary groups activity in Jerusalem Private and public endtime representations of Jerusalem provide meaningful models for interpreting the religious past present and future The interplay of these representations also shapes our present images of Jerusalem

The ^AOxford Handbook of Eschatology Jerry L. Walls, 2007-12-03 Eschatology is the study of the last things death judgment the afterlife and the end of the world Through centuries of Christian thought from the early Church fathers through the Middle Ages and the Reformation these issues were of the utmost importance In other religions too eschatological concerns were central After the Enlightenment though many religious thinkers began to downplay the importance of eschatology which in light of rationalism came to be seen as something of an embarrassment The twentieth century however saw the rise of phenomena that placed eschatology back at the forefront of religious thought From the rapid expansion of fundamentalist forms of Christianity to the recent and very public debates about suicide martyrdom and paradise in Islam interest in eschatology is once again on the rise The Oxford Handbook of Eschatology will provide an important critical survey of this diverse body of thought and practice from a variety of perspectives

Jihadist Preachers of the End Times Ostransky Bronislav Ostransky, 2019-08-28 Focusing on apocalyptic manifestations found in ISIS propaganda this book situates the group's agenda in the broader framework of contemporary Muslim thought and explains key topics in millennial thinking within the spiritual context of modern Islamic

apocalypticism Based on the group's primary sources as well as medieval Muslim apocalyptic literature and its modern interpretations the book analyses the ways ISIS presents its message concerning the Last Days as a meaningful inventive and frightening expression of collectively shared expectations relating to the supposedly approaching the End Times History in the Comic Mode Rachel Fulton, Rachel Fulton Brown, Bruce W. Holsinger, 2007 21 prominent medievalists discuss continuity and change in ideas of personhood and community Drawing on a wide variety of sources contributors write as historians of religion art literature culture and society advancing a new medieval cultural history that is truly diverse and interdisciplinary *Contested Holiness* Rivka Gonen, 2003 Sovereignty over the Temple Mount in Jerusalem is one of the most difficult problems in the ongoing Israeli Palestinian conflict Although it is a present day bone of contention its roots go back into the distant past Israelites Christians and Muslims had fought over this holy site and built on it a succession of shrines The book leads the reader into the intricate history geography and politics of this unique site It relates the roots of its holiness describes the succession of temples built on it and explains how in the twentieth century its sanctity became intertwined with the national aspirations of both Jews and Arabs It explains why the Temple Mount is considered the holiest site for the Jews and how it became holy also to the Muslims The book also explores the role of evangelical Christians who alongside a segment of the Jewish population see the Temple Mount as the center of messianic aspirations fed by the myriad of Jewish Christian and Muslim legends and myths which evolved around it The book is richly illustrated with photographs sketches maps and plans The Oxford Handbook of the Abrahamic Religions Adam Silverstein, Guy G. Stroumsa, Moshe Blidstein, 2015-10-01 The Oxford Handbook of the Abrahamic Religions includes authoritative yet accessible studies on a wide variety of topics dealing comparatively with Judaism Christianity and Islam as well as with the interactions between the adherents of these religions throughout history The comparative study of the Abrahamic Religions has been undertaken for many centuries More often than not these studies reflected a polemical rather than an ecumenical approach to the topic Since the nineteenth century the comparative study of the Abrahamic Religions has not been pursued either intensively or systematically and it is only recently that the comparative study of Judaism Christianity and Islam has received more serious attention This volume contributes to the emergence and development of the comparative study of the Abrahamic religions a discipline which is now in its formative stages This Handbook includes both critical and supportive perspectives on the very concept of the Abrahamic religions and discussions on the role of the figure of Abraham in these religions It features 32 essays by the foremost scholars in the field on the historical interactions between Abrahamic communities on Holy Scriptures and their interpretation on conceptions of religious history on various topics and strands of religious thought such as monotheism and mysticism on rituals of prayer purity and sainthood on love in the three religions and on fundamentalism The volume concludes with three epilogues written by three influential figures in the Christian Jewish and Muslim communities to provide a broader perspective on the comparative study of the Abrahamic religions This ground breaking

work introduces readers to the challenges and rewards of studying these three religions together The Oxford Handbook of Mary Chris Maunder, 2019 The Oxford Handbook of Mary offers an interdisciplinary guide to Marian Studies including chapters on textual literary and media analysis theology Church history art history studies on devotion in a variety of forms cultural history folk tradition gender analysis apparitions and apocalypticism Featuring contributions from a distinguished group of international scholars the Handbook looks at both Eastern and Western perspectives and attempts to correct imbalance in previous books on Mary towards the West The volume also considers Mary in Islam and pilgrimages shared by Christian Muslim and Jewish adherents While Mary can be a source of theological disagreement this authoritative collection shows Mary's rich potential for inter faith and inter denominational dialogue and shared experience It covers a diverse number of topics that show how Mary and Mariology are articulated within ecclesiastical contexts but also on their margins in popular devotion Newly commissioned essays describe some of the central ideas of Christian Marian thought while also challenging popularly held notions This invaluable reference for students and scholars illustrates the current state of play in Marian Studies as it is done across the world **The Activist Impulse** Jared S. Burkholder, David Cramer, 2012-04-04 Anabaptists have often felt suspicious of American evangelicalism and in turn evangelicals have found various reasons to dismiss the Anabaptist witness Yet at various points in the past as well as the present evangelicals and Anabaptists have found ample reason for conversation and much to appreciate about each other The Activist Impulse represents the first book length examination of the complex relationship between evangelicalism and Anabaptism in the past thirty years It brings established experts and new voices together in an effort to explore the historical and theological intersection of these two rich traditions Each of the essays provides fresh insight on at least one characteristic that both evangelicals and Anabaptists share an impulse to engage society through the pursuit of active Christian witness The Seer of Bayside Joseph P. Laycock, 2014-11-03 In 1968 Veronica Lueken a Catholic housewife in Bayside Queens New York began to experience visions of the Virgin Mary Over almost three decades she imparted over 300 messages from Mary Jesus and other heavenly personages These revelations which were sent all over the world through newsletters billboards and local television severely criticized the liturgical changes of Vatican II and the wickedness of American society Unless everyone repented Lueken warned a fiery ball would collide with the Earth causing death and destruction around the world When Catholic Church authorities tried to dismiss discredit and even banish her Lueken declared Pope Paul VI a communist imposter accused the Church of being in error since Vatican II and sought new venues in which to communicate her revelations Since her death in 1995 her followers have continued to gather to promote her messages in Flushing Meadows Park Queens Known as the Baysiders they believe that St Robert Bellarmine's Church from which Lueken was banned from holding vigils will someday become the Lourdes of America and that Lueken will be elevated to sainthood Joseph P Laycock delves into untapped archival materials and a wealth of ethnographic research to unfold the fascinating story of Veronica Lueken and the

Baysiders from 1968 to the present Though scholars have characterized the Baysiders variously as a new religious movement a form of folk piety and a traditionalist sect members of the group regard themselves as loyal Catholics maybe the last in existence They are critical of the Church hierarchy which they believe corrupted by modernism and reject ultra traditionalist Catholic groups who believe that the papal see is vacant Laycock shows how the Baysiders have deviated significantly from mainstream Catholic culture while keeping in dialogue with Church authorities and reveals how the persistence of the Baysiders and other Marian groups has contributed to greater amenability toward devotional culture and private revelation on the part of Church authorities The Seer of Bayside is an invaluable study of the perpetual struggle between lay Catholics and Church authorities over who holds the power to define Catholic culture *Archetypes and Motifs in Folklore and Literature: A Handbook* Jane Garry, 2017-07-05 This is an authoritative presentation and discussion of the most basic thematic elements universally found in folklore and literature The reference provides a detailed analysis of the most common archetypes or motifs found in the folklore of selected communities around the world Each entry is written by a noted authority in the field and includes accompanying reference citations Entries are keyed to the Motif Index of Folk Literature by Stith Thompson and grouped according to that Index s scheme The reference also includes an introductory essay on the concepts of archetypes and motifs and the scholarship associated with them This is the only book in English on motifs and themes that is completely folklore oriented deals with motif numbers and is tied to the Thompson Motif Index It includes in depth examination of such motifs as Bewitching Chance and Fate Choice of Roads Death or Departure of the Gods the Double Ghosts and Other Revenants the Hero Cycle Journey to the Otherworld Magic Invulnerability Soothsayer Transformation Tricksters

Encyclopedia Of Millennialism And Millennial Movements: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. Encyclopedia Of Millennialism And Millennial Movements : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Encyclopedia Of Millennialism And Millennial Movements : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Encyclopedia Of Millennialism And Millennial Movements : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

Encyclopedia Of Millennialism And Millennial Movements Introduction

In the digital age, access to information has become easier than ever before. The ability to download Encyclopedia Of Millennialism And Millennial Movements has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Encyclopedia Of Millennialism And Millennial Movements has opened up a world of possibilities. Downloading Encyclopedia Of Millennialism And Millennial Movements provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky

folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Encyclopedia Of Millennialism And Millennial Movements has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Encyclopedia Of Millennialism And Millennial Movements. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Encyclopedia Of Millennialism And Millennial Movements. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Encyclopedia Of Millennialism And Millennial Movements, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Encyclopedia Of Millennialism And Millennial Movements has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Encyclopedia Of Millennialism And Millennial Movements Books
