Measuring Police Subcultural Perceptions Zheng Chen,2015-11-21 Using survey data collected from 382 Chinese police officers training in a Chinese police university this research is the first empirical study to describe Chinese police perceptions of subcultural topics including the role of crime fighting and community service cynicism isolation solidarity receptivity to change and traditionalism This book describes the research method adopted in this study and the findings together with comparisons with Western police cultural studies In addition it covers an extensive review of Chinese policing history and evolution of policing strategies and a review of police subcultural themes and their potential determinants on the basis of Western studies making it both beneficial and of interest for researchers and practitioners who would like to know more about contemporary policing in China This book provides readers with insights into a little investigated area of policing the perceptions of Chinese frontline police It also makes it easy to compare the similarities and differences between police perceptions in China and the West

The Policing Web Jean-Paul Brodeur,2010-09-30 Nearly all research devoted to policing focuses on public uniformed police and their legal use of force An overwhelming amount of this work draws on evidence from Anglo American police forces These twin emphases have led to a limited view Agencies such as criminal investigation units intelligence services private security companies and military policing organizations have almost entirely escaped scholarly attention In The Policing Web Jean Paul Brodeur looks at policing as a whole He illuminates its full diversity showing how it extends far beyond the confines of public police working in uniform and visible to all Brodeur considers military policing both when it complements the values of democracy and when it does not He also discusses criminal individuals acting as police informants and criminal organizations enforcing their own rules in urban zones deserted by the police Brodeur argues that the diverse strands of the policing web are united by a common definition that emphasizes the license granted to policing agencies legally or with impunity to use means otherwise forbidden to the rest of the population Employing an international and comparative approach Brodeur

establishes a comprehensive model that links all the components of policing The policing web however is not a neat and well integrated structure There is not just one policing web There are several depending on the country police history and culture and the various public images of policing These often overlooked factors are essential components of the context of policing Wide ranging and authoritative The Policing Web expands the very idea of what policing is and how it works and presents a novel yet fundamental understanding of law enforcement Introduction to Law Enforcement David H. McElreath, Daniel Adrian Doss, Carl J. Jensen, III, Michael Wigginton Jr., Ralph Kennedy, Kenneth R. Winter, Robert E. Mongue, Janice Bounds, J. Michelle Estis-Sumerel, 2013-02-26 Modern perspectives of law enforcement are both complex and diverse They integrate management and statistical analysis functions public and business administration functions and applications of psychology natural science physical fitness and marksmanship They also assimilate theories of education organizational behavior economics law and public policy and many others Modern law enforcement is a blend of both theoretical knowledge and applied practice that continuously changes through time With contributions by nine authors offering a diverse presentation Introduction to Law Enforcement goes beyond the linear perspective found in most law enforcement texts and offers multiple perspectives and discussions regarding both private and public entities Through this approach readers gain an understanding of several dimensions of the subject matter Topics discussed include Contemporary crime trends Policing ethics Law enforcement history The functions of modern law enforcement agencies Homeland security Public service Human resources The path of a case from arrest through incarceration and post release Local state regional federal and tribal law enforcement agencies Private enforcement organizations Adaptable across a wide range of learning environments the book uses a convenient format organized by agency type Pedagogical features include learning objectives case studies and discussion questions to facilitate reader assimilation of the material Comprehensive in scope the text presents a robust consideration of the law enforcement domain Introduction to Policing Gene L. Scaramella, Steven M. Cox, William P. McCamey, 2010-12-09 Focusing on the thought provoking contemporary issues that underscore the challenging world of policing this easy to understand text balances theory research and practice to give students a comprehensive overview of both the foundations of policing and the expanded role of today s police officers The engaging writing style and stories from the field coupled with unique coverage of the issues of policing in multicultural communities the impact of globalization on policing make this book a must have for policing courses **World Police Encyclopedia: L-Z, index** Dilip K. Das, Michael Palmiotto, 2006 The World Police Encyclopedia is the only existing reference work to systematically survey all the police systems in all the countries of the world the 189 UN member states plus Switzerland Each article describes police history police education and training structure of the force s in relation to the country s form of government and criminal justice system police responsibilities and duties most common crimes structure and role of the courts correction structure organization and function of the police force s use of firearms local and central interactions community relations and current

issues and challenges This unique resource will be of interest to scholars of history foreign policy and politics as well as government agencies NGOs and others involved in working internationally to control international and domestic crime

Policing the Big Apple Jules Stewart, 2021-10-13 As debates about defunding US police forces continue this book offers an enlightening historical overview of one of the largest metropolitan contingents the New York City Police Department The NYPD is America's largest and most celebrated law enforcement agency This book examines the history of policing in New York City from colonial days and the formation of the NYPD at the turn of the twentieth century through 1930s battles with the Mafia to the Zero Tolerance of the 1990s Jules Stewart explores political influence corruption reform and community relations through stories of the NYPD's commissioners and the visions they had for the force and the city as well as at the level of cops on the beat This book is an indispensable chronicle for anyone interested in policing and the history of New York

Political and Judicial Rights through the Prism of Religious Belief Carl Sterkens, Hans-Georg Ziebertz, 2018-10-24 This innovative volume is focused on the relationship between religion on the one hand and political and judicial rights on the other At a time when the so called checks and balances that guarantee the vulnerable equilibrium between legislative executive and judicial branches of governance are increasingly under pressure this book offers valuable insights It presents empirical work that has measured young people's attitudes and explains the variety found across their views Readers will find answers to the question To what extent do youths in different countries support political and judicial human rights and what influences their attitudes towards these rights The political rights in this question include among others active and passive voting right the right to protest and the rights of refugees Judicial rights refer in general to the right of a fair trial and include principles like equality before the law the right to independent and impartial judgement the presumption of innocence the right to legal counsel and the privilege against self incrimination Expert contributing authors look at aspects such as religious beliefs and practices personal evaluation of state authorities and personality characteristics The authors discuss contextual determinants for attitudes towards political and judicial rights in both theory and empirical indicators Numerous helpful tables and figures support the written word This book makes an original contribution to research through the empirical clarification of factors that induce or reduce people's support of political and judicial rights It will appeal to graduates and researchers in religious studies philosophy or sociology of religion among other disciplines but it will also interest the general reader who is concerned with matters of human rights and social justice
