

The background of the cover is a deep black space filled with stars. A large, reddish-orange planet with dark, swirling bands of clouds dominates the right side of the frame. A thin, bright yellow ring, similar to Saturn's, encircles the planet. In the lower-left quadrant, a small, four-legged spacecraft with a central body and a glowing red light at its base is shown. A faint, wispy trail of white smoke or exhaust extends from the spacecraft towards the bottom left. The title text is positioned in the upper left, and the editor and foreword information is in the lower left.
