Synergy of Scripture
Ian Traill D.Min., This beautiful term through a glass darkly is found in the Old King James Bible and it is referring to looking into a poor quality mirror getting some distortion in your reflection or as the Darby translation puts it through a dim window obscurely The glass darkly effect of seeing the truth of the Bible only in part is caused by the lapse of time the history of the Church non Spirit led people a denominational accommodating theology to justify a particular stance and our fallibility as humans In many cases these factors have caused us at times to be unfaithful to His Word Some may read this book and say I am a literalist or purist but before you judge me please consider God's Word when it says in Ephesians 4:5 one Lord one faith one baptism which could be a catch cry for unity in the Body of Christ the Church but sadly many differ in what even this statement means A rhetorical question Who can say they are 100% correct in their perspective of understanding Scripture Here is the challenge could we make a statement of faith based on Ephesians 4:5 that will bring unity And if most of us are honest we will say I am right and if you adopt what I say then everything will be fine Of course this position is unworkable when viewing an attempt of unity A synergistic understanding of the Bible requires a three point perspective One the Bible is God's Word Two the Bible is settled whether I understand it or even believe it Three I am blessed if I believe it and follow its direction for my life While reading this book please consider that God has placed in creation and in His Word a synergy when adhered to will bring a unity
