The historiographic introduction discusses themes in Caviness's publications and their importance for art historical and medieval studies today. The book's thematic matrix groups together essays concerned with The Material Object, Documentary Reconstruction, Post-Disciplinary Approaches, Multiple Readings, Gender and Reception, Performativity, Text and Image, Collecting and Consumption, and Politics and Ideology. The contributors include curators, art historians, historians, and literary scholars. Their subjects range from medieval stained glass to the nineteenth-century Gothic Revival, the *Sachsenspiegel* and Mel Gibson's *The Passion of the Christ*. Many foreground issues of gender, reception, and textuality which have permeated Caviness's scholarship. Some also present approaches to sites that have been the subject of important studies by Caviness, including Canterbury, Chartres, Reims, Saint Denis, Sens, and Troyes. The volume offers a broad range of methodological approaches to key topics in the study of medieval imagery and thus highlights the vitality of the field today. **Nag**

**Hammadi Bibliography** David M. Scholer, 2009. This is the third volume of the immensely useful Nag Hammadi Bibliography, the first volume of which covered 1948a-1969 and was the first publication in the Nag Hammadi Studies series. The second volume covered 1970a-1994. This third volume provides a complete integration of Supplements II 1a-II 8 to the Bibliography as published in *Novum Testamentum* 1998a-2008 with additions and corrections. This latest update contains 3,063 entries, with the set of three volumes containing 11,580 entries. Nag Hammadi and Gnostic studies continue to be of critical importance for the study of ancient religions in the Graeco-Roman world and for the study of the world of early Christianity, and the present bibliography provides an indispensable reference tool for work in these fields. **The Religion of Thinness** Michelle Mary Lelwica, 2013-10-18. With so many women approaching their diets, body image, and pursuit of a slender figure with slavish devotion, *The Religion of Thinness* is a timely addition to the discussion of our cultural obsession with weight loss. At the heart of this obsession is the belief that in order to be happy, one must be slim, and the attendant myths, rituals, images, and moral codes can leave some women with severe emotional damage. Idealized images in the media inspire devotees of this religion to experience guilt for behaviors that are biologically normal and necessary, and Lelwica offers two ways to combat this dangerous cultural message. Advising readers to look hard at the societal cues that cause them to obsess about their weight and to remain mindful about their actions and needs, this book will not only help stop the cycle of guilt and shame associated with food, it will help readers to grow and accept their bodies as they are. **Violence in**

happens when Muslim women gather together at the mosque to read the Qur'an and learn and pray. How does family loyalty interact with mosque attendance for women? This book explores the growing Muslim women's piety movement through looking at one women's program in a Syrian suburban mosque. Community models shape individual behavior. The place and power of blessing help define the boundaries between orthodox and popular Islam. Modesty and shame, feasts and fasting, purity and prayer interact to shape daily life possibilities for women involved in the mosque program. At the same time, the growing accessibility of religious teaching for women allows them to take up new places of authority in the Muslim ummah. Women read the Qur'an not just for blessing but for what it has to say to issues of daily female and family life. And the words of communal dhikr devotion offer a window into the worshippers' consciousness of God and of Muhammad, Prophet of Islam. This detailed examination of a women's mosque program places it within the wider contemporary movement of piety and dawa mission in Islam, offering an insight into the forces that are shaping communities and countries today.
