*Women's Studies Encyclopedia* Helen Tierney, 1989 CONTENTS VL VIEWS FROM THE SCIENCES V2 LITERATURE ARTS AND LEARNING     **The Oxford Handbook of Islamic Law** Anver M. Emon, 2018-10-25 This volume provides a comprehensive survey of the contemporary study of Islamic law and a critical analysis of its deficiencies Written by outstanding senior and emerging scholars in their fields it offers an innovative historiographical examination of the field of Islamic law and an ideal introduction to key personalities and concepts While capturing the state of contemporary Islamic legal studies by chronicling how far the field has come the Handbook also explains why certain debates recur and indicates fundamental gaps in our knowledge Each chapter presents bold new avenues for research and will help readers appreciate the contested nature of key concepts and topics in Islamic law This Handbook will be a major reference work for scholars and students of Islam and Islamic law for years to come     *Bibliography of Art and Architecture in the Islamic World (2 Vol. Set)* Susan Sinclair, C. H. Bleaney, Pablo García Suárez, 2012 Following the tradition and style of the acclaimed Index Islamicus the editors have created this new Bibliography of Art and Architecture in the Islamic World The editors have surveyed and annotated a wide range of books and articles from collected volumes and journals published in all European languages except Turkish between 1906 and 2011 This comprehensive bibliography is an indispensable tool for everyone involved in the study of material culture in Muslim societies     **Handbook of Reference Sources and Services for Small and Medium-Sized Libraries** Margaret I. Nicholas, 1996-07 Lists over 750 sources focusing on the reference needs of adults The primary objective was to select quality reference tools which cover many different topics Topics include general works biography philosophy religion language literature visual arts applied sciences sports and recreation home life social customs and education     *Encyclopedia of the Romantic Era, 1760-1850* Christopher John Murray, 2013-05-13 In 850 analytical articles this two volume set explores the developments that influenced the profound changes in thought and sensibility during the second half of the eighteenth century and the first half of the nineteenth century The Encyclopedia provides readers with a clear detailed and accurate reference source on the literature thought music and art of the period demonstrating the rich interplay of international influences and cross currents at work and to explore the many issues raised by the very concepts of Romantic and Romanticism     *Not Born a Refugee Woman* Maroussia Hajdukowski-Ahmed, Nazilla Khanlou, Helene Moussa, 2008 Not Born a Refugee Woman is an in depth inquiry into the identity construction of refugee women It challenges and rethinks current identity concepts policies and practices in the context of a globalizing environment and in the increasingly racialized post September 11th context from the perspective of refugee women This collection brings together scholar\_practitioners from across a wide range of disciplines The authors emphasize refugee women's agency resilience and creativity in the continuum of domestic civil and transnational violence and conflicts whether in flight or in resettlement during their uprooted journey and beyond Through the analysis of local examples and international case studies

the authors critically examine gendered and interrelated factors such as location humanitarian aid race cultural norms and current psycho social research that affect the identity and well being of refugee women This volume is destined to a wide audience of scholars students policy makers advocates and service providers interested in new developments and critical practices in domains related to gender and forced migrations
