Encyclopedia Talmudica 5:

The Jewish Law Annual Volume 5 Bernard Jackson S,2013-05-13 Volume 15 of The Jewish Law Annual adds to the growing list of articles on Jewish law that have been published in volumes 1-14 of this series providing English speaking readers with scholarly material meeting the highest academic standards. The volume contains six articles diverse in their scope and focus encompassing legal, historical, textual, comparative and conceptual analysis as well as a survey of recent literature and a chronicle of cases of interest. Among the topics covered are lying in rabbinical court proceedings, unjust enrichment, can a witness serve as judge in the same case? Caro's Shulham Arukh v Maimonides Mishne Torah in the Yemenite community, the New Jersey eruv wards. [The Path of the Righteous Gentile](#) Chaim Clorfene, Yakov Rogalsky, 1987

A philosophical and historical presentation of the doctrine of the Seven Laws of Noah. **Balancing on the Mechitzah** Noach Dzmura, 2014-08-19 WINNER 2011 Lambda Literary Award Transgender Non Fiction While the Jewish mainstream still argues about homosexuality, transgender and gender variant people have emerged as a distinct Jewish population and as a new chorus of voices. Inspired and nurtured by the successes of the feminist and LGBT movements in the Jewish world, Jews who identify with the T now sit in the congregation, marry under the chuppah and create Jewish families. Balancing on the Mechitzah offers a multifaceted portrait of this increasingly visible community. The contributors, activists, theologians, scholars and other transgender Jews share for the first time in a printed volume their theoretical contemplations as well as rite of passage and other transformative stories. Balancing on the Mechitzah introduces readers to a secular transwoman who interviews her Israeli and Palestinian peers and provides cutting edge theory about the construction of Jewish personhood in Israel; a transman who serves as legal witness for a man a role not typically open to persons designated female at birth during a conversion ritual; a man deprived of testosterone by an illness who comes to identify himself with passion and pride as a Biblical eunuch and a gender variant person who explores how to adapt the masculine and feminine pronouns in Hebrew to reflect a non binary gender reality. [Families, Rabbis and Education](#) Shaul Stampfer, 2010-02-01 Viewing the Jewish history of eastern Europe through the prism of the lives of ordinary people produces findings that are sometimes surprising but always stimulating.

[The Universal Jewish Encyclopedia ...](#) Isaac Landman, Simon Cohen, 1942 [Congress Volume Stellenbosch 2016](#), 2017-12-19 This volume presents the main lectures of the 22nd Congress of the International Organization for the Study of the Old Testament (IOSOT) held in Stellenbosch, South Africa in September 2016. Sixteen internationally distinguished scholars present their current research on the Hebrew Bible, including the literary history of the Hebrew text, its Greek translation and history of interpretation. Some focus on archeological and iconographic sources and the reconstruction of ancient Israelite religion, while others discuss the formation of the biblical text and its impact for cultural memory. The volume gives readers a representative view of the most recent developments in the study of the Old Testament. [The Copper Scroll - 3Q15: A Reevaluation](#) Judah K. Lefkovits, 2018-11-26 This volume deals with the Copper

Scroll an almost two thousand year old cryptic proto Mishnaic Hebrew Dead Sea document It is the largest known ancient text to have ever been recorded on metal The Introduction covers the nature and site of the discovery opening of the two brittle oxidized copper rolls deciphering the text controversy about genuineness of the content etc The in depth study presents the primary major studies and offers a new reading translation and interpretation including alternatives as well as detailed studies of some unique aspects The analysis is based on Rabbinical Jewish sources originating largely in the same historical era This results into a more reliable interpretation of the Copper Scroll which probably originates from the Priestly leaders of Jerusalem and contains a list of the hidden treasures of the Second Temple before its destruction by the Romans

Judeans and Jews Daniel R. Schwartz,2014-01-01 Presenting the Second Temple era as an age of transition between a territorial past and an exilic and religious future Judeans and Jews sharpens our understanding of this important era

revealed by God In consequence the two legal systems approach problems quite differently This is explained and illustrated in this volume by discussions of such compelling social issues as euthanasia medical treatment without consent search and seizure in schools procreation rights of prisoners liability for environmental damage termination of parental rights due to mental incapacity and the capacity of the mentally retarded to give informed consent **Catalog I.** Edward Kiev Judaica Collection,Gelman Library,2003 *The Mishnah in Contemporary Perspective* Jacob Neusner,Alan Avery-Peck,2006-07-01

Religious Human Rights in Global Perspective John Witte Jr.,Johan D. van der Vyver,2023-12-11 In this Dickensian century of human rights the world has cultivated the best of religious rights protections but witnessed the worst of religious rights abuses In this volume Jimmy Carter John T Noonan Jr and a score of leading jurists assess critically and comparatively the religious rights laws and practices of the international community and of selected states in the Atlantic continents This volume and its companion Religious Human Rights in Global Perspective Religious Perspectives are products of an ongoing project on religion human rights and democracy undertaken by the Law and Religion Program at Emory University
