Edwardian Stories of Divorce Janice Hubbard Harris, 1996 much as abortion in the United States today is a contentious issue used for scripting women's roles and potential into the national agenda divorce was an issue dividing England in the Edwardian era *Sex, Gender and Social Change in Britain since 1880* Lesley A. Hall, 2017-09-16 Sexual attitudes and behaviour have changed radically in Britain between the Victorian era and the twenty first century However Lesley A Hall reveals how slow and halting the processes of change have been and how many continuities have persisted under a facade of modernity Thoroughly revised updated and expanded the second edition of this established text explores a wide range of relevant topics including marriage homosexuality commercial sex media representations censorship sexually transmitted diseases and sex education features an entirely new last chapter which brings the narrative right up to the present day provides fresh insights by bringing together further original research and recent scholarship in the area Lively and authoritative this is an essential volume for anyone studying the history of sexual culture in Britain during a period of rapid social change *Irish Divorce* Diane Urquhart, 2020-02-06 Spanning the island of Ireland over three centuries this first history of Irish divorce places the human experience of marriage breakdown centre stage to explore the impact of a highly restrictive and gendered law and its reform on Irish society **After Intimacy** Karl Leydecker, Nicholas White, 2007 Divorce is a conspicuous character trait of modernity commonly portrayed in texts and on screen with its moral and social rationalisation firmly rooted in Enlightenment and Romantic thought The aim of this volume is to bring into focus this contemporary cultural fascination by assembling the variety of academic responses it has started to create Bringing together the reflections of scholars from the UK and North America who have worked in this domain this study offers for the first time a genuinely wide ranging account of the depiction of divorce across the northern hemisphere in a number of media fiction journalism film and television It reaches historically from the intellectual and legal aftermath of the Enlightenment right up to the present day As such the collection shows both the roots of this apparently contemporary phenomenon in nineteenth century literary practice and the very particular ways in which divorce characterises the different narrative media of modernity *Health and the Modern Home* Mark Jackson, 2008-02-07 Health and the Modern Home explores shifting and contentious debates about the impact of the domestic environment on health in the modern period Drawing on recent scholarship contributors expose the socio political context in which the physical and emotional environment of the modern home and family became implicated in the maintenance of health and in the aetiology and pathogenesis of diverse psychological and physical conditions In addition they critically analyze the manner in which the expression and articulation of medical concerns about the domestic environment served to legitimate particular political and ideological positions **A Cultural History of Marriage in the Age of Empires** Paul Puschmann, 2021-11-18 During the age of empires 1800 1900 marriage was a key transition in the life course worldwide a rite of passage everywhere with major cultural significance This
