A Father's Quest Wayne McColley,2021-08-06 The title of the book A Father s Quest was decided on years before I started writing the book I knew that I would be writing a book from what a medium had told me years before but I never started it Maybe I had to have a bad stroke to make it happen I had prayed for years that my son would get married Maybe I would have to have a stroke for this to happen too God works in our lives in a strange way For years I went to therapy learning to walk and to work on moving my arm I quit therapy in March 2018 I had nothing to do and I became bored for the first time in my life That was when I started writing It would take me twenty seven months to finish Many of my friends told me to record the book and have someone type it for me but I wanted to write the book completely by myself I m right handed and I can finally move my right hand but cannot really use it I didn t know how to type but I typed it with one finger on my left hand on a computer After our daughter Tammy died on January 5 1997 it became impossible to sleep During that time I lived my whole life over again I went on a six year quest trying to prove that Tammy was murdered and to get custody of my granddaughters Tammy s children I would fail more than I would succeed But I had become too stubborn to ever give up After I had my stroke many of my friends told me that this story was motivational to them I hope you enjoy reading my book A Father s Quest [SEC and Citicorp](#) United States.
