Eero Saarinen:

Eero Saarinen Antonio Román,2006-06-23 It has spawned a recent rash of imitators but many critics believe it to be the best Now available in paperback it is also the most affordable The text is filled with crisp beautiful black and white photographs of interiors and exteriors as well as images of models and architectural drawings The photographs are especially striking as they were taken at or near the time of each structure's completion documenting its clean striking presence This is the most complete title available on this architect a Library Journal Historian Romana's book fills a major void for examination of this legacy has been strikingly meager He provides a thoughtful and engaging introduction He offers many insights on the architect's ideas and methods An elegant assortment of period photographs accompanies the text This accomplished publication should have widespread appeal for all persons interested in modern architecture Highly Recommended a CHOICE

Eero Saarinen Eero Saarinen,2006-01-01 From the swooping concrete vaults of the TWA Terminal at JFK Airport to the 630 foot tall Gateway Arch in St Louis the iconic designs of Eero Saarinen 1910-1961 captured the aspirations and values of mid 20th century America Potent expressions of national power these and other Saarinen designed structures including the GM Technical Center Dulles International Airport and John Deere headquarters helped create the international image of the United States in the decades following World War II Eero Saarinen Shaping the Future offers a new and wide ranging look at the entire scope of Saarinen's career This is the first book on Saarinen to incorporate significant research and materials from the newly available archives of his office and includes the most complete portfolio of Saarinen's projects to date a chronological survey of more than 100 built and unbuilt works previously unpublished photographs plans and working drawings Lavishly illustrated this major study shows how Saarinen gave his structures an expressive dimension and helped introduce modern architecture to the mainstream of American practice In his search for a richer and more varied modern architecture Saarinen became one of the most prolific and controversial practitioners of his time Exhibition schedule Helsinki Kunsthalle Finland October 6-December 6 2006 Centre International pour la Ville l'Architecture et le Paysage CIVA Brussels Spring 2007 National Building Museum Washington D C Winter Spring 2008 Additional venues to be determined
