Do Less Harm Courtney E. Thompson, Kylie M. Smith, 2025-08-05 Offers reflections provocative questions and practical strategies for ethical responsible approaches to health history In Do Less Harm editors Courtney E Thompson and Kylie M Smith bring together a group of leading historians and scholars to confront one of the most pressing questions in health history How can we ethically approach stories of medicine and health without perpetuating harm This thought provoking collection invites readers into a crucial conversation about the responsibilities of historians when documenting the past Through carefully curated essays the contributors explore the ethical dilemmas that arise in researching teaching and writing about the history of health care From patient privacy to the politics of archives the essays cover how health histories have often overlooked misunderstood or misrepresented the people and communities most affected by medical practices The contributors challenge the assumptions of the field offering a more thoughtful approach to historical research one that emphasizes empathy accountability and inclusivity The book raises provocative questions and proposes practical strategies for historians and scholars to do less harm in their work and is organized around key themes such as research teaching writing and public engagement making it an indispensable resource for anyone working in the history of health care ethics or the health humanities With its engaging style and accessible insights Do Less Harm offers a fresh and timely perspective for academics students and readers interested in the ethical challenges of representing the past

[La historia política del Nunca Más](#) Emilio Crenzel, 2024-01-25 En la noche del 20 de septiembre de 1984 a menos de un a o del retorno de la democracia en la Argentina la Comisi n Nacional sobre la Desaparici n de Personas Conadep entreg al presidente Alfons n el informe de su investigaci n Su t tulo era Nunca M s En la Plaza de Mayo setenta mil personas participaban del acto Este libro reconstruye la historia del emblem tico informe y muestra las luchas libradas en torno a la memoria de un pasado conflictivo y las pugnas entre distintos actores por establecer una interpretaci n En un relato claro y apasionante Emilio Crenzel cuenta

cómo fue la elaboración del informe su circulación y sus usos en la esfera pública y explica por qué la frase Nunca Más sintetiza en el presente un sentido sobre este pasado pero a la vez sobre el futuro Basándose en entrevistas a los integrantes de la Conadep dirigentes políticos miembros de los organismos de derechos humanos e intelectuales muestra cómo la investigación logró constituir un nuevo conocimiento y una nueva verdad pública sobre las desapariciones y sus responsables Examina además la utilización del texto en el Juicio a las Juntas Militares y en numerosas producciones culturales sobre el tema A cuarenta años del Nunca Más cuando vemos crecer las voces que niegan justifican y/o reivindican la persecución política organizada por la dictadura esta nueva edición actualizada del libro de Emilio Crenzel se vuelve fundamental para repensar la memoria del pasado reciente que no es lineal sino materia de disputa y controversia *Aves de paso* Birgit Mertz-Baumgartner, 2022-10-04 El presente volumen toma prestado el título *Aves de paso* de un relato de Reina Roff y reúne quince estudios académicos como tres contribuciones literarias presentados en el XIV Congreso de la Asociación Alemana de Hispanistas en 2003 Los artículos se dedican al estudio de obras literarias de autores latinoamericanos desde los años 70 hasta hoy que se enfrentan a experiencias de la migración el exilio y los procesos de transculturación Basándose en las teorías postcoloniales investigan las imágenes y metáforas que traducen la situación del migrante así como los diferentes enfoques de los textos sea en el desarraigo y la pérdida de pertenencia cultural y lingüística sea en el desafío que reside en nuevas identidades fronterizas y transculturales Las tres autoras Esther Andradi Alicia Kozameh y Reina Roff presentan sus visiones y transposiciones literarias de la migración **Pensar los 30.000** Emilio Crenzel, 2025-03-01 Los setenta siguen siendo un terreno minado en la Argentina Nada deja esto tan en evidencia como la discusión sobre las responsabilidades por el ciclo de violencia política y sobre el número de desaparecidos un tema que vuelve una y otra vez y divide de un lado a quienes sostienen posiciones abiertamente negacionistas y del otro a quienes enarbolan el símbolo de los 30.000 Cómo salir del laberinto por arriba sin alimentar tabúes que suelen retornar de la peor manera si no es a partir de un trabajo serio sostenido en datos Con un interrogante central como ¿qué sabía la sociedad sobre la represión clandestina en los años posteriores al golpe de Estado y basándose en la revisión de archivos testimonios y documentos Emilio Crenzel reconstruye cómo los familiares de desaparecidos los organismos de derechos humanos los exiliados y las organizaciones armadas elaboraron de manera paulatina un saber sobre el sistema de desaparición Y analiza las miradas muchas veces en tensión entre sí sobre los responsables el paradero de las víctimas las estrategias para contabilizarlas y su destino final Así muestra que incluso en el universo de los denunciantes había interpretaciones divergentes en parte porque la magnitud del horror dificultaba asumir lo que estaba pasando Con un enfoque riguroso y a la vez con gran sensibilidad este libro imprescindible apuesta a decirnos que pensar los 30.000 implica volver a contarlos en más de un sentido para explicar de dónde sale la cifra pero sobre todo para afrontar con fundamentos certeros las preguntas más incómodas Y para reconocer lo que todavía ignoramos sobre los propios desaparecidos los sobrevivientes y los perpetradores **Revista de psicología de El Salvador**, 1988 *The*

Impact of Human Rights Prosecutions Ulrike Capdepón ,Rosario Figari Layús,2020-11-16 New perspectives on human rights prosecutions in various regional contexts Human rights prosecutions are the most prominent mechanisms that victims demand to obtain accountability Dealing with a legacy of gross human rights violations presents opportunities to enhance the right to justice and promote a more equal application of criminal law a fundamental condition for a more substantive democracy in societies This book seeks to analyse the impact advances and difficulties of prosecuting perpetrators of mass atrocities at national and international levels What role does criminal justice play in redressing victims wrongs guaranteeing the non repetition of mass atrocities and attempting to overcome the damage caused by systematic human rights violations This volume addresses critical issues in the field of human rights prosecution by drawing on the experiences of a variety of post conflict and authoritarian countries covering three world regions Contributing authors cover prosecutions in post Nazi Germany post Communist Romania and transnational legal complaints by victims of the Franco dictatorship as well as domestic and third country prosecutions for human rights violations in the pioneering South American countries of Argentina Chile Peru and Uruguay prosecutions in Darfur and Kenya and the work of the International Criminal Court The Impact of Human Rights Prosecutions offers insights into the difficulties human rights trials face in different contexts and regions and also illustrates the development of these legal procedures over time The volume will be of interest to human rights scholars as well as legal practitioners participants justice system actors and policy makers

Discursive Remembering Lucas M. Bietti,2014-10-14 This book aims at building a bridge between the social and political aspects of remembering and the cognitive and discourse processes driving such activities By analyzing these cognitive and discursive processes Bietti explores practices of individual and collective remembering in institutional and private settings in relation to periods of political violence in Argentina This books begins to fill the conceptual gap between cognitive oriented approaches to remembering that draw conclusions about how memory functions in the mind without a detailed discourse analysis of the communicative interaction in which this process unfolds and the discourse and pragmatic oriented approaches that are mainly interested in analyzing the rhetorical features of conversational remembering in some cases disregarding that there are underlying cognitive mechanisms that drive the construction of discourses about past experiences The empirical analysis shows that individual and collective remembering in relation to periods of political violence in Argentina vary in pragmatic ways due to the fact that these accounts of the past were constructed with reference to the communicative situation Thus this book also aims at shedding new light on the current practices of commemoration and remembrance related to periods of political violence in Argentina in public and private settings

State Terrorism and the Politics of Memory in Latin America Gabriela Fried Amilivia,2016-01-28 This book examines the intergenerational transmission of traumatic memories of the dictatorship in the aftermath of the two first decades since the Uruguayan dictatorship of 1973 1984 in the broader context of public policies of denial and institutionalized impunity Transitional justice studies have tended to focus on

countries like Argentina or Chile in the Southern Cone of Latin America. However, not much research has been conducted on the silent cases of transitions as a result of negotiated pacts. The literature on memory, trauma, and impunity has much to offer to studies of transition and post-authoritarianism. This book situates the human and cultural experience of state terrorism from the perspective of the experiences of Uruguayan families through an in-depth ethnographic, cultural, psycho-social, and political interdisciplinary study. It will be a valuable resource to students, scholars, and practitioners who are interested in substantive questions of memory, democratization, and transitional justice set in Uruguay's scenario, as well as to human rights policy makers, advocates, and educators, and social and political scientists, cultural analysts, politicians, social psychologists, psychotherapists, and activists. It will also appeal to the general public who are interested in the problem of how to transmit the stories and meaning of traumatic experiences as a result of gross human rights violations, the cultural and generational effects of state terror, and the politics of impunity. This book is essential for collections in Latin American studies, political science, and sociology.

Unveiling the Magic of Words: A Report on "**Efectos Psicofgicos De La Represifn Polf Tica**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Efectos Psicológicos De La Represión Política Introduction

In the digital age, access to information has become easier than ever before. The ability to download Efectos Psicológicos De La Represión Política has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Efectos Psicológicos De La Represión Política has opened up a world of possibilities. Downloading Efectos Psicológicos De La Represión Política provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Efectos Psicológicos De La Represión Política has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Efectos Psicológicos De La Represión Política. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Efectos Psicológicos De La Represión Política. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Efectos Psicológicos De La Represión Política, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Efectos Psicofísicos De La Represión Política has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
