

A decorative border with a repeating wavy pattern runs along the top edge of the slide.

Effeminate England: Homoerotic Writing After 1885 (Gender in Writing)

Bristow, Joseph

Note: This is not the actual book cover

Effeminate England

David Kirk

Effeminate England:

Effeminate England Joseph Bristow, 1995 Focusing on the works and lives of several prominent British literary figures of the past century including E M Forster John Addington Symonds and Quentin Crisp Bristow English U of York England shows how the stereotype of effeminacy has been variously celebrated and challenged during the years since the 1885 Labouchere Amendment which criminalized male homosexual contact Annotation copyright by Book News Inc Portland OR **The Forger's Tale** Stephanie Newell, 2006 Publisher Description *The Image of the English Gentleman in Twentieth-Century Literature* Christine Berberich, 2016-03-03 Studies of the English gentleman have tended to focus mainly on the nineteenth century encouraging the implicit assumption that this influential literary trope has less resonance for twentieth century literature and culture Christine Berberich challenges this notion by showing that the English gentleman has proven to be a remarkably adaptable and relevant ideal that continues to influence not only literature but other forms of representation including the media and advertising industries Focusing on Siegfried Sassoon Anthony Powell Evelyn Waugh and Kazuo Ishiguro whose presentations of the gentlemanly ideal are analysed in their specific cultural historical and sociological contexts Berberich pays particular attention to the role of nostalgia and its relationship to Englishness Though Englishness and by extension the English gentleman continue to be linked to depictions of England as the green and pleasant land of imagined bygone days Berberich counterbalances this perception by showing that the figure of the English gentleman is the medium through which these authors and many of their contemporaries critique the shifting mores of contemporary society Twentieth century depictions of the gentleman thus have much to tell us about rapidly changing conceptions of national class and gender identity Beastly Journeys Tim Youngs, 2013-11-06 A critical exploration of travel animals and shape changing in fin de siècle literature **Frederic Leighton** Keren Rosa Hammerschlag, 2017-07-05 Keren Rosa Hammerschlag's Frederic Leighton Death Mortality Resurrection offers a timely reexamination of the art of the late Victorian period's most institutionally powerful artist Frederic Lord Leighton 1830 1896 As President of the Royal Academy from 1878 to 1896 Leighton was committed to the pursuit of beauty in art through the depiction of classical subjects executed according to an academic working method But as this book reveals Leighton's art and discourse were beset by the realisation that academic art would likely die with him Rather than achieving classical perfection Hammerschlag argues Leighton's figures hover in transitional states between realism and idealism flesh and marble life and death as gothic distortions of the classical ideal The author undertakes close readings of key paintings sculptures frescos and drawings in Leighton's oeuvre and situates them in the context of contemporaneous debates about death and resurrection in theology archaeology and medicine The outcome is a pleasurable macabre counter biography that reconfigures what it meant to be not just a late Victorian neoclassicist and royal academician but President of the Victorian Royal Academy **The Love of David and Jonathan** James E. Harding, 2016-04-08 Were David and Jonathan gay lovers This very modern question lies behind the recent

explosion of studies of the David and Jonathan narrative Interpreters differ in their assessment of whether 1 and 2 Samuel offer a positive portrayal of a homosexual relationship Beneath the conflict of interpretations lies an ambiguous biblical text which has drawn generations of readers from the redactors of the Hebrew text and the early translators to modern biblical scholars to the task of resolving its possible meanings What has not yet been fully explored is the place of David and Jonathan in the evolution of modern Western understandings of same sex relationships in particular how the story of their relationship was read alongside classical narratives such as those of Achilles and Patroclus or Orestes and Pylades The Love of David and Jonathan explores this context in detail to argue that the story of David and Jonathan was part of the process by which the modern idea of homosexuality itself emerged

Men & Masculinities Michael S. Kimmel, Amy B. Aronson, 2003-12-11 The first encyclopedia to analyze summarize and explain the complexities of men s lives and the idea of modern manhood The process of making masculinity visible has been going on for over two decades and has produced a prodigious and interesting body of work But until now the subject has had no authoritative reference source Men Masculinities a pioneering two volume work corrects the oversight by summarizing the latest historical biological cross cultural psychological and sociological research on the subject It also looks at literature art and music from a gender perspective The contributors are experts in their specialties and their work is directed organized and coedited by one of the premier scholars in the field Michael Kimmel The coverage brings together for the first time considerable knowledge of men and manhood focusing on such areas as sexual violence intimacy pornography homophobia sports profeminist men rituals sexism and many other important subjects Clearly this unique reference is a valuable guide to students teachers writers policymakers journalists and others who seek a fuller understanding of gender in the United States Annual Report of the Minister of Agriculture and Food Ontario. Dept. of Agriculture and Food, 1918 Annual Report of the Department of Agriculture and Food Ontario. Dept. of Agriculture and Food, 1918 Consists of individuals reports of each of the branches of the department Annual Report Ontario. Department of Agriculture and Food, 1918 *Annual Report of the Minister of Agriculture* Ontario. Department of Agriculture, 1918

Annual Report of the Department of Agriculture, for the Province of Ontario Ontario. Department of Agriculture, 1918 Consists of separately paged reports of bodies related to the Dept **Sessional Papers - Legislature of the Province of Ontario** Ontario. Legislative Assembly, 1917 **Report of the Commissioner of Agriculture and Arts** Ontario. Department of Agriculture, 1918 **Sessional Papers** Ontario. Legislative Assembly, 1917 **Ontario. Canada. Department of Agriculture. Annual Report**, 1918 **Annual Report** Ontario. Department of Agriculture, 1918 **King James VI and I and the History of Homosexuality** M. Young, 1999-09-22 James VI and I was the most prominent homosexual figure in the early modern period Young has amassed the evidence surrounding James and related it to the larger history of homosexuality The result is a synthesis of old and new history that illuminates Jacobean politics and challenges many current assumptions about effeminacy manliness sodomy sexual constructs and sexual discourse before the

eighteenth century **Lytton Strachey and the Search for Modern Sexual Identity** Julie Anne Taddeo, 2002 This book explores the relationship between British modernism and sexuality and discusses the work of Lytton Strachey and the Bloomsbury Group in relation to ideas of homosexuality and sexual identities The Contagious City Simon Finger, 2012-05-03 By the time William Penn was planning the colony that would come to be called Pennsylvania with Philadelphia at its heart Europeans on both sides of the ocean had long experience with the hazards of city life disease the most terrifying among them Drawing from those experiences colonists hoped to create new urban forms that combined the commercial advantages of a seaport with the health benefits of the country The Contagious City details how early Americans struggled to preserve their collective health against both the strange new perils of the colonial environment and the familiar dangers of the traditional city through a period of profound transformation in both politics and medicine Philadelphia was the paramount example of this reforming tendency Tracing the city's history from its founding on the banks of the Delaware River in 1682 to the yellow fever outbreak of 1793 Simon Finger emphasizes the importance of public health and population control in decisions made by the city's planners and leaders He also shows that key figures in the city's history including Benjamin Franklin and Benjamin Rush brought their keen interest in science and medicine into the political sphere Throughout his account Finger makes clear that medicine and politics were inextricably linked and that both undergirded the debates over such crucial concerns as the city's location its urban plan its immigration policy and its creation of institutions of public safety In framing the history of Philadelphia through the imperatives of public health The Contagious City offers a bold new vision of the urban history of colonial America

The Enigmatic Realm of **Effeminate England**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic.
