Eight Characteristics Of Highly Effective Christians:

VIII Chris Spicer,1996 The theme of this volume is the eight attitudes taught by Jesus in the Sermon on the Mount These lay the foundations for a profoundly Christian world view The examples and insights for example the true joy to be found in the midst of sorrow make this a source of spiritual inspiration *Charts for a Theology of Evangelism* Thomas P. Johnston,2007-07-01 Like no other book before it *Charts for a Theology of Evangelism* gathers ninety three unique charts based on author Thomas P Johnston s twenty three years of practicing and teaching personal evangelism This excellent classroom preaching or personal study resource features nine major sections and each chart from The Urgencies that Drive Evangelism to Five Interpretations of Salt in Matthew 5 13 to Biblical Stages in Theological Drift includes an explanation and contextual set up from the author *Against the Tide* Carl Herbster,Randy Hurst,2011-09 Young people are surrounded by media militantly attacking biblical virtue and values The goal of Christian education is still to present every man perfect in Christ but postmodernism declares that there is no one right way to live In the midst of this conflict many Christian school leaders are surrendering lowering their expectations in order to bring in more students tolerating an atmosphere which works against the basic purpose for which the schools were founded *Against the Tide* calls the Christian education movement back to its mission The ideas offered in this book are thoroughly practical The authors have effectively implemented these principles in their Christian schools More important these ideas are thoroughly biblical in their understanding of the role of Christian education and in particular of the Christian school in helping parents to develop Christlike character in young people **The Worship Architect** Constance M. Cherry,2010-03-01 There are many books available on the topic of worship today but few provide a comprehensive practical method for worship design Constance M Cherry a worship professor and practitioner provides worship leaders with credible blueprint plans for successfully designing worship services that foster meaningful conversation with God and the gathered community Readers will learn how to create services that are faithful to Scripture historically conscious relevant to God Christ centered and engaging for worshipers of all ages in the twenty first century The book sets forth basic principles concerning worship design and demonstrates how these principles are conducive to virtually any style of worship practiced today in a myriad of Christian communities It will also work well as a guide for worship planning teams in local churches and provide insight for worship students pastors and church leaders involved in congregational worship **Indispensable Guide for Smaller Churches** David R. Ray,2009-06-01 This book complements the author s earlier titles from The Pilgrim Press *The Big Small Church Book* and *Wonderful Worship in Smaller Churches* Ray expands on the earlier works by treating such subjects as communal theology theories and tools for understanding smaller churches worship education and finance His vision is to lead even smaller churches toward the year 2030 Jesuscopy Douglas Gonçalves,2024-08-29 The purpose of Douglas Gon alves s book *JesusCopy* is to invite all who call themselves Christians to a real and revolutionary commitment to imitate Christ in all they think say do and choose not to do

The author discusses common problems and points out solutions and pathways on the journey with the Master Gonçalves is intent on rousing those who are unaware of their own shortcomings so they can become aware of their flaws and seek to conform to the image of the Son I therefore recommend this book My prayer is that it will be a precious tool for bringing people to Christ and building up God's people May this work spread to every corner of the country and beyond bringing the clear message of God's grace to thousands of hearts **Hernandes Dias Lopes**

Too often skeptics charge Christians with having a blind faith Unfortunately believers have added fuel to the charges of skeptics by speaking of their faith illogically But the Christian faith is not a blind faith In fact biblical faith is never a blind irrational faith Christianity rests firmly on the stone that was rejected by the builders which has become the cornerstone Jesus Christ Acts 4:11 Living biblically requires thinking biblically just as to think biblically entails to live biblically as Winfried Corduan notes in the Foreword As followers of Christ believers cannot separate biblical thinking and biblical living These two behaviors are eternally connected not only in the person of Jesus Christ but they stem from the eternal being of God the Father and his eternal truth Christ mandates that his followers love God with their entire being heart soul mind and strength Mark 12:30 How are believers to go about living out this biblical mandate Christian faith is a warranted belief This is why it is so essential that Christians recognize the value and importance of philosophy and its proper place in Christendom and in the Christian's walk **Conversion of Chinese Students in Korea to Evangelical Christianity** Chang Seop Kang, 2022-01-28
