**Veils of an Eagle** Lisa Al-gharaballi, 2008-12-08 Summary This book is a captivating story about Arabian and American culture clashing together during a time when the East and West are transforming into their future Changes were happening on both sides such as new music new fashion and new foods mingled within a belief system that had to make compromising promises These changes would allow new friends and business relationships to develop hoping to insure a positive future for all nations The story also speaks of love life and the choices we make while surviving under the most extreme circumstances of war foreign marriage and living far away from home The adventures relayed in the book are based on a true story

Duke's Diary Ken Vail, 2002-09-27 Part Two begins with Ellington's return from his band's European tour in June 1950 and concludes with his death in 1974 *From STUMBLING BLOCKS To BUILDING BLOCKS* Alveda King, 2012-06

**Something to Live for** Walter van de Leur, 2002 The first full study of Billy Strayhorn's music offers a revealing reassessment of his 30 year collaboration with Duke Ellington 11 halftones 69 line illustrations **Duke Ellington and His World** A. H. Lawrence, 2001 Based on lengthy interviews with Ellington's bandmates family and friends Duke Ellington and His World offers a fresh look at this legendary composer The first biography of the composer written by a fellow musician and African American the book traces Ellington's life and career in terms of the social cultural political and economic realities of his times Beginning with his birth in Washington DC through his first bands and work at the legendary Cotton Club to his final great extended compositions this book gives a thorough introduction to Ellington's music and how it was made It also illuminates his personal life because for Ellington music was his life and his life was a constant inspiration for music David Lean Stephen M. Silverman, 2019-01-15 Here is the story of Sir David Lean one of the greatest moviemakers of all time director of such epics as Lawrence of Arabia Doctor Zhivago The Bridge on the River Kwai and A Passage to India Stephen M Silverman spent the better part of a year meeting with Lean to secure firsthand information for this book An intensely private man Lean opened up to Silverman and shared with him the story of his life from his Quaker upbringing through his decade as Britain's star film editor to his work as a director earning him through his intelligent literate films a reputation for perfection Lean's movies which collected an unprecedented twenty seven Academy Awards are noted for their stunning pictorial content as well as their strong narrative flow and many of Lean's colleagues have shared their personal recollections with the author who has added a new afterword to the book The memories and anecdotes from such film notables as Alec Guinness Katharine Hepburn Julie Christie Maurice Jarre John Mills Omar Sharif Judy Davis and Sarah Miles serve to further enliven this already vivid biographical and critical study Katharine Hepburn starred in Summertime Lean's first film to be shot entirely on location Her Introduction discusses Sir David as both an incomparable director and a great friend Rolling Stone Stephen M Silverman has guided the famously reclusive Lean into lively witty and informative recollections of his life and work on such hits as The Bridge on the River Kwai Doctor Zhivago Brief Encounter and A Passage

to India as well as Lawrence of Arabia Here's that rare book on movies that can really be called indispensable Los Angeles Times Perhaps most surprising to his friends Lean allowed himself to be interviewed at length by critic Stephen Silverman David Lean is interesting not least for the candor with which Lean admitted that the reviews of Ryan's Daughter devastated him and almost paralyzed him creatively The Boston Globe Bright chatty cant free Without lapsing into critspeak Silverman adroitly lays out the evidence for what's shaping up as an emergent reassessment of Lean's output and provides flavorful eyewitness testimony pro and con Chicago Tribune It's fitting that the most exquisitely crafted book on film should deal with one of the motion pictures supreme craftsmen David Lean Lean himself contributes many insights and anecdotes and there are fascinating behind the camera tales of both his meticulous technique and his messy battles with producers and stars Financial Times This portrait of the film director as old lion is well researched and highly readable We goggle at the account of Lean's Quaker upbringing and his parents' horror of the cinema They wanted him to become an accountant We follow Lean's early creative romances with Noël Coward four films and Charles Dickens two And we listen to Lean and Katharine Hepburn quarreling via Silverman over who was responsible for her ill-fated jump into the Venice canal in Summertime Variety As lavish as Lean's best films Stephen M Silverman's David Lean is an important addition to the collective library of film books

Mojaddedi, 2013-11-19 This book is a study of the major works of Sufi historiography which takes the form of collections of biographies It provides a literary context in which one can appreciate fully the theological significance and historical value of Sufi biographies **The Mysteries of Allah and His Muhammad** Fatai Badmos, 2016-12-02 The Mysteries of Allah and His Muhammad is indeed a scanty summary of a potentially great debate However unwieldy or incomprehensible the actual details may be certain contexts of the whole or part can always be identified for discussion In the physique of mankind Allah manifests He does so on nature glaringly just as is inferred from various sections of the book Whilst He does the divinity of a being not more than a prophet is also undoubtedly established That co joining of the One and Only Creator and a creation a man Muhammad who coincidentally is most positively and negatively controversial should interest those who consider man to be the meanest of

God's creations That we may not discount knowledge of any sort even that considered most sacrilegious science God's inspiration to a mortal being Muhammad corroborates too many ideas put forth by scientists or intellectuals discoveries and postulations What a mystery that the lightbulb which in theory and description was already encoded in the Quran more than a thousand years ago before one bulb ever rolled out in a factory Only simple minds take things for granted and give no thought to the grandiose schemes of our world and its elements This book serves as a jolt to those who oversimplify what is or the mysterious

**Encyclopedia of Film Noir** Geoff Mayer, Brian McDonnell, 2007-06-30 When viewers think of film noir they often picture actors like Humphrey Bogart playing characters like Sam Spade in *The Maltese Falcon* the film based on the book by Dashiell Hammett Yet film noir is a genre much richer The authors first examine the debate surrounding the parameters of the genre and the many different ways it is defined They discuss the Noir City its setting and backdrop and also the cultural WWII and institutional the House UnAmerican Activities Committee and the Production Code Administration influences on the subgenres An analysis of the low budget and series film noirs provides information on those cult classics With over 200 entries on films directors and actors the *Encyclopedia of Film Noir* is the most complete resource for film fans students and scholars

Cosmo Lang Robert Beaken,2012-10-09 The period 1928 1942 saw some of the greatest political and social upheavals in modern British history Lang as Archbishop of Canterbury led the Church of England through this tumultuous period and was a pivotal influence in political and religious decision making In this book Robert Beaken provides a new perspective on Lang including his considerable relationship with the royal family Beaken also shows how Lang proved to be a sensitive leader during wartime opposing any demonisation of the enemy and showing compassion to conscientious objectors Despite his central role at a time of flux there has been little written on Lang since the original biography published in 1949 and history has not been kind to this intellectually gifted but emotionally complex man Although Lang has often been seen as a fairly unsuccessful archbishop who was resistant to change Beaken shows that he was in fact an effective leader of the Anglican community at a time when the Church of England was internally divided over issues surrounding the Revised Prayer Book and its position in an ever changing world Lang's reputation is therefore ripe for reassessment Drawing on previously unseen material and first hand interviews Beaken tells the story of a fascinating and complex man who was he argues Britain's first modern Archbishop of Canterbury

**Salome** An Invitation to the Dance begins when the Bogweasel family spends a week by the lake but the weather is not good To entertain his brood Mr Bogweasel a history teacher suggests they do some research Since he doesn't agree with the historical inaccuracies of a Hollywood movie called Salome he makes the biblical dancer the family's research subject The Bogweasels discover quite a lot about their subject even though their efforts are interrupted by romance and adventures on the lake During the barbecue that marks the end of their holiday they announce their findings to friends neighbors and extended family They are surprised to find out that even though 2000 years have passed since the time of Salome feelings still run strong *Jingling in the Wind* Elizabeth Madox Roberts, 1928 **Journal of the Malayan Branch of the Royal Asiatic Society**, 1928 **Journal of the Malaysian Branch of the Royal Asiatic Society** Malaysian Branch of the Royal Asiatic Society, 1928 Includes the annual report of the Malaysian Branch Royal Asiatic Society **Spellbound by Beauty** Donald Spoto, 2008-10-28 The trouble today is that we don't torture women enough Alfred Hitchcock It is remarkable how infrequently over a period of more than fifty years Alfred Hitchcock spoke about the beautiful legendary and talented actresses he directed And when he did his remarks were mostly indifferent and often hostile But his leading ladies greatly enriched his films even as many of them achieved international stardom precisely because of their work for Hitchcock among the dozens of women were Madeleine Carroll Joan Fontaine Grace Kelly and Tippi Hedren Yet he maintained a stony insistent silence about the quality of their performances and their contributions to his art **Spellbound by Beauty** the final volume in master biographer Donald Spoto's Hitchcock trilogy that began with *The Art of Alfred Hitchcock* and continued with *The Dark Side of Genius: The Life of Alfred Hitchcock* is the fascinating complex and finally tragic story of the great moviemaker and his female stars the unusual ideas of sex and romance that inform his films and the Hollywood dreams that often became nightmares Rich with fresh revelations based on previously undisclosed tapes new interviews private correspondence and personal papers made available only to the author this thoughtful compassionate yet explosive portrait details Hitchcock's outbursts of cruelty the shocking humor and the odd amalgam of adoration and contempt that time and again characterized Hitchcock's obsessive relationships with women and that also paradoxically fed his genius He insisted for example that Madeleine Carroll submit herself to painful physical demands during the making of *The 39 Steps* He harbored a poignantly unrequited love for Ingrid Bergman He meticulously and deliberately constructed Grace Kelly's image Finally he stalked

harassed and abused Tippi Hedren His treatment of his daughter Pat was certainly unusual while his strange marriage to his sometime collaborator Alma Reville was a union that according to Hitchcock himself was forever chaste after one incident Spellbound by Beauty offers important insights into the life of a brilliant powerful eccentric and tortured artist and it corrects a major gap in movie history by paying tribute at last to those extraordinarily talented actresses who gave so much to his films
