

Sample Autobiographical Essay

My name is Jeremy Maggi. I am a teacher at Orange Glen High School in Escondido, California. I am writing an autobiographical essay, a story about an event in my life and how it changed me. I am writing about a scary meeting I had with a rattlesnake when I was younger to show what I learned and to tell how this event was important to me.

It all happened one summer day in 1995 when I was ten years old. At that time, I was living in Valley Center, California with my parents and my brother. Our house was out in the country and there were many wild plants and animals, and I loved to go on walks with my father through the wilderness. On that day, my father, my younger brother, and I were taking a walk in the bushes outside my house. I wanted to lead, so I walked in front, my brother followed me, and my father was in the back. It was a beautiful day when we started walking; the deep blue sky was above us, the sun shined on us from over our heads, and all around you could hear the buzz of insects and the rustle of the wind on the leaves of the beautiful green bushes. I could smell the lovely smell of the summer flowers all around me.

Suddenly, and without warning, my father rushed to the front and pushed me aside. "Hey! What the heck!" I thought. But, just then, I heard a terrible buzz from where I had just been about to step. I looked and I saw a giant, red diamond-back rattlesnake in the path where I had been walking! His rattle was shaking and he was very angry. I could see his tongue flick in and out of his mouth. His narrow eyes looked at me. I felt my heart pounding in my chest. The cold wind blew on my sweating skin. Now I knew why my dad had pushed me.

We sat there for a while because we didn't want the snake to strike and attack us, and the snake stayed there, too, because he was afraid of us also. We called to our neighbor, Ken, who happened to be out, and he came with a shovel to kill the snake. Clang! With one hit he cut off the snake's head. Ken grabbed the snake by the tail and carried it back home, its blood still dripping on the ground. When he got home, he skinned it and ate it up. Yum! Everything turned out all right after all.

Even though it has been many years, this story still stays in my mind. I remember that day a lot, and I am thankful that my dad saved me from being bitten by the snake. I also learned that I should be more careful when I am walking out in the wild and treat animals with respect. That is why this was an important event in my life.

Republic an irreverent man who refused to follow the latest revolutionary dogmas but was merciless in knocking the sawdust out of the stuffy orthodoxies Johnson can believe in other men because he has a quiet fortress of strength in himself Lytton Strachey remarked that it is harder to write a good life than to lead one Alvin Johnson has done both Max Lerner The American Scholar This autobiography is remarkable for the long and fruitful span of life which it records for the rich and varied contents and for the humor which the author plays upon every chapter every chapter bears witness to the honesty of the author's statement Never in all my life have I given a hoot for personal security George M Stephenson The American Historical Review This American success story is refreshingly different from the usual rags to riches one Alvin Johnson is the best kind of man that America produces and his autobiography both in the writing and the story that is told is one of the best books of the year The Providence Journal It is necessary for any thoughtful American to take Pioneer's Progress in hand You can pick it up lay it down come back to it at any odd moment even on the subway with pleasure and profit It is as various in content as a good meal Dorothy Canfield Fisher What you will remember is the Nebraska boy applying his farmbred wisdom and his father's courage to all the questions that fate tossed his way New York Herald Tribune Alvin Johnson's biography ought to be required reading both here and abroad for anyone who wants to understand American government and the American spirit Adolf A Berle Jr A fine and mellow autobiography by the father of adult education in this country His book is alive with anecdotes on everything from life on a remote Nebraska farm to pioneering in the field of the social sciences Education's man of action in a self portrait which is permeated with a homespun charm and humor and invigorated by the character of the man and his impressive influence Kirkus Reviews This book relates the interesting life story of a great American liberal and intellectual leader The reader of Pioneer's Progress is constantly amazed at the versatility of a man who is able to cram so many good works into one lifetime Yet his book is written with such simplicity modesty and self deprecating humor that one cannot help but like as well as admire him L S Curtis Journal of Negro History A lively story which the more or less retired president of the New School has written about his activities up to now a man's record of his own life Among the causes which this man helped turn into movements were land reclamation rescue of scholars from destruction by Hitler Mussolini and the Communists peace and racial justice But adult education is his great consuming passion Of this the New School for Social Research whose founding president he was is living testimony To Alvin Johnson all causes racial justice peace better farming and better health what have you are one with adult education One learns by reading by observing by arguing by acting by interacting with other people And perhaps this is the important thing about the man he would not be confined And it is in the story of the New School that we learn what the man Johnson really is This man is strictly a public entrepreneur Everett C Hughes Commentary Magazine Despite the sophistication of the higher reaches of learning and academic endeavor that form a large part of Johnson's story he never completely leaves the soil or the West The Nebraska beginnings so charmingly chronicled in the early part of the book seem tied intimately to later chapters that
