Edwin Arlington Robinsons Letters To Edith Brower Belknap Press:

Edwin Arlington Robinson's Letters to Edith Brower Edwin Arlington Robinson, Edith Brower, 1968 The letters begin when the 27 year old poet writes gratefully to the stranger who has expressed appreciation of his first book of poems Soon he was carrying on an intense correspondence with the woman he described as infernally bright and not at all ugly and too old to give me a chance to bother myself with any sentimental uneasiness Edwin Arlington Robinson's Letters to Edith Brower. Edited by Richard Cary Edith Brower, Edwin Arlington Robinson, Richard Cary, 1968

When Canadian Literature Moved to New York Nicholas James Mount, Nick Mount, 2005-01-01 Canadian literature was born in New York City It began not in the backwoods of Ontario or the salt flats of New Brunswick but in the caf s publishing offices and boarding houses of late nineteenth century New York where writing developed as a profession and where the groundwork for the Canadian canon was laid So argues Nick Mount in When Canadian Literature Moved to New York The last decades of the nineteenth century saw an extraordinary exodus from English Canada draining the country of half its writers and all but a few of its contemporary and future literary celebrities Motivated by powerful obstacles to a domestic literature most of these migrants landed in New York by the 1890s the centre of the continental literary market and found for the first time a large receptive literary market and recognition from non Canadian publishers and reviewers While the expatriates of the 1880s and 1890s including Bliss Carman Ernest Thompson Seton and Palmer Cox were recognized for their achievements in Canada the domestic literature they themselves spurred into existence rekindled a nationalist imperative to distinguish Canadian writing from other literatures especially American and this slowly eliminated most of their work from the emerging English Canadian canon When Canadian Literature Moved to New York is the story of these expatriate writers who they were why they left what they achieved and how they changed Canadian literary history King Arthur in America Alan Lupack, Barbara Tapa

Lupack, 1999 King Arthur in America analyzes the tremendous appeal of the Arthurian legends in America by examining the ways that Americans have found to democratize the Matter of Britain and to incorporate aspects of it not only into America s own mythologies but also into literature film social history and popular culture **Edwin Arlington Robinson** Nancy Carol Joyner, 1978

Uncollected Poems and Prose of Edwin Arlington Robinson Edwin Arlington Robinson, 1975 **Edwin Arlington Robinson** Scott Donaldson, 2007-01-09 At the time of his death in 1935 Edwin Arlington Robinson was regarded as the

leading American poet the equal of Frost and Stevens In this biography Scott Donaldson tells the intriguing story of this poet's life based in large part on a previously unavailable trove of more than 3 000 personal letters and recounts his profoundly important role in the development of modern American literature Born in 1869 the youngest son of a well to do family in Gardiner Maine Robinson had two brothers Dean a doctor who became a drug addict and Herman an alcoholic who squandered the family fortune Robinson never married but he fell in love as many as three times most lastingly with the woman who would become his brother Herman's wife Despite his shyness Robinson made many close friends and he repeatedly went out of his way to give them his support and encouragement Still it was always poetry that drove him He regarded writing poems as nothing less than his calling what he had been put on earth to do Struggling through long years of poverty and neglect he achieved a voice and a subject matter all his own He was the first to write about ordinary people and events an honest butcher consumed by grief a miser with eyes like little dollars in the dark ancient clerks in a dry goods store measuring out their days like bolts of cloth In simple yet powerful rhetoric he explored the interior worlds of the people around him Robinson was a major poet and a pivotal figure in the course of modern American literature yet over the years his reputation has declined With his biography Donaldson returns this remarkable talent to the pantheon of great American poets and sheds new light on his enduring legacy *Encyclopedia of American Poetry: The Nineteenth Century* Eric L. Haralson, 2014-01-21 With contributions from over 100 scholars the Encyclopedia of American Poetry The Nineteenth Century provides essays on the careers works and backgrounds of more than 100 nineteenth century poets It also provides entries on specialized categories of twentieth century verse such as hymns folk ballads spirituals Civil War songs and Native American poetry Besides presenting essential factual information each entry amounts to an in depth critical essay and includes a bibliography that directs readers to other works by and about a particular poet [The Best Books for Academic Libraries](#), 2002 Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers
