

EERDMANS' HANDBOOK TO CHRISTIANITY IN AMERICA

The varied and inspiring story of the Christian faith
in America from the Colonial period
to the present day.

Eerdmans Handbook To Christianity In America

Gary L. Thomas

Eerdmans Handbook To Christianity In America:

Eerdmans' Handbook to Christianity in America Mark A. Noll, 1983 Essays that provide a history of the Christian church in the United States with biographical information on church leaders the different organized churches and popular Christian movements

Christianity in America G. Wright Doyle, 2013-07-17 Was America founded as a Christian nation What role has the Christian faith of many of its leaders played in the course of its history How has Christianity affected American culture and society This trenchant critique of the role of Christianity in American history highlights both the ways in which Christians have made many valuable contributions as salt and light and how they have caused a great deal of damage by trying to be savior and lord Believers in Christ have built one of the most Christianized countries in the world with benefits for millions They have also nurtured messianic aspirations that have spawned disasters for themselves and other countries Generous in praise for dedicated believers who have reflected the character of Christ the book is also unsparing in criticism of Christians who have sometimes with the best intentions failed to act wisely In short the reader will be encouraged by the many triumphs of Christianity in America and sobered by its tragedy

America's Christian History Gary DeMar, 2005 From the founding of the colonies to the declaration of the Supreme Court America's heritage is built upon the principles of the Christian religion And yet the secularists are dismantling this foundation brick by brick attempting to deny the very core of our national life Gary DeMar presents well documented facts which will change your perspective about what it means to be a Christian in America the truth about America's Christian past as it relates to supreme court justices and presidents the Christian character of colonial charters state constitutions and the US Constitution the Christian foundation of colleges the Christian character of Washington D C the origin of Thanksgiving and so much more Publisher's description

History of the Christian Church Williston Walker, 2014-06-30 Since publication of the first edition in 1918 A History of the Christian Church by Williston Walker has enjoyed outstanding success and recognition as a classic in the field Written by an eminent theologian it combines in its narrative a rare blend of clarity unity and balance In light of significant advances in scholarship in recent years extensive revisions have been made to this fourth edition Three scholars from Union Theological Seminary in New York have incorporated new historical discoveries and provided fresh interpretations of various periods in church history from the first century to the twentieth The result is a thoroughly updated history which preserves the tenor and structure of Walker's original unparalleled text

5 Minute Church Historian Rick Cornish, 2014-02-27 Understand the big picture of church history and be more grounded in your faith This guidebook answers questions of the faith in ways that are easy to follow

A Christian View of the Church Francis A. Schaeffer, 1994 4

Death in the City

Another Gospel Ruth A. Tucker, 2004 Ruth A Tucker's book is a comprehensive survey of all the major alternative religions in the United States including the new groups since the 1960s

The Rise of the Global South Elijah Jong Fil Kim, 2012-04-06 Global Christianity has been experiencing an unprecedented historical transition from the West to

the non Western world The leadership of global Christianity has taken on a new face since the twentieth century Christendom in Europe and America has experienced a great decline while there has been a rise in Majority World Christianity Churches in the Global South have given their voices to global Christianity through their leadership world mission movements and theology The phenomenal church growth has risen from the Pentecostal and Charismatic movement Pentecostalism has become the dominant force in global Christianity today The Rise of the Global South examines the significance this shift has had on global Christianity by going through the history of Christianity in the West and the causes of the shift

All Is Forgiven Marsha G. Witten, 2023-11-14 How the image of God is being refashioned from the Protestant pulpit for an increasingly secular world In recent years direct mail Christianity has extended a new kind of invitation to the Protestant faithful slick brochures enumerating the social and psychological advantages of church attendance with no mention whatsoever of spiritual striving suffering or faith in God Does this kind of secularity prevail in mainline Protestant churches Marsha Witten looks for an answer to this question through an in depth analysis of preaching on an important New Testament text the Parable of the Prodigal Son Witten finds that the transcendent and awesome God of Luther and Calvin whose image informed early Protestant visions of the relationship between human beings and the divine has been greatly softened in demeanor in American Protestant churches with only minor resistance from conservative traditions As preached from the pulpits of the Presbyterian Church USA and the Southern Baptist Convention God is a deity whose primary function lies in providing psychological benefits to individual church members the Parable of the Prodigal Son portrays God as a loving and understanding daddy figure The focus is not on the challenges that the church could pose to the secular sphere of life Instead individuals are encouraged to make the right choices among the secular world s various offerings or as in many Southern Baptist messages to accept God s offer of rescue from the lostness of secular confusions Situating the sermon at the heart of Protestant worship All Is Forgiven shows how complex rhetorical strategies continue to transform Christian faith and help it survive in a secular world

Religion in America Timothy L. Hall, 2007 Presents an overview of the history of religion in America and includes excerpts from primary source documents short biographies of influential people and more

The Electronic Church in the Digital Age Mark Ward Sr., 2015-11-10 This two volume set investigates the evangelical presence in America as experienced through digital media examining current evangelical ideologies regarding education politics family and government Evangelical broadcasting has greatly expanded its footprint in the digital age This informative text acquaints readers with how the electronic church of today spreads its message through Internet podcasts social networking religious radio programs and televised sermons how mass media forms the institution s modern identity and what the future of the industry holds as mobile church apps Christian based video games and online worship become the norm The work split into two volumes reveals the ways that the Christian broadcast community affects evangelical traditions and influences American society in general Volume 1 explores how electronic media shapes today s Christian subculture while

the second volume describes how the electronic church impacts the wider American culture analyzing what key figures in evangelical mass media are saying about today's religious political economic and social issues The set concludes by addressing criticism about religious media and the prospects of American public discourse to accommodate both secular and religious voices

A ^AChristian Perspective on Political Thought Stephen Charles Mott,1993-05-27 Arguing that Americans make political choices in terms of a general notion of right and wrong yet lack a sound objective foundation for such values evangelical scholar Stephen Mott formulates a Christian political theory that supplies such norms Drawing on theological and biblical sources Mott thoroughly develops the biblical and theological foundations for politics and political evaluation Mott proposes that political philosophies should be evaluated in light of Christian theological and ethical values specifically the understanding of power human nature the nature of group life justice and love government and time He then applies this critical framework in an evaluation of political ideologies including traditional conservatism liberalism democracy laissez faire conservatism Marxist socialism and democratic socialism He gives special attention to their classical exponents and ideas Asserting that political visions ultimately depend on cultural values that themselves require vigorous religious faith in a particular society Mott's study offers a valuable introduction to Christian political thought as well as an illuminating look at the connection between politics and religion

Light the Fire Again James P. Williams,2021-12-17 What makes William Robinson's letter of 1741 so significant is that it checks three important boxes It highlights historical figures who have played a critical role on the world stage namely George Whitfield an Anglican cleric and evangelist It describes a significant event The Great Awakening a series of Christian revivals that swept through the American colonies It was written during an extraordinary time the smallpox epidemic was raging and severe weather had pummeled the land As an itinerant evangelist in New York New Jersey Pennsylvania Delaware Maryland Virginia North Carolina seven of the colonies and perhaps eight with Georgia Robinson had a great vantage point of historical events While he may not have been as well known as Whitfield he was just as fervent in his belief Revelatory and down to earth Light the Fire Again offers a look at the life and work of an important man of God and will inspire you to rekindle your faith and walk with the Lord

The New International Dictionary of Pentecostal and Charismatic Movements Stanley M. Burgess,Eduard M. van der Maas,2010-08-03 The Definitive History of the Spirit Filled Church Encyclopedic coverage of Activities of the Spirit over 2 000 years of church history in 60 countries and regions Outpourings at Topeka Mukti Mission India Azusa Street Duquesne University and many other 20th century locations Current movements among today's 500 million plus Pentecostal and charismatic Christians worldwide The New International Dictionary of Pentecostal and Charismatic Movements sets modern Spirit filled Christianity in a context that spans two millennia and the entire Christian world Like no other resource this volume reveals in detail the full sweeping legacy of Spirit empowered movements that have touched hearts and lives both in modern America and across the centuries and continents in medieval Europe Finland in the 1700s South India in the 1800s Azusa Street at the turn of the

20th century and much more including ongoing moves of the Holy Spirit throughout the world today One thousand entries provide the most extensive information available on Pentecostal charismatic and neocharismatic movements The diverse topics covered include as a small sample glossolalia black and Hispanic Pentecostalism prophecy the role of women faith healing music sociology missions church growth and different historic and contemporary revivals With its unique international and historical perspective this completely revised and expanded second edition of the acclaimed Dictionary of Pentecostal and Charismatic Movements offers features that no other reference of its kind approaches Its extraordinary scope and detailed up to date coverage make this the definitive resource on Pentecostal and charismatic denominations and movements both in North America and worldwide Includes Exhaustive coverage of Pentecostal and charismatic movements in 60 countries and regions individual histories cultural and theological aspects and key figures and institutions Statistical section with a wealth of current information on the growth of classical Pentecostalism as well as charismatic and neocharismatic movements 1 000 articles Over 500 photos and illustrations maps and timeline Cross references bibliographies and indexes to people places and topics

The Presbyterian Controversy Bradley J. Longfield, 1993-11-25 From 1922 to 1936 the Presbyterian Church in the U S A was torn by conflict Fundamentalists led by Clarence E Macartney William Jennings Bryan and J Gresham Machen modernists guided by Henry Sloane Coffin and moderates directed by Charles R Erdman and Robert E Speer struggled over theological questions and their implications for such issues as ordination requirements the role of Princeton Theological Seminary and foreign missions The church managed to maintain its institutional unity at the height of the conflict in the mid 1920s but the struggle resulted in a loosening of the church s doctrinal standards the reorganization of Princeton Seminary the founding of Westminster Theological Seminary and the eventual birth of the Presbyterian Church of America Weaving together the history of this ecclesiastical conflict with biographies of the six leaders Longfield shows that theological concerns though primary were not the only issues in the struggle He demonstrates that social and cultural considerations profoundly contributed to the roles of the leaders and to the outcome of the conflict Finally Longfield traces the current decline of the Presbyterian Church and other mainline denominations back to this period arguing that by embracing doctrinal pluralism they undermined the very foundations of their mission to the world He concludes that renewal can only be based on a biblical and creedal faith distinct from the values and norms of the surrounding culture

Sacred Pathways Gary L. Thomas, 2002 Thou Shalt Not Covet Thy Neighbor s Spiritual Walk After all it s his not yours Better to discover the path God designed you to take a path marked by growth and fulfillment based on your unique temperament In Sacred Pathways Gary Thomas strips away the frustration of a one size fits all spirituality and guides you toward a path of worship that frees you to be you If your devotional times have hit a snag perhaps it is because you re trying to follow someone else s path This book unfolds nine distinct spiritual temperaments their traits strengths and pitfalls In one or more you will see yourself and the ways you most naturally express

your relationship with Jesus Christ Whatever temperament or blend of temperaments best describes you rest assured it s not by accident It s by the design of a Creator who knew what he was doing when he made you according to his own unique specifications Sacred Pathways will show you the route you were made to travel marked by growth and filled with the riches of a close walk with God

Making America Luther S. Luedtke,1992 In this richly interdisciplinary work twenty eight of the nation s leading critics and scholars offer a comprehensive exploration of American society and culture Each outstanding in his or her own field the contributors address America from a diversit

Violence Against Women and Children Carol J. Adams,Marie Fortune,1995-11-01 Violence against women and children has reached epidemic proportions It cuts across all economic strata and is found in our urban centers and the farthest corners of the nation This is the only sourcebook on domestic violence for clergy and counselors

Contending for the Faith Daniel Richard Barnett,2002 Examines how a southern evangelical denomination was able to become the second largest religious body in a region characterized by cultural racial and religious pluralism and the effect this had on their structure and beliefs

The Evangelical Tradition in America Leonard Sweet,Leonard I. Sweet,1997 The essays collected in The Evangelical Tradition in America range over a vast plain of historical inquiry Yet they are linked by a common purpose and vision of the exploration through ever widening avenues of research into one of the most important movements in American culture and the uncovering of forgotten ill conceived or half perceived features of the Evangelical tradition This volume opens up new territory recharts the old and challenges and corrects several gaps in the historical topography of American Evangelicalism Emerging from the Charles G Finney Historical Conference at Colgate Rochester Divinity School Bexley Hall Crozer Theological Seminary in October 1981 these essays offer exciting interdisciplinary insights into the role of Evangelical religion in American society As major contributions to scholarship in American religion these investigations forge beyond the borders of Evangelicalism s role in issues now being explored by many American historians on the South blacks women urban centers millennialism and organizational structures They also provide directions from which to view Evangelicalism s impact on American history from the perspective of Southern popular religion the psychological aspects of black evangelicalism the stream of intellectual history and the Enlightenment and evangelical roots of millenarian ideology
