Catalog of Books*, 1996      **Office Administration and Automation**, 1983      Bibliographic Guide to Business and Economics New York Public Library. Research Libraries, 1984      **Communicate with Confidence!** Dianna Daniels Booher, 1994 Each year thousands of corporate employees learn to express themselves with confidence through Dianna Booher's communications seminars Now this communications dynamo has gathered her best techniques into a book designed to be read on the go by busy professionals Includes dozens of savvy tips for speaking listening and all the dynamics of verbal communication 10 illustrations      **Library Journal**, 1983      *The Management Skills Builder* Ralph S. Hambrick, 1991-09-30 Talent knowledge and hard work do not guarantee success in a managerial or professional career Competent knowledgeable and hardworking people often have less impact and achieve less career success than they deserve Sometimes the missing ingredient for success is a set of fundamental skills skills that give talent knowledge and hard work leverage and visibility The body of knowledge to be mastered in a technical or professional education leaves little or no time for the acquisition of skills that cut across disciplinary boundaries Used in all fields these generic skills are vital to the careers of many managers and professionals The manager and professional who can write efficiently and well who is an effective and willing public speaker who can interview effectively who can and does relate effectively with others who is personally able to use a computer and who can tap into the burgeoning volume of information with some precision has greater probability of success than one who cannot or does not The Management Skills Builder is intended to increase awareness of the need for these skills among intelligent and dedicated professionals and to suggest ideas about how these

skills may be acquired further developed and honed Strategies for the development of each skill are provided along with a resource list that includes recommended books videos and other learning aids     *Mortgage Banking* ,1984     *Books in Print* ,1994     *Management Accounting* ,1980     American Book Publishing Record ,1984-04     **Practical Software Reuse** Donald J. Reifer,1997-08-18 The comprehensive guide to software re engineering and reuse Despite the fact that most software uses the same blocks of code over and over again almost all software is built from the ground up Just starting to catch on is the idea that these blocks of code can be used as standard components in creating new applications However this assembly line mentality is foreign to most software developers Practical Software Reuse shows developers how to take advantage of existing codes to build commercial software faster and cheaper covering reuse operations competitive benchmarking transitioning to the reuse process utilizing off the shelf software and more     **The Management of Engineering** F. Lawrence Bennett,1996 Following a brief introduction to the engineering profession this text focuses on the different concepts of engineering management in areas such as quality personnel communications finance and legal concerns Topics such as professional liability and ethics are discussed at length     Books in Print Supplement ,2002
