Sorenson,Lloyd M. Goldsmith,David E. DeMatthews,2016-03-18 Make the most of your time and your leadership Is your school's vision getting buried under paperwork If you spend more time picking up pieces than putting them together this is your book Written by seasoned school principals this plan of action will get you back to the essence of your job instructional leadership By using educational technology to maximize efficiency you'll improve teaching student achievement resource management and school culture This comprehensive guide features Easy to follow single topic chapters Standards based scenarios and questions Time management self assessments Easily adaptable experiential exercises Strategies for battling the silent time thief **The New School Management by Wandering Around** William A. Streshly,Susan P. Gray,Larry E. Frase,2012-04-03 Achieve success step by step The topic of management by wandering around is not new but the authors approach is fresh and timely This current rendition based on the original work by Frase and Hetzel gives new and seasoned administrators smart practical advice about how to wander around with purpose and develop a more interactive leadership style This text cites more than 20 well constructed research studies that show how management by wandering around produces desirable outcomes including Higher student achievement Improved school culture Higher teacher efficacy Management by wandering around is not a rigid linear process it is a combination of proven methods and a flexible organic approach to the whole of leadership Topics covered include developing meeting agendas supervising instruction dealing with marginal teachers and creating safe campuses The bottom line If you want to accomplish more start by getting out more and this book shows you how to make it count *TIME MANAGEMENT IN THE LIFE OF A SCHOLAR* Kabiru Isa Dandago,2015-12-05 Time management is a subject that concerns everybody It is a challenge that has to be faced squarely by everyone who is interested in accomplishing his/her tasks within the limited time available and this time is equally endowed Good time management is an important factor in getting things done within the available 24 hour period of a day This book specially targets scholars who should be role models to other people on effective time management and utilization It is also hoped that the book will stimulate further research on the principles models and theories of time management Although the book has the scholar in mind other users of time in the various sectors of any economy will also find it useful **How School Principals Use Their Time** Moosung Lee,Katina Pollock,Pierre Tulowitzki,2021-06-11 Presenting international evidence from school systems across the globe this book documents patterns causes and effects of school principals time use building a case for the implications for school improvement administration and leadership This edited volume offers an unparalleled set of chapters that delve into conceptual and methodological issues

in researching principals time use Chapters consist of empirical studies that advance fresh perspectives and build empirical ground on how principals use time across different school systems in Africa Asia Europe Middle East Oceania and North America This unique book is a useful resource for researchers and educators capturing the geographically diverse contexts of principal time use This work makes a significant contribution to the field of school improvement administration and leadership with both theoretical depth and empirical grounding *Managerial Effectiveness and Effective Functioning of the B.Ed. College Principals* Dr. M. Ramakrishna Reddy,2017-02-28 Education is an instrument of social change It is a process which brings about modifications in the behaviour of society It helps individuals to develop their own perspectives on the world around them and pushes them to think both creatively and conceptually about many different subjects It enables individuals to effectively participate and contribute to the progress of humanity **An Administrative Handbook** Larry J. Stevens,2001 Would you like to become a more successful principal Then utilize a fellow principal s two decades of experience and avoid costly trial and error techniques that add to your stress and can damage your career and your school The topics in this handbook cover timesaving techniques improving communication sensible budgetary procedures developing vision statements for school development and more Each detailed chapter is highly goals oriented and provides practical time tested advice that can encourage veteran principals as well as those just beginning The Changing Landscape of School Leadership M. Scott Norton,2015-12-31 The primary focus of the book is to emphasize the major changes in the leadership responsibilities of the school principal and to underscore the necessity for them to gain new knowledge and skills in order to direct their leadership toward meeting the new changes in school community goals and objectives M Scott Norton emphasizes the fact that contemporary issues and problems must be viewed as symptoms of change The symptoms represent administrative tasks that must be attacked by implementing the primary reason that the school principal is hired that of leading on going change The leader s responsibility focuses on school purposes as set forth in a viable school mission statement The school s mission statement that all too often is set forth as a public relations perspective must instead set forth answers to questions such as What is our purpose Why does our school exist What is our reason for being here How do we meet the on going changes that face us educationally The leadership of the school principal attacks the symptoms of change by collaborating with the school s faculty to set forth a mission to which all members can commit Collaboration infers a unification of members commitments toward the primary purposes of the school Collaboration and opportunities to confer on an on going basis are established Although the school principal s hands are often tied by such factors as lack of resources underfunded unfunded mandates inability to hire and retain highly qualified personnel and constantly changing program requirements related to student testing and teacher performance evaluation this book places emphasis on the principal s need to become a visionary change agent in order to attack the ever changing symptoms of educational change **Encyclopedia of Educational Leadership and Administration** Fenwick W. English,2006-02-16

The SAGE Encyclopedia of Educational Leadership and Administration presents the most recent theories research terms concepts ideas and histories on educational leadership and school administration as taught in preparation programs and practiced in schools and colleges today With more than 600 entries written by more than 200 professors graduate students practitioners and association officials the two volumes of this encyclopedia represent the most comprehensive knowledge base of educational leadership and school administration that has as yet been compiled **Home-based Supervisor's Guide** ,1993 **Professional School Counseling** Rosemary Thompson,2012 First Published in 2012 Routledge is an imprint of Taylor Francis an informa company **First Things First** Stephen R.
