

Americo-Liberians to remedy this NASTY situation, including their 100 year ban from all public-sector jobs to help us put our broken pieces together while they get properly rehabilitated since the American Colonization Society failed to do this key job. Further note here that our arguments here are firmly grounded in Statistics and Inductive Reasoning, especially Inferential Statistics' Central Limit Theorem.

3. **Looking a little more into our LPRC January 2013 bogus dismissal experience that presently gave birth to the Plain Truth Revolution:** This audio file delves into a January 25, 2013 bogus dismissal experience we had at the Liberia Petroleum 'Refining' Company (LPRC), all because we had refused to be demoted in some criminal scheme designed by our Americo-Liberian bosses in the name of some austerity measure. This scheme was also mainly designed to demoralize those of us that Americo-Liberian LPRC had established didn't acquire overseas (mainly American) education. This is a 1 hour 54 minutes, 156 MB, .mp3 file.
4. **A full recording of our giant Plain Truth Revolution's speech to the United Nations on the danger of this ever-enduring Liberian embarrassment:** As the biggest and longest of all of our audio engagements, this is a 500 MB .mp3 file that spans 6 hours 38 minutes presenting to the United Nations such requests as our desire for independence now; our demand to be memorialized now by the United Nations exclusively and no more the United States, with whom our relationship for the past 200 years now has been one of unspeakable deceit, corruption, blood stains etc. and the pitting of one predominantly criminal social group (the Americo-Liberians) against the vast indigenous majority of our homeland. This speech also politely warns the UN to be very careful with hyper-ambitious America, who wants to overthrow the UN from the leadership of the world to impose themselves on the rest of humanity, and that the UN should take this Liberian affair very seriously, as the Americans and their Americo-Liberians' conduct of human affairs in this criminal safe haven called Liberia could plunge the world into a 3rd World War if care is not taken.
5. **Our Plain Truth Revolution's 2 combined speeches to inform and initiate some civic action that we have planned to take at the US Monrovia Embassy:** The vision bearer of our revolution, Mr. Roland S. Kartee, along with his family was hit with a raw deal by Americo-Liberia's so-called Liberia Petroleum Refining Company (LPRC), which ONLY stores finished products for mainly foreign capitalists and does substantially nothing else. This raw deal was some hastily-orchestrated witch-hunt dismissal action against Mr. Kartee, but "fortunately" done with a very flawed or error-laden communication, with a confused allegation and a clearly misrepresented dismissing authority – faults which the company itself officially recognizes and acknowledges, but insists that Mr. Kartee, a Native or indigenous of this place, must take them (i.e. the LPRC Authority of the Williams, Browns, and Johnsons etc.) to their Americo-Liberian courts for redress. All this long string of criminally strange comportment from the LPRC has led Mr. Kartee and his collaborators to thoroughly research the entire Liberian civic structure and foundation for 4 years, a process which, fortunately for the ever-oppressed masses of this land, has led to lifesaving findings that now form the basic arguments of the Plain Truth Revolution for Mama country. Now, in trying to close this 4-year-old chapter of Mr. Kartee's quest to have LPRC just to correct his dismissal letter in order to legally and otherwise divorce himself of the company and
